The Fortune Hunters Charlotte Hays,2007-08-07 From Madame de Pompadour the famed mistress of Louis XV to Pamela Harriman who married into the English aristocracy and the American plutocracy there is a rich history of women who have found glamour and wealth in the arms of a billionaire But contrary to what you may think fortune hunting is no idle pursuit Like diving for treasure it s a real job Some women strive to be CEOs others prefer to wed them You ll meet today s dazzling successes in this book What kind of woman does it take to make the Midas marriage Exploring the lives of the great fortune hunters of our day reporter and former gossip columnist Charlotte Hays answers this tantalizing question You ll learn about the South Carolina woman who took a trip around the world with a shadowy shipping magnate only to meet and marry a philandering marquis You ll see what methods these women use to lure their powerful men including one playful fortune seeker who at a very high society soir e hurled a piece of bread at her intended beau starting a food fight You ll meet the New York socialite who remarried so quickly after a divorce her ex claimed she was a bigamist What are their recipes for riches Can a genuinely nice woman pursue this career What does love have to do with it With original interviews and photos Hays casts a light on the determination skill and yes sometimes ruthlessness that have shaped some of the most successful and lucrative unions of our time
