**Triggered Literature** John Sutherland,2023-10-05 Amid the flames of the culture wars politicians have taken up arms over controls on literary culture spurred on in part by universities triggering canonical texts Jonathan Swift s Battle of the Books has flared up again But is triggering utter wokery or responsible pedagogic practice Through dozens of case studies of triggered works from Romeo and Juliet to Gender Queer John Sutherland explores the recent phenomenon of triggering and its consequences for university English departments and literature itself He maintains that what is routinely overlooked in the heat of polemic is that triggering is categorically different from traditional institutional religious educational dictatorial controls on literature Triggering is in essence an alert Done responsibly it does not erase or meddle it stimulates curiosity and thought It honours the fact that great literature is great because it is as Franz Kafka says powerful In this characteristically nuanced and calmly objective study the witty literary critic guides us through the increasingly rocky terrain of triggering His advice rings clear literature matters to us and what we make of our world and it must be handled with critical care      *Bowker's Directory of Videocassettes for Children 1999* R R Bowker Publishing,Bowker,1999-03
