MacWilliams, 2007-05-24 There is no available information at this time **Final Days** Andrei S. Grachev, 2019-03-11 As press secretary to Mikhail Gorbachev

Andrei Grachev witnessed and recorded many events unobserved by the general public In this engaging and compelling book he recounts these episodes in vivid detail interpreting them in the context of the time Highlighted are top level meetings with Western leaders State Council debates on a new treaty of union promising until Gorbachev and Yeltsin sparred over Russia s policy toward the Chechen republic and Gorbachev s private talks with leading members of government business and religious and cultural circles from around the world *The Last Days of the Afghan Republic* Arsalan Noori,Noah Coburn,2023-05-22 It is difficult to overstate the chaos of August 2021 for many of those in Afghanistan particularly those who had worked closely with the international community there In a matter of days U S troops withdrew from Afghanistan and an insurgency threw out a government the international community had spent 20 years and billions of dollars supporting A government that claimed to stand for women s rights freedom of the press education and a litany of other ideals was replaced by one that did not allow girls to attend secondary school The world watched for two weeks as crowds rushed the airport bodies fell from planes a suicide bomber killed civilians and soldiers and a baby was handed to a Marine over a barbed wire wall The agony of lives so clearly destroyed as people tried to flee their homeland with little to nothing felt like images seen in the wake of natural disasters But this was not a natural disaster It was completely avoidable Part memoir and part history *The Last Days of the Afghan Republic* tells this story through the experiences of Arsalan Fatima Zeinab and Najeeb a scholar a doctor a student and a translator These young men and women had bought into the promise of the international intervention that if they studied worked hard and believed in democracy and human rights Afghanistan could become a new country Their lives also tell the story of Afghanistan over the past thirty years They recount from the ground up the political decisions on the American side that led to the forever war the way that Afghan political partners squandered opportunities and the ways in which the U S presence unevenly reshaped Afghan society *Acts of the Apostles (Catholic Commentary on Sacred Scripture)* William S. SJ Kurz,2014-02-18 What message was the author of Acts seeking to convey and what would the original audience have understood How is God speaking to believers today through Acts as it has been used by the church throughout the centuries In this addition to the Catholic Commentary on Sacred Scripture respected New Testament scholar William Kurz offers a close reading and explanation of the entire narrative of Acts grounded in the original Greek but keyed to the NABRE for liturgical use This volume like each in the series relates Scripture to life is faithfully Catholic and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively *The Last Days Are Left Behind* James Ellis,2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of

the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these issues For God s Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible s prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God s Word
