Smedt,2023-11-22 Is it still possible to write something new and valuable about the Revelation The subject of Revelation has always been an intriguing one for both believers and non believers who for centuries have devoted themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within the pages of the Holy Scriptures With this notion in mind The Book For Our Time a translation of the original manuscript published in 1872 was written in order to research and understand along with readers to find the true end and fulfilment of Revelation and in so doing bring a sense of purpose to those who read it Willy Louis Jeanne De Smedt 8 2 1931 25 8 2017 Born in Belgium he moved with his parents to the Democratic Republic of the Congo where he attended a Catholic School Always serious about religion he wished to become a priest but eventually decided not to pursue his dream After moving to South Africa where he qualified as a millwright at Iscor Willy started working as a math teacher at the Military Technical College During a service in the New Apostolic Church Willy heard and learned about the Day of The First Resurrection That s when the project of The Book For Our time started to take form from his desire to inform people about the salvation plan of God He died in 2017 due to

Leukemia **The Tribulation Story** Greg Hinnant,2020-06-11 describes in clear chronological order the unforgettable people and events of the Tribulation seven years biblically prophesied to complete Israel s and the world s histories Revelation 6 19 This unique biblical epic offers striking contrasts monstrous despots and heroic believers fearful judgments and rapturous rescues false prophets and true witnesses filthy harlots and pure brides hell s worst and heaven s best a titanic relentless struggle between God and Satan through human agents unresolved till the last hour of the last day For seven years the world will experience increasingly frequent and intense birth pangs until at last a new enduring righteous world order emerges reborn from the ashes of the old the visible kingdom of Jesus Christ On this earth For a thousand years But before that warm brilliant Son rise cold dark wonders are predetermined so unprecedented so shocking so outsized so fantastic they seem utterly incredible Yet oracles of God they are utterly credible certain and near With signs of the times everywhere with its clear biblical instructions for spiritual readiness is extraordinarily timely And compelling It will grip your attention and keep you reading until you fully understand the Tribulation and how to escape it Book Review 1 Without a doubt people are sensing that our world is under the sway of biblical end time prophecies Recent events have driven people to reconsider these signs of the times and take a fresh look at what the Bible says regarding these events In The Tribulation Story Greg Hinnant s passion and scholarship really shines Many Christians today are woefully uneducated and ignorant of even basic eschatology and the relevance of its impact for our lives I m grateful Greg has produced a well written and well researched work for both those new to the faith and for veteran believers I found it to be an excellent and accurate overview of the Book of Revelation The Tribulation Story is inspiring enlightening and most importantly biblically sound I highly recommend it for

anyone interested in God's plan for the ages Dr Randal S Langley President CEO Christian Life School of Theology Global Book Review 2 The Tribulation Story is a unique chronology of the events prophesied in the Book of Revelation Greg Hinnant has not only given us a book of in depth information he has given us a book of deep Holy Spirit revelation that carries life changing impartation It is impossible for anyone Christian or non Christian to read this amazing work and not experience a deep emotional reaction and spiritual resonance in their heart It will connect the dots for many people who have never really understood the Book of Revelation before Dr John Shiver John Shiver Ministries Book Review 3 The Tribulation Story vividly details the horrors of the coming Tribulation period It is not only based on the Book of Revelation but also makes extensive use of Old and New Testament Scriptures including those of many prophets who foresaw this coming time Jesus challenged Christians to be wise worthy watching faithful and ready at all times for His return This book encourages us to learn to more persistently overcome our smaller tribulations with God's grace in order to be ready to be raptured away to heaven and thereby avoid the Tribulation Dr Ernst Lutz Ph D Switzerland Book Review 4 While The Tribulation Story does not purport to identify precisely the when of Christ's return it does affirm that the events described in the Book of Revelation are an impending awesome reality for our generation Hence The Tribulation Story is not written to explain prophecy for some distant future but for our present time The poignant description of coming events lends assurance to the faithful that God is both sovereign and merciful while beseeching the unfaithful to bow their knee only to the Lord Jesus as the ultimate Victor and King This book is a call for preparation in the here and now Dr Ran Whitley D Min Ph D Professor Alma Dark Howard Chair of Church Music Campbell University     The book of Revelation As It Is Gerard Meerstadt,2019-02-20 The key to understanding the book of Revelation is enclosed in its title It is a revelation It reveals things that were unknown makes them plain and understandable Consequently it is not to be regarded as a mystery that needs to be solved a book with a hidden meaning that requires experienced scholars to unravel it Quite the opposite It presents itself as the solution to the riddle revealing how all the major prophesies of the Bible will find their fulfilment while documenting what happens to our world in its transition to the next stage in human history It contains exactly what Jesus Christ wants to reveal to us on a need to know basis Is he capable of revealing something Does he require other people to explain to us what he actually meant Of course not So let us do something very unusual and try to understand the book of Revelation just as it is We are all students of the word not teachers Jesus is our teacher in this case Everything we pretend to know might hold us back from discovering something really new to us     The Lord of the Sabbath Opens His Book of Revelation Christopher Fung,2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God's consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God's written oracle to humankind But almost no one has been able to demonstrate these Through the lens of God bringing his

created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God's image Poignantly it shines a light on the current global crises environmental political religious and economic This book's common sense context first exegesis sets it apart from most other Revelation commentaries on the market

**Reading Religion in Text and Context** Elisabeth Arweck, Peter Jeffrey Collins, 2006 To what extent is religion inherently textual What might the term textual mean in relation to religious faith and practice These are the two key questions addressed by the eleven thought provoking essays collected in this volume Accounts of the content and structure of sacred texts are commonplace The rather more adventurous aim of this book is to disclose within the context of religion the various ways in which meaning can be read of more or less obviously sacred writing and from discourses such as the body the built and natural environment drama and ritual

*The Book of Revelation* John Paul Heil, 2014-04-07 John Paul Heil presents an original analysis of the theme of worship in the book of Revelation guided by a new illustration of its comprehensive chiasmic structure The worship that Revelation exhorts and enables is in the divine Spirit of prophetic witness against all forms of idolatrous worship on earth in favor of a true heavenly and universal worship of the Lord God and the Lord Jesus Christ the Lamb for an eternal and heavenly life The audience begins this worship in the eucharistic supper into which Revelation leads them by inviting them to respond to the promise of Jesus Yes I am coming soon with Amen Come Lord Jesus They thereby affirm and welcome the coming of the Lord Jesus the exalted sacrificial Lamb to the eucharistic supper that anticipates his final coming and the divine grace the gift of eternal life of the Lord Jesus that is intended to be the destiny of all The grace of the Lord Jesus with all
