**Marriages, and Children** Charlotte Perkins Gilman,2017-09-08 Charlotte Perkins Gilman 1860 1935 was a pioneering sociologist feminist pragmatist author and lecturer A skilled and perceptive writer she explained sociological concepts and principles clearly and concisely to popular audiences This volume presents a focused and provocative set of Gilman s penetrating analyses of marriage motherhood and family relationships Generally unavailable except in archives and special

libraries the lion's share of the analyses are drawn directly from Gilman's quintessentially unique self-published journal *The Forerunner*. Transcending her era, Gilman speaks with wit, insight, and candor to twenty-first-century readers about many controversial aspects of family and family life. She believes deeply that women's values, regeneration, cooperation, and compassion make for better societies. Men's values, she concludes, are destructive, competitive, and often violent. Families produce double standards and inequalities between husbands and wives, resulting in inferior mothers and, as a direct consequence, in substandard children. To improve society, Gilman argues, we need healthy, happy children. This requires well-trained, competent mothers, widespread social parenting, and enlightened, non-patriarchal marriages. Largely self-taught, Gilman supported herself through writing and lecturing. She was at one time a settlement house leader and an active member of the American Sociological Society. Her wide sociological circle included lasting friendships with Jane Addams, Edward A. Ross, and Lester F. Ward.

*Forerunners of the Reformation* Heiko A. Oberman, 2003-05. Oberman's magisterial work transfers discussion of late medieval Christian thought from the private studies of the specialist to more general use and understanding and explains the significance of the ideas of the time. Although this *Late Medieval Reader* does not exhaust the riches of the period between the High Middle Ages and the Reformation era, it introduces the reader to aspects of such major themes as conciliarism, curialism, mysticism, scholasticism, the spirituality of the *Devotio Moderna*, and the impact of Renaissance humanism. The theme of the *Forerunners* has grown out of the consideration that the justified rejection of a confessional reading of the past has been succeeded by an equally unhistorical disjunction of the Medieval and Reformation periods. Without a grasp of the fourteenth and fifteenth centuries, the medieval basis of modern thought is incomplete, since Reformation and Counter Reformation seem to arise out of the blue.

### **Standard Works of the Rev. William Jay ...**

**Comprising All His Works Known in this Country** William Jay, 1832. *Principles of Fatherhood (aka The Progenitor Principle)* Kay Taiwo, Olu Taiwo, 2001. If every person really thought about the legacy he or she would leave behind, perhaps his or her life would be lived quite differently. The brevity of life is a humbling experience. Everyday people come and people go. This is the drama of the human experience. The people we remember are those who have taken the time and applied the effort to make a contribution that will outlive them. This is at the heart of *The Principles of Fatherhood*. Think about it for a moment. When you die and leave the earth, will the world even take notice that you occupied its borders? Or will it rejoice that room has been created for something more worthwhile? Interestingly enough, the answers to the above questions are not a function of age, race, or gender. They are a function of choice. We choose what kind of life we will live. The kind of life we live determines the kind of legacy we leave behind. Identical twins Kay and Olu Taiwo are international speakers, ministers, consultants, featured authors, and licensed pharmacists. With over 20 years of speaking experience, their ministry has impacted audiences in the Ukraine, Nigeria, England, Philippines, Zimbabwe, South Africa, Canada, and across the United States of America. They conduct Vision, Identity, Purpose, VIP Seminars. They are blazing a trail around the world in the mobile app.

industry and are reaching thousands of people by promoting biblical literacy through mobile technology To invite Olu and Kay Taiwo to your conference seminar or event go to [http www VisionForLifeMinistries org](http://www.VisionForLifeMinistries.org) *The Resurgence of Religion* David S. Zeidan, 2018-11-13 This book is a comparative study of basic themes in Christian and Islamic fundamentalist discourses analyzing and comparing texts from a wide variety of fundamentalist leaders and movements looking for family resemblances and significant differences in order to better understand the contemporary phenomenon of religious resurgence After placing fundamentalisms in a theoretical framework the study looks at selected themes important to fundamentalists noting resemblances and differences These themes include their anti secularist stance their theocentric worldviews their reliance on inerrant sacred scriptures and their attitudes to politics government state and democracy The study also looks at the fundamentalist view of the world as a perennial battlefield between the forces of good and those of evil in the realm of ideologies as well as politics and the legitimation of violence *Princeton Alumni Weekly*, 1976 **The Murder of King James I** Alastair Bellany, Thomas Cogswell, 2015-10-15 A year after the death of James I in 1625 a sensational pamphlet accused the Duke of Buckingham of murdering the king It was an allegation that would haunt English politics for nearly forty years In this exhaustively researched new book two leading scholars of the era Alastair Bellany and Thomas Cogswell uncover the untold story of how a secret history of courtly poisoning shaped and reflected the political conflicts that would eventually plunge the British Isles into civil war and revolution Illuminating many hitherto obscure aspects of early modern political culture this eagerly anticipated work is both a fascinating story of political intrigue and a major exploration of the forces that destroyed the Stuart monarchy
