Soper,2018-07-03 Kerry D Soper reminds us of *The Far Side*'s groundbreaking qualities and cultural significance in Gary Larson and *The Far Side* In the 1980s Gary Larson b 1950 shook up a staid comics page by introducing a set of aesthetic devices comedic tones and philosophical frames that challenged and delighted many readers even while upsetting and confusing others His irreverent single panels served as an alternative reality to the tame comedy of the family friendly newspaper comics page as well as the pervasive button down consumerism and conformity of the Reagan era In this first full study of Larson's art Soper follows the arc of the cartoonist's life and career describing the aesthetic and comedic qualities of his work probing the business side of his success and exploring how *The Far Side* brand as a whole with its iconic characters and accompanying set of comedic and philosophical frames connected with its core readers In effect Larson reinvented his medium by creatively working within pushing against and often breaking past institutional aesthetic comedic and philosophical parameters Due to the comic's great success it opened the door for additional alternative voices in comics and other popular mediums With its intentionally awkward minimalistic lines and its morbid humor *The Far Side* expanded Americans' comedic palette and inspired up and coming cartoonists comedians and filmmakers Soper re-creates the cultural climate and media landscape in which *The Far Side* first appeared and thrived then assesses how it impacted worldviews and shaped the comedic sensibilities of a generation of cartoonists comedy writers and everyday fans *The Far Side of Eden* James Conaway,2015-10-22 In the tradition of his New York Times bestseller *Napa* James Conaway picks up the story he began a decade ago *The Far Side of Eden* offers a fascinating look at the political side of the wine revolution that put California's Napa Valley on the world map Miami Herald Now Conaway reveals Napa is awash in dollars generated by the boom economy and the social ambitions it inspired The valley is beset by new arrivals determined to have vineyards of their own and by cult wine producers in thrall to fabulously expensive rocket juice cabernet sauvignon that few locals can afford while established families wish to hold on to the old ways and camp followers get caught up in the glamour of it all Conaway long known for his controversial compulsively readable social reporting here indicts the wave of new money millionaires from Silicon Valley who have brought with them gaudy displays of wealth building so called McMansions and planting vanity vineyards Los Angeles Times A cautionary tale with a seductive pull San Francisco

Far Side of the Shadow Screen Thomas Champion, 2016-05-18 My name is Peter Grant I didn't start out to save the world it just sort of happened I only wanted to win back the love of the woman who broke up with me She was chosen to work on this anthropological expedition to Bali an excellent place to rekindle the magic of romance I more or less invited myself along That wasn't the kind of magic I found While Gayle my ex was working on her tan beside a Balinese lagoon I was chasing down headhunters in the jungles of Irian Jaya She made the cocktail party circuit I buried the last King of the Torajan And while the lovely Ms O Conner got engaged to the Major Domo Demon of the Underworld I became the sorcerer's apprentice So you tell me how's a guy suppose to win a woman's heart if he can't spend any quality time with her I'm a child of my times an amalgamation of nature and nurture I did what any red blooded American male my age has learned to do I battled the evil lord of the universe to stop his union with the woman I love and saved all of mankind in the process You would think that would count for something wouldn't you Man has always known the gods the demons They are as real as the moon and stars From his first taste of the apple man recognized good and

evil and honored and feared the gods they represent But someday we must ask how much of this is real and how much is just man s invention For Peter Grant the answer means everything On the Far Side of Liglig Mountain Thomas Hale,1989 Dr Hale recounts his often amazing and sometimes almost unbelievable experiences in bringing western medicine to people who distrust even fear the introduction of ideas different from their own He and his family work as a team to dispel that distrust and fear and in the process have experienced incredible adventures The Archer Files Ross Macdonald,2015-07-21 No matter what cases private eye Lew Archer takes on a burglary a runaway or a disappeared person the trail always leads to tangled family secrets and murder Widely considered the heir to Sam Spade and Philip Marlowe Archer dug up secrets and bodies in and around Los Angeles Here The Archer Files collects all the Lew Archer short stories ever published along with thirteen unpublished case notes and a fascinating biographical profile of Archer by Edgar Award finalist Tom Nolan Ross Macdonald s signature staccato prose is the real star throughout this collection which is both a perfect introduction for the newcomer and a must have for the Macdonald aficionado **The Far Side of a Dead Beat Dad** David Bryson,2017-01-11 As a former member of the United States Army Special Forces David Bryson lived by the motto De oppresso liber a Latin phrase that means to free from oppression or to liberate the oppressed Little did he realize that years later he would be fighting to liberate not others but himself from an unjust governmental system Slapped with a bill for over 23 000 in allegedly unpaid child support a charge based solely on his ex wife s testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife s charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence
