**The Fear Inside** Amy Kathlyn, 2019-02-19 Monica had obediently led a very mobile life as a child had endured heartbreaking losses without hesitation and had continued on as normally as possible the typical timeline of young adults her age until Eric made the normal impossible With alternative intentions Eric infused himself into Monica s life in the guise of romance to solve the mystery of a murder Eric s mission to investigate evolved into a deeper desire to bond with Monica a desire which unwittingly released a history of events and memories that spiraled Monica to that mystical and potentially dark life from which others had sacrificed their lives to protect her What was long oppressed and hidden inside the depths of the petite black haired beauty s soul was rising Those around her became pawns used in a sequence to lead to an ending that would reveal what was destined to become her future but who was the mastermind of these events The confusion of friend or foe perpetrator or victim innocent or guilty produces a constant tension that drives the story into a cataclysmic ending The mystery of Monica s history the ensuing trail of deaths and chaos and the supernatural activity all are connected to Monica and all intensify as she comes closer to facing the fear she holds inside The fear is the key *THE WISDOM OF THE MASTER* Allswell Nyenke, *In the Mind of Something Greater* Lisa C. Hynes, 2014-09-10 An unseen world of magic lies behind our thoughts and emotions The words inside this book explain how to look within your mind to find an unseen world that only you hold Do you dare to look into your thoughts Do you dare to find a world that brings you a voice Do you sit inside the corner of your mind Take a journey with this book and see what you will find There is a voice that speaks to you if you listen It will tell you who you are inside It will bring you happiness and ultimately love It will pull your world around and change you inside Look into the place that lies between your thoughts and emotions It will shine through your desperation You will be upon your knees when you find a world that touches your heart and bursts out for everyone to see The sun will shine just for you and the magic will appear in your day Do you dare to see how *In the Mind of Something Greater* can work for you **If I Tell You I Am Broken, Would You Still Love Me? Can I Still Love Myself?** Sheila Wooten, 2024-09-12 The story was inspired by God After a fall I had in 2008 I suffered a compound fracture of the tibia and fibula of my left lower leg After months of crying being depressed fearful all the time I realized something was really wrong My doctor said You have anxiety and PTSD With different medications I struggled through the past years I realized I was broken but never told anyone for fear of judgment We are all broken in my opinion and we just need to know it s okay We need to be kind to each other and love each other the way we are No judgment just kindness Strength Fear *Risen* Shaun Norris, 2023-05-14 *Risen* is one of those richly layered dark fantasy fiction books in the isekai series set in the Western genre Steeped in mature themes and narratives it is a book suited for young adults and above Drawing influences from popular series it transports readers to a multiverse teetering on the edge of chaos Multiple worlds each with its distinct flavor intertwine in an ever shifting narrative The journey through these worlds is key opening the way for encounters with an array of mythical

creatures forming an intricate part of the plot This is the story of Marcus Wright a 21 year old former hitman for a mafia boss and Selene Kiser a 22 year old swordswoman feared for her potent Scorching Sun magic In a world without omnipotent deities where lesser gods vie for power and dominance these two characters navigate rugged paths to find their place amid the turmoil Marcus fierce protectiveness over his sister Thalia juxtaposed against Selene s struggle as a powerful yet feared figure in Duranell offers a riveting exploration of characters and their relationships The world building draws on Greek Norse Egyptian and Judeo Christian mythologies to create a rich tapestry of lore and history Yet the story is not limited to this the world of Erebus has its own compelling narrative and mystical beings The essence of dark fantasy books for young adults is captured in Risen reminiscent of visceral Claymore battles promising thrilling encounters and harrowing challenges In the grand tradition of dark fantasy fiction books the spotlight shines on multiple characters each getting their fair share of character development Ruvick and Moyako introduced in the initial volumes evolve in subsequent parts of the story their journeys intricately woven into the main plot The author s writing style centers around character driven narratives focusing on the characters points of view their actions and their profound impact on others Yet the world itself is far from passive often impacting the book s characters in unforeseen ways Characters grapple with adult narratives and sometimes their sexual relationships adding depth to the narrative Risen is not just a book it s a sweeping saga of battles and politics gods and men love and power Its mature themes and relentless pace make it a fascinating addition to Western isekai books This story is about the fight for survival and meaning in a chaotic multiverse exploring what happens when the gods are as fallible as the men they govern

