Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries

Initiations of the Heart Elizabeth Clare Prophet, 2020-11-01 Did Our Hearts Not Burn Within Us The mystics have always known that the heart is the most important center of consciousness We can gain visions through the third eye enlightenment through the crown But the true fount of cosmic consciousness is always in the heart How do we develop our heart the chakra of Divine Love How can we increase the fire of the heart How can we expand the threefold flame the very source of life within us Within Initiations of the Heart the ascended masters reveal the mysteries of the heart Most importantly as we enter into their Word each one offers a transfer of light a unique initiation of the heart The apostles felt the fire of the heart in their encounter with the risen Christ on the road to Emmaus May you also experience that fire through your encounter with the masters in this age

Flaming Heart: Comfort of Sun Navneet Singh, Prologue A heart that burns with the intensity of a thousand suns yet yearns for the warmth of the soft golden glow that only the sun can provide In the tumult of life there are moments when we stand at the edge of our own despair wondering if we can ever feel whole again But within that storm there is the comfort of the sun the flickering light that guides us home Chapter 1 The Spark of Desire In the beginning there was a spark a tiny flame that ignited a passion deep within the heart For as long as Aurelia could remember her heart had always been different It was as though her very soul had been forged in fire giving her the courage to dream to reach for what seemed impossible Yet the flame that burned within her often felt like a curse one that threatened to consume her from the inside out Aurelia had grown up in the small town of Elysia nestled between the rolling hills and a valley so wide it seemed endless The town was a quiet place one where the sun always seemed to shine a little brighter But beneath that brightness Aurelia carried the weight of a fire that refused to die The fire within her heart was fierce burning through the mundane and bringing her to places where others would fear to tread But the more she chased the flame the further it seemed to slip from her grasp I was born to chase the light she often told herself but what happens when the light grows too strong What happens when it burns everything I touch Chapter 2 Shadows of the Past Aurelia s journey had never been easy The fire in her heart though strong and unyielding had also scarred her Each time she ventured too far each time she tried to seize what she desired the flames would scorch her leaving nothing but ashes behind Her heart longed for peace for respite from the burning ache that seemed to consume her Her mother Mara was the only person who seemed to understand the duality of Aurelia s existence Mara had

always spoken of the sun of its ability to both give life and destroy it in equal measure She would tell Aurelia stories of ancient beings who harnessed the sun's power wielding it to shape worlds and lives The heart my love Mara would say is like the sun It has the power to bring comfort and warmth but it also has the potential to blaze beyond all reason Find balance and you will understand the gift of the sun But be careful for the fire within you will always be there Chapter 3 The Call of the Horizon One evening as Aurelia stood on the edge of the hills watching the sun dip below the horizon she felt it again the yearning to follow the sun It was not the sun itself she sought but the comfort it represented The warmth the softness the sense of belonging to something greater than herself It was as if the sun held the answers she so desperately sought Her heart burned with a fierce desire to find that comfort to find a place where her soul could rest where she could finally lay down her burdens and feel at peace I need to know what lies beyond the horizon she whispered into the wind Chapter 4 The Burning Path The journey to find comfort in the sun was not one Aurelia could take alone Along her path she would meet others who like her sought to tame the fire within Each one carried their own burden their own story of loss longing and hope There was Darius the warrior with a soul scarred by battle Liora the healer whose hands could mend broken bodies but struggled to heal her own heart and Kaelen the philosopher who believed that the sun was not merely a source of light but a mirror to the soul Together they ventured across lands unknown facing challenges and confronting their darkest fears With each trial Aurelia learned more about herself about the sun and about the balance between the fire of her heart and the comfort she sought Chapter 5 Embrace of the Sun As Aurelia and her companions journeyed deeper into the wilds they came to a place unlike any other a valley where the sun seemed to shine not with intensity but with a gentle all encompassing warmth It was here in this sacred place that Aurelia found what she had been searching for The sun she realized was not just a source of light and heat it was a reflection of the heart itself The sun's power did not come from its intensity or its ability to burn it came from its steady unwavering presence Aurelia stood in the warmth of the sun feeling the fire in her heart soften For the first time in her life she felt whole The fire within her no longer sought to consume her It no longer burned with reckless abandon Instead it pulsed in harmony with the world around her a flame that could bring both passion and peace Chapter 6 The Heart That Glows In the years that followed Aurelia became known as the Sunkeeper Her heart once a fierce and uncontrollable fire had transformed into a steady radiant glow She shared the lessons of the sun with those who crossed her path teaching them how to find balance in the fire that burned within them She spoke of the sun's comfort not as a fleeting warmth but as an enduring presence that could both light the way and heal the heart And in her heart Aurelia knew that the comfort of the sun was not just for herself It was for everyone who sought it everyone who longed to find peace amidst the flames of their own desires Epilogue The Flame That Never Fades The sun Aurelia knew would eventually set but the flame within her would never fade It would continue to burn quietly steadily offering warmth to all who sought it And in the end it was not the fire that defined her but the comfort it gave to others For in the heart of the sun there is both warmth

and peace a promise that no matter how fierce the flame may burn there will always be comfort in the light
