In the Farthest Corner, 1939 [The Far Corner](#) Harry Pearson, 2013-06-06 A book in which Wilf Mannion rubs shoulders with The Sunderland Skinhead recollections of Len Shakleton blight the lives of village shoppers and the appointment of Kevin Keegan as manager of Newcastle is celebrated by a man in a leather stetson crooning For The Good Times to the accompaniment of a midi organ *THE FAR CORNER* is a tale of heroism and human frailty passion and the perils of eating an egg mayonnaise stottie without staining your trousers

[The Far Corner](#) John Daniel, 2010-04-13 John Daniel writes from the ground he walks on and the landscape he inhabits in the northwest corner of America spinning narratives that seek to discover how he belongs to the land and to the wholeness of life itself He takes his readers to beaches old growth forests sagebrush steppe lands and deep river canyons wild places and places scarred by human exploitation and leads us too through inner terrains where he explores mortality creativity and spirituality Both lyrical and informative these essays are diverse in focus various in length and inventive in form one is constructed as a journal two as linear montages By turns playful awed cantankerous and tender in tone they deliver themselves in a style of high informality welcoming readers to join the author as he journeys through some of the

puzzlements sadnesses and small glories of living This collection extends John Daniel s earlier work *The Trail Home* in the personal essay form *The Farthest Shore* Alex Roddie,2021-09-02 In February 2019 award winning writer Alex Roddie left his online life behind when he set out to walk 300 miles through the Scottish Highlands seeking solitude and answers In leaving the chaos of the internet behind for a month he hoped to learn how it was truly affecting him or if he should look elsewhere for the causes of his anxiety *The Farthest Shore* is the story of Alex s solo trek along the remote Cape Wrath Trail As he journeyed through a vanishing winter Alex found answers to his questions learnt the nature of true silence and discovered frightening evidence of the threats faced by Scotland s wild mountain landscape **A Far Corner** Scott Ezell,2015-02-01 In 2002 after living ten years in Asia American poet and musician Scott Ezell used his advance from a local record company to move to Dulan on Taiwan s remote Pacific coast He fell in with the Open Circle Tribe a loose confederation of aboriginal woodcarvers painters and musicians who lived on the beach and cultivated a living connection with their indigenous heritage Most members of the Open Circle Tribe belong to the Amis tribe which is descended from Austronesian peoples that migrated from China thousands of years ago As a nonstate people navigating the fraught politics of contemporary Taiwan the Amis of the Open Circle Tribe exhibit for Ezell the best characteristics of life at the margins striving to create art and to live autonomous unorthodox lives In Dulan Ezell joined song circles and was invited on an extended hunting expedition he weathered typhoons had love affairs and lost close friends In *A Far Corner* Ezell draws on these experiences to explore issues on a more global scale including the multiethnic nature of modern society the geopolitical relationship between the United States Taiwan and China and the impact of environmental degradation on indigenous populations The result is a beautifully crafted and personal evocation of a sophisticated culture that is almost entirely unknown to Western readers **Supreme Court** , *Farther than the Farthest Stars* Mikhail Akhmanov,2018-12-20 In the course of one long distance expedition the research ship of the Archives discovers a planet with unique people as if having no kinship with the rest of the humankind The attempt to contact them ends tragically nearly the whole crew dies but the ship with artificial intelligence manages to come back to the Archives port with the information about the discovery The strange race which can be a nation of monsters from another Universe is dying there are no children born in their world the population is decreasing cities are becoming empty Should they be helped or left to the mercy of fate Perhaps it will be better to eliminate these monsters send them into nothingness quickly and painlessly There are different opinions in the Great Galaxies as to what should be done The Archives and the Monasteries secretly send another well armed expedition its goal is to study the newly discovered world and take the decision The ship is taking researchers to the far off planet but they are not united each of the six crew members has his her preferences goals and secrets Lacrosse Fundamentals Jim Hinkson,2012-04-01 Describing the components of lacrosse in a step by step fashion author and coach Jim Hinkson clearly explains and illustrates the most effective ways of mastering individual skills for passing catching cradling and checking as
