The First Hundred Years A Centennial History Of King Spalding:

The First Hundred Years Della Wager Wells,1985 Jimmy and Rosalynn Carter E. Stanly Godbold, Jr.,2022 This dual biography of Jimmy and Rosalynn Carter the thirty ninth President and the First Lady chronicles their personal and professional relationships and their business and political successes The second volume of their dramatic story is filled with the emotional and political ups and downs of their lives as they managed a large family attempted to use their presidency to bring peace human rights and justice to all peoples of the world and dedicated the remainder of their long lives to making a safer more caring world **Secret Formula** Frederick Allen,2015-10-27 A highly entertaining history of global hustling cola wars and the marketing savvy that carved a niche for Coke in the American social psyche Publishers Weekly Secret Formula follows the colorful characters who turned a relic from the patent medicine era into a company worth 80 billion Award winning reporter Frederick Allen s engaging account begins with Asa Candler a nineteenth century pharmacist in Atlanta who secured the rights to the original Coca Cola formula and then struggled to get the cocaine out of the recipe After many tweaks he finally succeeded in turning a backroom belly wash into a thriving enterprise In 1919 an aggressive banker named Ernest Woodruff leveraged a high risk buyout of the Candlers and installed his son at the helm of the company Robert Woodruff spent the next six decades guiding Coca Cola with a single minded determination that turned the soft drink into a part of the landscape and social fabric of America Written with unprecedented access to Coca Cola s archives as well as the inner circle and private papers of Woodruff Allen s captivating business biography stands as the definitive account of what it took to build America s most iconic company and one of the world s greatest business success stories Where Peachtree Meets Sweet Auburn Gary M. Pomerantz,2021-04-13 A magnificent piece of writing a beautiful tapestry of prose in which the stories of two of Atlanta s most celebrated families have been woven densely into the history of the city itself The New York Times The Intersection of Peachtree Street historically the residential and commercial street of Atlanta s white elite and Sweet Auburn Avenue the spiritual main street of Atlanta s community mirrors the often separate but mutually dependent worlds of whites and blacks in this Southern city In Where Peachtree Meets Sweet Auburn Gary M Pomerantz traces five generations of two families the Allens descended from slave owners and the Dobbsses from slaves These families produced the two most influential mayors of the modern South Ivan Allen Jr and Maynard Jackson Jr Through hundreds of interviews and five years of painstaking research Pomerantz shows how the families rose to social economic and political prominence But he also demonstrates how their interesting lives paralleled the shifting relations between Atlanta s blacks and whites as the city grew to become the capital of the New South It is a representative story of the transformation of a city and the entire south For God, Country, and Coca-Cola Mark Pendergrast,2000-03-17 An illustrated history of the Coca Cola soft drink company *The Atlanta Historical Journal* ,1984 **Lagrange County Centennial History** ,1928 *American National Biography* ,1999 The Real Ones Elizabeth Candler Graham,Ralph Roberts,1992 An intimate look into one of the premier

far In the process these first cultural ambassadors played before kings and queens visited the Coliseum and the Eiffel Tower and took pot shots with their baseballs at the great Sphinx in Egypt This expedition to lands both exotic and familiar is chronicled with dash and wit in Mark Lamster s Spalding s World Tour a book filled with larger than life characters often competing harder for love and money off the baseball diamond than for runs on it Getting themselves into scrapes and narrowly escaping international incident all around the globe these innocents abroad gave the world an early peek at the American century just around the corner For anyone interested in the history of the game or the history of brand marketing Spalding s World Tour hits the sweet spot
