The Film Acting Of John Barrymore:

The Film Acting of John Barrymore Joseph W. Garton,1980 **Hamlet Lives in Hollywood** Murray

Pomerance,2017-09-08 This book a collection of fifteen original essays on the film performances and stardom of John Barrymore redresses the lack of scholarship on Barrymore by offering a range of varied perspectives on the actor s work

Damned in Paradise John Kobler,1977 The Barrymores Carol Stein Hoffman,2001-11-23 Spanning over six

generations two continents and three centuries the family of actors that would be known as the Barrymores has become an emblem of the American stage and screen From Elizabethan England to present day Hollywood there has never been a more talented romantic and complex family tree For the Barrymores acting was truly in the blood The Barrymores Hollywood s First Family documents the history of America s acting dynasty in words and pictures with never before seen photos from the Barrymore collection Including beautiful portraits from John and Dolores s honeymoon film stills and dozens of other rare photographs this collection is the first to fully present the glamour and the legend that is Barrymore John Barrymore Charles River Editors,2019-11-30 Includes pictures Includes a bibliography for further reading A man is not old until regrets take the place of dreams John Barrymore Movie stars are revered for their ability to captivate audiences and Hollywood began to flourish before the onset of television allowing movies to enjoy relatively uncontested supremacy over American entertainment The popularity of various actors would thus extend well beyond the success of any of their individual films reflecting their much broader cultural significance as monuments of Hollywood during its Golden Age In the 1920s the burgeoning movie industry was starting to come into its own and virtually no actor was as famous or infamous as John Barrymore Like many other film stars his age Barrymore s career had started in other forms of entertainment in his case theater and by the time movies were becoming popular Barrymore was one of the world s foremost Shakespearean actors After standout performances in productions of Richard III and Hamlet Barrymore transitioned for a time to working on films including Dr Jekyll and Mr Hyde 1920 Sherlock Holmes 1922 and The Sea Beast 1926 His career would not be hampered by the end of the silent film era either and he would continue to star in movies throughout the 1930s including in critically acclaimed films like Grand Hotel 1932 Twentieth Century 1934 and Midnight 1939 For a time Barrymore was one of the most popular actors of the day but more than 75 years after his death he is likely better remembered more for his family lineage and his contributions to pop culture voluntarily and involuntarily Barrymore hailed from an acting family and he would become the patriarch whose descendants continued to be acclaimed actors most recently his granddaughter Drew Barrymore But while that might be his most tangential legacy in the 21st century Barrymore s personal life continues to draw interest from his many marriages and paramours to the substance abuse that was common knowledge by the end of his life Barrymore even tried to play to his reputation and get in on the joke often taking on roles that served as parodies of his own outlandish behavior In a self deprecating reference to his love life he once joked I am thinking of taking a fifth wife Why not

Solomon had a thousand wives and he is a synonym for wisdom And when he appeared in My Dear Children in 1939 a critic for the New York Times noted Although he has recklessly played the fool for a number of years he is nobody s fool in My Dear Children but a superbly gifted actor on a tired holiday As it turned out he didn t have much time left after that performance as all of his excesses took a fatal toll on him in 1942 at the age of 60 John Barrymore The Life and Legacy of Early 20th Century America s Most Famous Actor chronicles the dramatic life and career of Barrymore on and off the screen Along with pictures depicting important people places and events you will learn about Barrymore like never before **John Barrymore** Martin Norden,1995-10-20 Appearing in about 60 films and dozens of stage and radio productions John Barrymore 1882 1942 was arguably the most idolized performing arts figure of his generation Renowned for his ability to make even the flimsiest roles come to life with power and passion the Great Profile reached his apex with title role performances in stagings of Richard III 1920 and Hamlet 1922 25 This book charts his legendary and sometimes scandalous life and career A biography discusses his love of roles requiring physical or psychological distortion his four failed marriages and his memorable achievements on the stage and screen Chapters that follow contain entries for his performances in stage film and radio productions with each entry providing cast and credit listings plot synopses critical commentary and excerpts from reviews Also included are a discography a chapter on plays and films with characters modeled after Barrymore an annotated bibliography and discussions of archives and special collections The volume closes with a personal essay by Barrymore s Shakespearean vocal coach Margaret Carrington This essay written by a pivotal figure in Barrymore s development as a serious actor has never before been published **John Barrymore** Charles River Editors,2019-11-30 Includes pictures Includes a bibliography for further reading A man is not old until regrets take the place of dreams John Barrymore Movie stars are revered for their ability to captivate audiences and Hollywood began to flourish before the onset of television allowing movies to enjoy relatively uncontested supremacy over American entertainment The popularity of various actors would thus extend well beyond the success of any of their individual films reflecting their much broader cultural significance as monuments of Hollywood during its Golden Age In the 1920s the burgeoning movie industry was starting to come into its own and virtually no actor was as famous or infamous as John Barrymore Like many other film stars his age Barrymore s career had started in other forms of entertainment in his case theater and by the time movies were becoming popular Barrymore was one of the world s foremost Shakespearean actors After standout performances in productions of Richard III and Hamlet Barrymore transitioned for a time to working on films including Dr Jekyll and Mr Hyde 1920 Sherlock Holmes 1922 and The Sea Beast 1926 His career would not be hampered by the end of the silent film era either and he would continue to star in movies throughout the 1930s including in critically acclaimed films like Grand Hotel 1932 Twentieth Century 1934 and Midnight 1939 For a time Barrymore was one of the most popular actors of the day but more than 75 years after his death he is likely better remembered more for his family lineage and his contributions to pop culture voluntarily and

