Utopian Fantasy Richard Gerber, 2019-11-21 This book originally published in 1955 and reissued in 1973 is a study of the flourishing of an ancient literary form which had only recently been recognized and systematically studied as a proper genre utopian fiction Beginning with the imaginary journeys of writers like H G Wells at the end of the nineteenth century Professor Gerber traces the evolving themes and forms of the genre through their culmination in the sophisticated nightmares of Aldous Huxley and George Orwell It is a two fold transformation On the one hand the optimism of social reformers whose visions of the future were nurtured by the theories of Darwin and the triumph of science and industry gradually gives way to the pessimism of moral philosophers alarmed at the power science and technology have put at the disposal of totalitarian rulers On the other hand the earlier writers dependence on framing and distancing devices for their stories and heavy emphasis on technical details give way to the subtlety of complex psychological novels whose artistry makes the reader a citizen of the tragic worlds depicted

The Pacific Crest Trailside Reader, Oregon and Washington Rees Hughes, Corey Lewis, 2011-10-17 Unique woodcut illustrations decorate both volumes Trail map to follow story locations in

each volume For both hikers and armchair adventurers of the PCT Exploring the people places and history of the Pacific Crest Trail as it ranges 2 600 miles from Mexico to Canada THE PACIFIC CREST TRAILSIDE READER EBOOK brings together short excerpts from classic works of regional writing with boot tested stories from the trail The heart of this anthology is these real trail tales stories taken from PCT hikers trailside humor and traditions trail angels and trail magic encounters with wildlife and wild weather stories of being lost and found rescues and unusual incidents Revealing a larger context are historical accounts of events such as Moses Schallenberger s winter on Donner Pass and pioneer efforts like the old Naches Road that ended up creating access to today s trails Native American myths and legends such as that of Lost Lake near Mount Hood and selections from highly regarded environmental writers who have captured the region in print including Mary Austin in The Land of Little Rain John Muir in The Mountains of California and Barry Lopez in Crossing Open Ground Readers will also enjoy a few more surprising contributions from the likes of Mark Twain and Ursula Le Guin For this digital edition of the PCT READER we combined our two print volumes into a single robust ebook that features stories from both the CALIFORNIA and OREGON WASHINGTON volumes Because the two volume set is a compilation of old and new essays however the editors were not able to obtain digital publication rights for some of the previously published material So while this combination ebook includes all the newly commissioned stories as well as many other pieces for which the editors did have digital access there are approximately four contributions from each of the printed books that do not appear here