Blake, 2025-01-22 In a world where emotions are bought and sold the price of feeling has never been higher *The Price of Emotions* How Artificial Feelings Can Destroy Us takes you on a dark chilling journey into the dangerous world of purchasing emotions where the consequences are as twisted as they are irreversible This collection of morbid psychological short stories delves deep into the human psyche and explores the terrifying impact of artificial emotions where feelings are no longer born from experience but bought from an app manipulated and consumed What happens when grief happiness anger and love become commodities What happens when people choose to buy these emotions in order to escape their pain or to find temporary solace The characters in these stories discover the horrific truth emotions when artificially manufactured become uncontrollable devastating forces that warp their realities and destroy their lives In one story a woman buys sorrow to mourn the loss of a loved one only for the grief to become an unshakable consuming shadow that she can never escape In another a man purchases rage to confront his enemies but the anger grows so powerful that it destroys everything in its path his relationships his career and his sanity Each tale is a haunting exploration of how these emotions once artificial take on a life of their own twisting and overwhelming the very people who sought them From a man desperate to find happiness through a quick purchase only to find that the fleeting joy leaves him emptier than before to a woman who buys love in a bid to fix her broken heart but ends up trapped in an unhealthy obsession each story presents a disturbing vision of how our need for control over our emotions can lead us down a path of darkness These characters make choices they believe will liberate them but in the end they only find deeper despair confusion and isolation *The Price of Emotions* is not just a collection of dark psychological tales it is a thought provoking exploration of the price we pay for manipulating our feelings and the devastating consequences when we try to outsource the essence of what makes us human Will we ever learn to live with our real emotions or will we continue to fall victim to the artificial If you love hauntingly unsettling stories that make you question the

Murat KAVŞUT,2024-07-01 Out of this great silence came a voice that enveloped fine grained hearts Stop Father do not do this to the Blue Knight who has always shown his loyalty in your victories said Princess Nersuisp n the beautiful daughter of the King This voice found a place deep within the King s heart Perhaps this voice would change many things Many things that make us important in life nstagram avutilist **The Red Moon** Kuwana Haulsey,2002-01-29 The moon was red on the

night my mother died Fat fairly bursting as I remember it rode so low in the sky that it grazed the backs of the leopards who hissed and spat and cursed it for interrupting the hunt It caressed the thorny tips of the acacia trees bending them seeming to crush them with light In The Red Moon newcomer Kuwana Haulsey has crafted a strikingly beautiful coming of age story set amid the turbulent history of modern Kenya The novel centers on Nasarian the daughter of a successful Samburu herdsman and his Somali fourth wife On the verge of adulthood Nasarian finds herself trapped between the demands of her traditional tribal life and her desire to live abroad as a writer When her parents die suddenly Nasarian s plan to escape her sheltered world is undermined by her scornful brother Lolorok Disgusted by Nasarian s refusal to be circumcised and thus initiated into the traditional role of wife and mother Lolorok allows his sister to be inherited by a distant cousin Nasarian is convinced that no matter how hard she fights she will never be allowed to call her life her own She is dogged by the memory of her father who was caught in the midst of a brutal war branded with the name Mau Mau imprisoned as a terrorist She is haunted by the spirit of her mother captured in a bloody raid and destined like Nasarian to be an outcast Nasarian runs away sparking a sweeping journey of discovery that evokes fifty years and three generations of her family history Weaving ancient myth and folklore into the tapestry of Nasarian s personal quest The Red Moon chronicles the yearning of a brave young woman while simultaneously depicting a nation s equally fierce search for a truthful and lasting spiritual independence Stunning in its revelations The Red Moon portrays incisively a way of life rarely glimpsed by those who have not experienced its richness and survived its terror With an intensity rare in modern fiction The Red Moon takes readers into the heart of an incredibly courageous young woman

**Life's Ever Changing Emotions** Ronald Black, 2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the end of the day if we listen closely

we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through lifes ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim      *A Sunday Devotional* Lorie E.