involuntarily Barrymore hailed from an acting family and he would become the patriarch whose descendants continued to be acclaimed actors most recently his granddaughter Drew Barrymore But while that might be his most tangential legacy in the 21st century Barrymore s personal life continues to draw interest from his many marriages and paramours to the substance abuse that was common knowledge by the end of his life Barrymore even tried to play to his reputation and get in on the joke often taking on roles that served as parodies of his own outlandish behavior In a self deprecating reference to his love life he once joked I am thinking of taking a fifth wife Why not Solomon had a thousand wives and he is a synonym for wisdom And when he appeared in *My Dear Children* in 1939 a critic for the New York Times noted Although he has recklessly played the fool for a number of years he is nobody s fool in *My Dear Children* but a superbly gifted actor on a tired holiday As it turned out he didn t have much time left after that performance as all of his excesses took a fatal toll on him in 1942 at the age of 60 John Barrymore *The Life and Legacy of Early 20th Century America s Most Famous Actor* chronicles the dramatic life and career of Barrymore on and off the screen Along with pictures depicting important people places and events you will learn about Barrymore like never before **HAMLET LIVES IN HOLLYWOOD.** MURRAY. POMERANCE, **When Warners**

Brought Broadway to Hollywood, 1923-1939 Martin Shingler, 2018-01-23 This book offers a different take on the early history of Warner Bros the studio renowned for introducing talking pictures and developing the gangster film and backstage musical comedy The focus here is on the studio s sustained commitment to produce films based on stage plays This led to the creation of a stock company of talented actors to the introduction of sound cinema to the recruitment of leading Broadway stars such as John Barrymore and George Arliss and to films as diverse as *The Gold Diggers* 1923 *The Marriage Circle* 1924 *Beau Brummel* 1924 *Disraeli* 1929 *Lilly Turner* 1933 *The Petrified Forest* 1936 and *The Private Lives of Elizabeth and Essex* 1939 Even the most crippling effects of the Depression in 1933 did not prevent Warners production of films based on stage plays many being transformed into star vehicles for the likes of Ruth Chatterton Leslie Howard and Bette Davis *The Art of American Screen Acting, 1912-1960* Dan Callahan, 2018-03-08 Some people claim that audiences go to the movies for the genre Others say they go for the director But most really go to see their favorite actors and actresses This book explores the work of many of classic Hollywood s influential stars such as James Cagney Bette Davis Cary Grant and Katharine Hepburn These so called pre Brando entertainers often dismissed as old fashioned were part of an explosion of talent that ran from the late 1920s through the early 1950s The author analyzes their compelling styles and their ability to capture audiences

Broadway Actors in Films, 1894-2015 Roy Liebman, 2017-02-20 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie

others hundreds Each entry includes highlights of the performer s career a list of stage appearances and a filmography

Screen Acting Peter Kramer, Alan Lovell, 2014-04-08 While not everyone would agree with Alfred Hitchcock s notorious remark that actors are cattle there is little understanding of the work film actors do Yet audience enthusiasm for or dislike of actors and their style of performance is a crucial part of the film going experience *Screen Acting* discusses the development of film acting from the stylisation of the silent era through the naturalism of Lee Strasberg s Method to Mike Leigh s use of improvisation The contributors to this innovative volume explore the philosophies which have influenced acting in the movies and analyse the styles and techniques of individual filmmakers and performers including Bette Davis James Mason Susan Sarandon and Morgan Freeman There are also interviews with working actors Ian Richardson discusses the relationship between theatre film and television acting Claire Rushbrook and Ron Cook discuss their work with Mike Leigh and Helen Shaver discusses her work with the critic Susan Knobloch

John Barrymore, Shakespearean Actor Michael A. Morrison, 1997-09-28 Tracing the Victorian and Edwardian antecedents of Shakespearean performance this 1997 book situates Barrymore s distinctive contribution in light of past and ensuing tradition
