The Freedom Of God A Study Of Election And Pulpit:

The Freedom of God James Daane,1973-10-22 The doctrine of election is one of the most difficult in all of Christian theology It is also one of the most prominent doctrines for the election of Israel Christ and the church is a theme that runs through the Scriptures Yet notes James Daane election is rarely preached from the pulpit In The Freedom of God Daane offers an explanation for this curious silence presents a corrective to the scholasticism that has infected Reformed theology and argues that the doctrine of election is in fact preached whenever Christ is faithfully proclaimed Interacting with such major Reformed theologians as Bavinck Hoeksema VanTil and others Daane here offers a clear biblically based truly Reformed understanding of the crucial significance of election in relation to preaching Reformed Reader George Stroup,2002-02-01 This volume demonstrates a central conviction of the Reformed tradition that theology must honor the historic witness of the church as catholic while being faithful to the new tasks of the present day church It offers selections from Reformed theology creeds confessions and church documents of the nineteenth and twentieth centuries The Mission of Today's Church R. Stanton Norman,2007-03-01 The Mission of Today s Church features twelve essays written by Baptist leaders addressing what it means to be a Christian today how believers best work together and what their future holds

Karl Barth in North America John Peter Lewis,2009-04-01 This study looks at the formation of theology as it emerges out of biography Indeed the biography of the theologian is the key to unlocking the meaning of his or her writings and a valuable tool for a thorough investigation of their work There will be a focus on the biography of Karl Barth and how this relates to his theological writings Attention will then be turned on a group of North American theologians to analyze how Barth s theology has influenced their personal experiences and corresponding theologies The personal experience of the theologian provides the background to the theological judgments she or he makes and therefore provides valuable insight into what she or he has written Experiences in the theologian s life determine how she or he forms and communicates the ideas that the experiences have given rise to Indeed theologians profoundly connect with readers as they write theology as an expression of their experiences of faith Therefore this book contends that there is a necessary connection to be made between the theologian as a person and the theology that emerges out of her or his unique biography Indeed it will be argued that theology is born out of the lived encounters of the theologian that develop into the kind of personal convictions passions concerns questions and a motivation to connect with others that is evident in her or his writing Consequently theology and theologian are inseparable

Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr.,2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is

searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary Dutch Calvinism in Modern America James D. Bratt, 2002-12-30 In this scholarly yet entertaining book James D Bratt takes a look at the Dutch in America from the late 19th century to the present A comprehensive study of an ethnic subculture the book is in large part a study of the group's religious history as well since as Bratt points out the contours of the Dutch presence in America have been overwhelmingly shaped by the church and its subsidiary organizations Although the book is extensively and scrupulously documented Bratt has infused his scholarship with a considerable amount of anecdote that is by turns poignant and tragic and hilarious In Bratt's analysis of the fitful progress of Americanization that this close knit religious community has undergone we are treated to the sharp insights of a bemused and sometimes disaffected insider Included is a chapter on novelists Arnold Mulder David Cornel DeJong Frederick Manfred and Peter DeVries four sons of the Dutch who fled the subculture only to reflect upon it almost obsessively from the outside Well written scholarly and highly readable Dutch Calvinism In Modern America will have wide appeal among both academic and general readers **Homiletic** David G. Buttrick, 1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics **After Calvin** Richard Alfred Muller, 2003 In this sequel to Muller's The Unaccommodated Calvin OUP 2000 the author carries his approach forward with the goal of overcoming a series of 19th and 20th century theological frameworks characteristic of much of the scholarship on Reformed orthodoxy or Calvinism after Calvin **Evangelicalism and Karl Barth** Phillip R. Thorne, 1995-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology

and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburg Eduard Schweizer John Vissers **Salvation and Sovereignty** Kenneth Keathley,2010-01-01 A unique book exploring the issues of free will and God s sovereignty by comparing and contrasting the doctrines of Calvinism and Molinism favoring the latter

Grace for All Clark H. Pinnock,John D. Wagner,2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered *Grace for All* The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God s grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion *Grace for All* The Arminian Dynamics of Salvation is an updated and revised version of *Grace Unlimited* a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College **Bearing the Witness of the Spirit** George

Muller,2017-05-02 This fresh study from an internationally respected scholar of the Reformation and post Reformation eras shows how the Reformers and their successors analyzed and reconciled the concepts of divine sovereignty and human freedom Richard Muller argues that traditional Reformed theology supported a robust theory of an omnipotent divine will and human free choice and drew on a tradition of Western theological and philosophical discussion The book provides historical perspective on a topic of current interest and debate and offers a corrective to recent discussions **Reformed Dogmatics** Herman Bavinck,2011-06-01 Herman Bavinck s four volume *Reformed Dogmatics* is

one of the most important theological works of the twentieth century The recently completed English translation has received wide acclaim Now John Bolt one of the world s leading experts on Bavinck and editor of Bavinck s four volume set has abridged the work in one volume offering students pastors and lay readers an accessible summary of Bavinck s masterwork This volume presents the core of Bavinck s thought and offers explanatory materials making available to a wider audience some of the finest Dutch Reformed theology ever written Praise for *Reformed Dogmatics* Bavinck s magisterial *Reformed*

Karl Barth and the Future of Evangelical Theology Christian T Collins Winn, John L Drury, 2017-09-28 The theology of Karl Barth has often been a productive dialogue partner for evangelical theology but for too long the dialogue has been dominated by questions of orthodoxy Karl Barth and the Future of Evangelical Theology contributes to the conversation through a creative reconfiguration of both partners in the conversation neither of whom can be rightly understood as preservers of Protestant orthodoxy Rather American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post Reformation era while Barth is revisited as a theologian attuned both to divine and human agency In the ensuing

conversation questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people. By offering an alternative to the dominant constraints, this book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology.
