

The Origins of Modern Anti-Semitism

ARTHUR HERTZBERG

The French Enlightenment And The Jews

Arthur Hertzberg

The French Enlightenment And The Jews:

The French Enlightenment and the Jews Arthur Hertzberg, 1970 Because the Jews of Enlightenment France had less use for fraternit than for the libert and galit they sorely needed Voltaire lumped them with the old Catholic priesthood as part of the infl me he would not tolerate So the Ashkenazic Jews unresponsive to Western philosophy and the new free thought felt Voltaire's tongue Dr Hertzberg's daring thesis that modern secular anti Semitism was fashioned not as a reaction to the Enlightenment and the Revolution but within the Enlightenment and Revolution themselves is developed after a solid analysis of the three groupings of Jews in ancien r gime France the urbane politically assimilated Sephardic colony of Bordeaux the less welcome prot g s of the Avignon popes and the poor barely tolerated foreign Jews of Metz and Alsace who followed their own laws wore their own garments and worshipped the God of the Bible and the Talmud despite Voltaire's disapproval Dr Hertzberg finds that modern anti Semitism owes less to Christian theological mentality than to doctrinaire libertarianism of such as Voltaire d Holbach Diderot and Marat Montesquieu philsophically more tolerant would extend Emancipation less narrowly than Rousseau In this fascinating investigation of one of the less publicized aspects of the age of rationality Hertzberg plots all the currents in the main stream of Enlightenment and Revolutionary history Back cover The French Enlightenment and the Jews Arthur Hertzberg, 1968 The Abbe Gregoire and the French Revolution Alyssa Goldstein Sepinwall, 2021-06-08 In this age of globalization the eighteenth century priest and abolitionist Henri Gr goire has often been called a man ahead of his time An icon of antiracism a hero to people from Ho Chi Minh to French Jews Gr goire has been particularly celebrated since 1989 when the French government placed him in the Pantheon as a model of ideals of universalism and human rights In this beautifully written biography based on newly discovered and previously overlooked material we gain access for the first time to the full complexity of Gr goire's intellectual and political universe as well as the compelling nature of his persona His life offers an extraordinary vantage from which to view large issues in European and world history in the late eighteenth and early nineteenth centuries and provides provocative insights into many of the prevailing tensions ideals and paradoxes of the twenty first century Focusing on Gr goire s idea of regeneration that people could literally be made anew Sepinwall argues that revolutionary universalism was more complicated than it appeared Tracing the Revolution's long term legacy she suggests that while it spread concepts of equality and liberation throughout the world its ideals also helped to justify colonialism and conquest **Review of The French Enlightenment and the** The French Enlightenment and the Jews Arthur Hertzberg, 1968 **Jews, by Arthur Hertzberg** Michael A. Meyer,1968 Iewish Emancipation Reconsidered Michael Brenner, Vicki Caron, Uri R. Kaufmann, 2003 European and American scholars of history Jewish studies and various social sciences examine the history of French and German Jews from the late 18th to the early 20th centuries a period commonly referred to as the emancipation era The two communities are often seen as paradigms respectively of the different paths to emancipation from revolution and from evolution The 12 essays are from a

May 2001 conference in Tutzing Germany Distributed by Coronet Books Annotation 2004 Book News Inc Portland OR booknews com The Dark Side of Church/State Separation Stephen Strehle, 2017-09-08 The Dark Side of Church State Separation analyzes the Enlightenment's attack upon the Judeo Christian tradition and its impact upon the development of secular regimes in France Germany and Russia Such regimes followed the anti Semitic anti Christian agenda of the French Enlightenment in blaming the Judeo Christian tradition for all the ills of European society and believing that human beings can develop their own set of values and purposes through rational means apart from any revelation from God or Scripture Stephen Strehle's analysis extends our understanding of church state relations and its history. He confirms the spiritual roots of modern anti Semitism within the ideology of the Enlightenment and recognizes the intimate relationship between anti Semitism and anti Christianity Strehle questions the absolute doctrine of church state separation given its background in the bigotries of the philosophes He notes the nefarious motives of subsequent regimes which used the French doctrine to replace the religious community with the state and its secular ideology This detailed historical analysis of original sources and secondary literature is woven together with special appreciation for the philosophical and theological ideas that contributed to the emergence of political institutions Readers will gain an understanding of the most influential ideas shaping the modern world and present day culture Spinoza, Liberalism, and the Question of Jewish Identity Steven B. Smith, 1997-01-01 Baruch de Spinoza 1632 1677 often recognized as the first modern Jewish thinker was also a founder of modern liberal political philosophy This book is the first to connect systematically these two aspects of Spinoza's legacy Steven B Smith shows that Spinoza was a politically engaged theorist who both advocated and embodied a new conception of the emancipated individual a thinker who decisively influenced such diverse movements as the Enlightenment liberalism and political Zionism Focusing on Spinoza s Theologico Political Treatise Smith argues that Spinoza was the first thinker of note to make the civil status of Jews and Judaism what later became known as the Jewish Question an essential ingredient of modern political thought Before Marx or Freud Smith notes Spinoza recast Judaism to include the liberal values of autonomy and emancipation from tradition Smith examines the circumstances of Spinoza's excommunication from the Jewish community of Amsterdam his skeptical assault on the authority of Scripture his transformation of Mosaic prophecy into a progressive philosophy of history his use of the language of natural right and the social contract to defend democratic political institutions and his comprehensive comparison of the ancient Hebrew commonwealth and the modern commercial republic According to Smith Spinoza s Treatise represents a classic defense of religious toleration and intellectual freedom showing them to be necessary foundations for political stability and liberal regimes In this study Smith examines Spinoza s solution to the Jewish Question and asks whether a Judaism so conceived can long survive The Holocaust, the French. and the Jews Susan Zuccotti,1999-01-01 Many recent books have documented the collaboration of the French authorities with the anti Jewish German policies of World War II Yet about 76 percent of France's Jews survived more than in almost any

