The Federalist, on the New Constitution Alexander Hamilton,James Madison,John Jay,1802 The views of Hamilton Madison and Jay expressed in this landmark work have had a lasting effect on U S constitutional law The essays that comprise this work appeared under the collective pseudonym Publius in New York newspapers and journals from October 27 1787 to early June 1788 Most scholars agree that 51 of the essays were written by Hamilton 29 Madison and 5 by Jay The first edition was published anonymously and printed by the M Lean brothers who collected and published the first 36 essays as Volume I in March 1788 with the final 49 essays in Volume II in May of the same year along with the text of the Constitution The essays were intended to encourage ratification of the proposed constitution by New York State but were immediately recognized as the most compelling commentary on the most radical form of government the world had seen Hamilton s essays especially express a strong concern for the rights of property over the natural rights of life liberty and the pursuit of happiness as outlined by Jefferson in the Declaration of Independence Reprint of the second edition published by George Hopkins In this edition Hopkins revealed Alexander Hamilton James Madison and John Jay as the authors of the essays 2 vols viii 317 iv 351 pp **Federalist on the New Constitution Written in 1788** Alexander Hamilton,John Jay,James Madison,1817 **The Federalist, on the New Constitution** ,2004-01-01 **The Federalist** James Madison,John Jay,1826 **The Federalist, on the New Constitution, Written in 1788** James Madison,John Jay,1852

Alexander Hamilton, John Jay, James Madison, 2017-06-22 The present edition of the Federalist contains all the numbers of that work as revised by their authors and it is the only one to which the remark will apply Former editions indeed it is understood had the advantage of a revision from Mr Hamilton and Mr Jay but the numbers written by Mr Madison still remained in the state in which they originally issued from the press and contained many inaccuracies The publisher of this volume has been so fortunate as to procure from Mr Madison the copy of the work which that gentleman had preserved for himself with corrections of the papers of which he is the author in his own hand The publication of the Federalist therefore may be considered in this instance as perfect and it is confidently presented to the public as a standard edition Some altercation has occasionally taken place concerning the authorship of certain numbers of the Federalist a few of those now ascertained to have been written by Mr Madison having been claimed for Mr Hamilton It is difficult to perceive the propriety or utility of such an altercation for whether we assign the disputed papers to the one or to the other they are all admitted to be genuine and there will still remain to either of these gentlemen an unquestioned number sufficient to establish for him a solid reputation for sagacity wisdom and patriotism It is not the extent of a man's writings but the excellence of them that constitutes his claim upon his contemporaries and upon posterity for the character of intellectual superiority and to the reader the difference in this case is nothing since he will receive instruction from the perusal let them have been written by whom they may
