The Freedom Side:

The Freedom Scale Jake Morrett, 2025-01-21 Are Americans truly free In The Freedom Scale Jake Morrett argues that personal liberty is under assault from an ever expanding government and erosion of constitutional principles This incisive examination of modern politics proposes a new framework for evaluating policies based on how they impact individual freedom Morrett takes readers on a journey through the hot button issues that can create a domino effect on freedom as a whole like taxation gun rights healthcare and education viewing each through the lens of liberty vs government control He offers a blistering critique of policies that diminish personal choice responsibility and property rights while empowering the state Neither Democrats nor Republicans are spared from Morrett s scrutiny as he builds a case that both parties have contributed to the decline of freedom More than just criticism The Freedom Scale provides readers with tools to measure the impact of laws and regulations on personal liberty Morrett s analytical approach cuts through partisan rhetoric to focus on fundamental questions of individual rights and limited government He challenges readers to rethink their assumptions about the proper role of government in a free society Part political philosophy part call to action this thought provoking book makes a compelling case for recommitting to America s founding principles For those concerned about overreach and the future of freedom The Freedom Scale offers a roadmap for restoring individual liberty in the modern era Fans of Liberty Defined by Ron Paul The Tyranny of Liberalism by James Kalb and The Road to Serfdom by F A Hayek will love The Freedom Scale

and others like them in cities across the country resulted in the birth of the Black Lives Matter movement Now in his first book Mckesson lays down the intellectual pragmatic and political framework for a new liberation movement Continuing a conversation about activism resistance and justice that embraces our nation s complex history he dissects how deliberate oppression persists how racial injustice strips our lives of promise and how technology has added a new dimension to mass action and social change He argues that our best efforts to combat injustice have been stunted by the belief that racism s wounds are history and suggests that intellectual purity has curtailed optimistic realism The book offers a new framework and language for understanding the nature of oppression With it we can begin charting a course to dismantle the obvious and subtle structures that limit freedom Honest courageous and imaginative *On the Other Side of Freedom* is a work brimming with hope Drawing from his own experiences as an activist organizer educator and public official Mckesson exhorts all Americans to work to dismantle the legacy of racism and to imagine the best of what is possible Honoring the voices of a new generation of activists *On the Other Side of Freedom* is a visionary s call to take responsibility for imagining and then building the world we want to live in

A Metaphysics for Freedom Helen Steward, 2012-03-08 Helen Steward argues that determinism is incompatible with agency itself not only the special human variety of agency but also powers which can be accorded to animal agents She offers a distinctive non dualistic version of libertarianism rooted in a conception of what biological forms of organisation might make possible in the way of freedom

Neal,2009-01-01 Hope is the leitmotiv of Jürgen Moltmann s theology Not merely one aspect of his project hope is the whole of it the supreme doctrine interpenetrating all others Indeed hope is his method The present study is both historical and developmental while also being analytical and interrogative This chronological exploration seeks to show the nature composition and development of Moltmann s doctrine of hope as the distinctive doctrine of his theology implicating all others Part I establishes Moltmann s doctrine of hope as grounded in God s faithfulness in the cross and resurrection Part II investigates major doctrines in his project in light of this ground This design seeks to take advantage of the chronological approach while also integrating the best elements of a topical approach *The Adventure of Weak Theology* tefan tofaník (1976–2014),2018-10-16 tofaník provides a unique personal reading of weak theology and tries to inhabit the gap between it and its founder John D Caputo In this distinctive exploration of John D Caputo s work tefan tofaník traces Caputo s journey of philosophical discovery from his earlier more conventional academic writings to his later almost confessional works of weak theology and his deep engagement with Derrida tofaník draws upon Caputo s life story to help explain sudden shifts in Caputo s thinking offers intricate readings of philosophical passages that have all too often been taken for granted and joins in Caputo s effort to find a theology that can be trusted and that does not rely upon dogmatic and hierarchical authority At the same time tofaník subtly disagrees with aspects of Caputo s view and turns to the work of Antoine de Saint Exupéry as a way to suggest that one cannot take leave of the tradition of theology as easily as Caputo thinks At times *The Adventure of Weak Theology* reads like a letter to Caputo and tofaník s own passion for theology his deep understanding of Caputo s work and his gift for writing makes this an immensely appealing book for both admirers and critics of Caputo tefan has read my work with extraordinary care and he has done so with a very acute ear for my authorial voice this person whom I impersonate when I write this persona I inhabit in my books I am not sure if this fellow who appears in print is the real me or a put on the one who I really am or the one I want to be Either way he only emerges or emerges best of all when I write and tefan had a pitch perfect ear for that voice He didn t miss anything He caught it every time it was important from the Afterword by John D Caputo **The Freedom to Love** Jeza Belle,2025-03-03 Arthur Buchanan returns to Mason County Kentucky an idealistic young man who has just inherited the Lanark Plantation His arrival is eagerly anticipated by the household servants his brutal mother Missus Anna who is angry that Buck left Lanark to their son and Samson his close childhood friend and slave whom he has not spoken to in over a decade When Arthur invites Samson to move into the Lanark home as a houseslave it draws ire and curiosity from all sides Arthur s mother plots for her son to take a wife but the two men find themselves unable to control

their feelings for each other despite the incredible risks and the deep disparities in their power and station The young master and his slave embark upon a clandestine relationship hidden from everyone lest their taboo connection cause unimaginable repercussions Can love flourish under the extreme imbalance and dehumanizing conditions of slavery Warning contains highly charged racial imagery and language that cannot be avoided in a work of this nature

The Freedom to Choose Life Scott W. Gustafson, 2024-05-28 In *The Brothers Karamazov* Fyodor Dostoevsky proposes ministry as the way to resist and overcome the world's evil He employs two plotlines to do so The action plot concerns the events surrounding the murder of Fyodor Karamazov All evidence points to Dmitri Karamazov Rational circumstantial evidence convicts him yet the reader knows he is innocent The ministry plot occurs in this dark context where small acts of love are performed by The Elder Zosima Alyosha Karamazov and many others These acts of love all answer this unspoken question What can be said and done in Jesus' name that opens the future to new possibilities in contexts heretofore deemed closed and without hope Asking and answering this question is the essence of ministry and since the question can be asked in any context ministry is possible anywhere Dostoevsky's unabashed antisemitism however undermines his brilliant analysis The concluding chapters document how unconfessed sins like antisemitism exert a death-dealing power that undermines our cultures, our communities and our ministries *The Freedom to Choose Life* shows how ministry resists and overcomes evil by these small acts of love and by the global effects of repenting of humanity's unconfessed sins