other country in Western Europe How do we explain this phenomenon Certainly not by looking at official French policy for the Vichy government began preparing racial laws even before the German occupiers had decreed such laws To provide a full answer to the question of how so many French Jews survived Susan Zuccotti examines the response of the French people to the Holocaust Drawing on memoirs government documents and personal interviews with survivors she tells the stories of ordinary and extraordinary French men and women Zuccotti argues that the French reaction to the Holocaust was not as reprehensible as it has been portraved The Shaping of Jewish Identity in Nineteenth-century France Jay R. Berkovitz, 1989 Nineteenth century French Jewry was a community struggling to meet the challenges of emancipation and modernity This struggle with its origins in the founding of the French nation constitutes the core of modern Jewish identity With the Revolution of 1789 came the collapse of the social political and philosophical foundations of exclusiveness forcing French society and the Jews to come to terms with the meaning of emancipation Over time the enormous challenge that the emancipation posed for traditional Jewish beliefs became evident In the 1830s a more comprehensive ideology of r q n ration emerged through the efforts of younger Jewish scholars and intellectuals A response to the social and religious implications of emancipation it was characterized by the demand for the elimination of rituals that violated the French conceptions of civilisation and social integration a drive for greater administrative centralization and the quest for inter communal and ethnic unity In its various elements regeneration formed a distinct ideology of emancipation that was designed to mediate Jewish interaction with French society and culture In this book Jay Berkovitz reveals the complexities inherent in the processes of emancipation and modernization focusing on the efforts of French Jewish leaders to come to terms with the social and religious implications of modernity All in all his emphasis on the intellectual history of French Jewry provides a new perspective on a significant chapter of Jewish history *Jean-Paul Sartre and the Jewish Question* Jonathan Judaken, 2006-12-01 Examines the image of the Jew in Sartre's work to rethink not only his oeuvre but also the role of the intellectual in France and the politics and ethics of existentialism This book explores how French identity is defined through The French Idea of Freedom Dale Van Kley, 1994 The Declaration of the the abstraction and allegorization of the Jew Rights of Man and the Citizen of 1789 is the French Revolution s best known utterance By 1789 to be sure England looked proudly back to the Magna Carta the Petition of Right and a bill of rights and even the young American Declaration of Independence and the individual states various declarations and bills of rights preceded the French Declaration But the French deputies of the National Assembly tried hard in the words of one of their number not to receive lessons from others but rather to give them to the rest of the world to proclaim not the rights of Frenchmen but those for all times and nations The chapters in this book treat mainly the origins of the Declaration in the political thought and practice of the preceding three centuries that Tocqueville designated the Old Regime Among the topics covered are privileged corporations the events of the three months preceding the Declaration blacks Jews and women the Assembly's debates on the Declaration the

influence of sixteenth century notions of sovereignty and the separation of powers the rights of the accused in legal practices and political trials from 1716 to 1789 the natural rights to freedom of religion and the monarchy's feudal exploitation of the Jews and the American Slave Trade Saul S. Friedman, The Nation of Islam's Secret Relationship between Blacks and Jews has been called one of the most serious anti Semetic manuscripts published in years As Saul Friedman definitively documents in Jews and the American Slave Trade historical evidence suggests that Jews played a minimal role in the transatlantic South American Caribbean and antebellum slave trades Friedman elucidates the role of American Jews toward the great nineteenth century moral debate the positions they took and explains what shattered the alliance between these two vulnerable minority groups in America Saul S Friedman is a professor of Jewish and Middle Eastern history at Youngstown State He has written five award winning documentaries and many articles and books on Jewish history including Holocaust Literature The Oberammergau Passion Play Terein Diary of Gonda Redlich and Without Future The Plight of **Rethinking European Jewish History** Jeremy Cohen, Moshe Rosman, 2008-11-27 The major cultural ideological and social changes that have occurred in Europe in the past century have generated widespread reassessment of European history in terms of its presuppositions its methodologies its directions its emphases and its scope This timely volume looks at the Jewish past in the spirit of this reassessment It points to a new framework for the study of Jewish history and helps to contextualize it within the mainstream of historical scholarship The French Revolution and the Birth of Modernity Ferenc Fehér, 2023-11-15 Written from widely different perspectives these essays characterize the Great Revolution as the dawn of the modern age the grand narrative of modernity. The scope of issues under scrutiny is extremely broad ranging from the analyses of the hotly debated class character of 1789 and the problem of the nation state to the Cult of the Supreme Being the emancipation of the Jews and the cultural heritage of the Revolution This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

