CHOPER SCHAUER (JESSE H.), Jesse Choper, 2023-05-30 Description Coming Soon **The Novel and the Obscene** Florence Dore, 2005 The *Novel and the Obscene* challenges our vision of early twentieth century America as sexually progressive by identifying a resonant silence at the heart of the modernist American novel a narrative mode that renders censorship symbolic at the very moment of its legal demise **The First Amendment** Steven H. Shiffrin, Jesse H. Choper, 2011 This widely adopted soft cover casebook designed for a two or three unit course in the First Amendment has been thoroughly revised tightened and updated The authors present the materials in a way that permits instructors to depart from the organization of the casebook with relative ease The authors also try to expose students to original perspectives or perspectives they might otherwise miss Notes and questions enable students to study the variety of competing views embodying the First Amendment as they emerge from concrete cases rather than from abstract characterization and

classification imposed on the student at the outset of the study *2003 to the First Amendment* Steven H. Shiffrin, 2003-08

The First Amendment, 2013 Steven H. Shiffrin, Jesse Choper, 2013-08-06 This supplement brings the principal text current with recent developments in the law **The Law of Church and State in the Supreme Court Revisited** David M. Ackerman, Kimberly D. Jones, 2006 The religion clauses of the First Amendment provide that Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof In modern times the Supreme Court has frequently construed these clauses to create in Thomas Jefferson's oft quoted metaphor a wall of separation between church and state The Court's decisions have precipitated substantial opposition and in particular since the election of Ronald Reagan to the Presidency in 1980 a concerted and partly successful effort to change its separatist constructions of the religion clauses This volume summarises the doctrinal debates and shifts on the religion clauses that have occurred on the Court during this period It summarises and examines as well the legal effect of each of the 56 decisions the Court has handed down concerning church and state since 1980 **First Amendment** Steven H.
