Hiesinger,1994 America s preeminent Impressionist painter 1859 1935 He studied in Paris 1886 89 and later became one of The ten a group of American Impressionists who exhibited together until World War I The American Flag John R. Vile,2018-10-05 At a time when the U S flag is both a source of both pride and controversy this volume provides the first encyclopedic A to Z treatment of the U S flag in American history culture and law This title is a comprehensive resource for understanding all aspects of the American flag and its relationship to the American people The encyclopedia provides a thorough historical examination of key developments in the flag s design as well as laws and court decisions related to the flag and the First Amendment In relation to the flag s history it also discusses evolving public attitudes about its importance as a national symbol The encyclopedia contains illuminating scholarly essays on presentations of the flag in American politics the military and popular culture including art music and journalism Additionally these essays address important rules of flag etiquette and modern controversies related to them from flag burning to refusing to stand during the playing of the U S National Anthem **Childe Hassam's New York** Ilene Susan Fort,1993 Childe Hassam 1859 1935 fell in love with New York after moving there in 1889 and it became one of his favorite subjects for his paintings His urban scenes are shown here not only as sumptuous tonalist paintings but also as visual records of a city in the throes of a profound transformation from quaint city to crowded metropolis Illuminating quotes by Hassam and writers of the day are featured with the full color reproductions **Beyond the Battlefield** Catherine Speck,2014-08-15 World Wars I and II changed the globe on a scale never seen before or since and from these terrible conflicts came an abundance of

photographs drawings and other artworks attempting to make sense of the turbulent era In this generously illustrated book Catherine Speck provides a fascinating account of women artists during wartime in America Britain Canada Australia and New Zealand and their visual responses to war both at the front lines and on the home front In addition to following high profile artists such as American photographer Lee Miller Speck recounts the experiences of nurses voluntary aides and ambulance drivers who found the time to create astonishing artworks in the midst of war zones She also describes the feelings of disempowerment revealed in the work done by women distant from the conflict As Speck shows women artists created highly charged emotional responses to the threats sufferings and horrors of war the constant fear of attack the sorrow of innocent lives destroyed the mass murders of people in concentration camps and the unimaginable aftermath of the atomic bombs The first book to explore female creativity during these periods Beyond the Battlefield delivers an insightful and meditative examination of this art that will appeal to readers of art history war history and cultural studies **Tales**

from the Easel, 2004 Tales from the Easel features seventy full color reproductions that convey the expressive allusive powers of narrative painting Though they range widely in subject and setting all of the paintings gathered here are rendered in a representational or realistic style Carrying moral social or patriotic messages the paintings are meant to teach enlighten or inspire Then again the paintings can also tweak the very conventions that define them with results that range from the delightfully idiosyncratic to the visionary Thomas Hart Benton Winslow Homer Andrew Wyeth and Jacob Lawrence are just some of the household names whose work appears in Tales from the Easel Others like Elihu Vedder and Lilly Martin Spencer are less well known but still vital to the development of narrative painting While some of the artists including George Caleb Bingham and Paul Cadmus were classically trained self taught painters such as Carlos Shoney Moon and Thomas Waterman Wood are also represented American rivers cities and battlefields are among the native surroundings shown in many of the paintings However artists also looked elsewhere for settings to Europe the Holy Land or even some imagined realm Charles C Eldredge's essay discusses the rich and varied sources of American narrative painting from literature and history to childhood and domestic life and an essay by William Underwood Eiland provides a discussion of the southern tale telling tradition Artist biographies by Reed Anderson and Stephanie J Fox appear opposite the paintings adding further context Tales from the Easel a companion volume to the national touring exhibit of the same name is a stunning reminder of a tradition in American painting that has endured across two centuries and numerous art movements Flags and Faces

David M. Lubin, 2015-02-21 From the sinking of the Lusitania in 1915 to the declaration of war against Germany in 1917 American artists and designers used their well honed visual skills to campaign for or against intervention During this period Old Glory assumed its present role as a patriotic icon After the war as Americans tried to forget the horrors their soldiers had encountered abroad medical advances in facial reconstruction for disfigured combatants gave rise to cosmetic plastic surgery and a flourishing makeup industry elements in a conspicuously new distaste for plainness and aging and obsession with youth