History of Jewish Philosophy Daniel H. Frank, Oliver Leaman, 2003 The History of Jewish Philosophy explores the entire scope and variety of Jewish philosophy from philosophical interpretations of the Bible right up to contemporary Jewish feminist and postmodernist thought

The French Revolution and the Birth of Electoral Democracy Melvin Edelstein, 2016-03-09 Democracy is perhaps the defining characteristic of modern Western society but even as late as the nineteenth century it was often viewed with suspicion by many who saw it as akin to anarchy and mob rule It was not until the French and American revolutions of the eighteenth century that electoral democracy began to gain momentum as a serious force which was eventually to shape political discourse on a broad international scale Taking as its focus the French Revolution this book explores how the experience in France influenced the emergence of electoral democracy arguing

contrary to recent revisionist studies that it was indeed the progenitor of modern representative democracy Rejecting the revisionist semiotic approach to political culture it instead adopts a definition emphasizing the shared values that govern political behavior arguing that the Revolution's essential contribution to modern political culture is its concept of citizenship embracing widespread political participation In a broader sense the book studies the grass roots democracy focusing on participation in the primary and secondary electoral assemblies It is primarily concerned with electoral behavior and practices how can we explain the electoral process and its results It analyzes electoral procedures and practices and voter turnout based on extensive quantitative data While focused on political history this work also examines political sociology giving careful attention to the occupational composition of elected officials While acknowledging the democratic shortcomings of the French Revolution the absence of political parties electoral campaigns and declared candidates the book s comprehensive study of revolutionary elections concludes that together with its American counterpart the French Revolution did indeed give birth to modern electoral democracy As such this book is essential reading for historians political scientists sociologists and readers inte A History of the Jews in the Modern World Howard M. Sachar, 2007-12-18 The distinguished historian of the Jewish people Howard M Sachar gives us a comprehensive and enthralling chronicle of the achievements and traumas of the Jews over the last four hundred years Tracking their fate from Western Europe s age of mercantilism in the seventeenth century to the post Soviet and post imperialist Islamic upheavals of the twenty first century Sachar applies his renowned narrative skill to the central role of the Jews in many of the most impressive achievements of modern civilization whether in the rise of economic capitalism or of political socialism in the discoveries of theoretical physics or applied medicine in higher literary criticism or mass communication and popular entertainment As his account unfolds and moves from epoch to epoch from continent to continent from Europe to the Americas and the Middle East Sachar evaluates communities that until lately have been underestimated in the perspective of Jewish and world history among them Jews of Sephardic provenance of the Moslem regions and of Africa By the same token Sachar applies a master s hand in describing and deciphering the Jews unique exposure and functional usefulness to totalitarian movements fascist Nazi and Stalinist In the process he shines an unsparing light on the often widely dissimilar behavior of separate European peoples and on separate Jewish populations during the Holocaust A distillation of the author's lifetime of scholarly research and teaching experience A History of the Jews in the Modern World provides a source of unsurpassed intellectual richness for university students and educated laypersons alike Inventing the Israelite Maurice Samuels, 2009-12-07 In this book Maurice Samuels brings to light little known works of literature produced from 1830 to 1870 by the first generation of Jews born as French citizens These writers Samuels asserts used fiction as a laboratory to experiment with new forms of Jewish identity relevant to the modern world In their stories and novels they responded to the stereotypical depictions of Jews in French culture while creatively adapting the forms and genres of the French literary tradition They also offered innovative

solutions to the central dilemmas of Jewish modernity in the French context including how to reconcile their identities as Jews with the universalizing demands of the French revolutionary tradition While their solutions ranged from complete assimilation to a modern brand of orthodoxy these writers collectively illustrate the creativity of a community in the face of unprecedented upheaval Reappraisals and New Studies of the Modern Jewish Experience Brian Smollett, Christian Wiese, 2014-10-30 Reappraisals and New Studies of the Modern Jewish Experience brings together twenty scholars of Modern Jewish history and thought The essays provide a fresh perspective on several central questions in Jewish intellectual social and religious history from the eighteenth century to the present in the contexts of Russia Western and Central Europe and the Americas

The French Enlightenment And The Jews Introduction

In todays digital age, the availability of The French Enlightenment And The Jews books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The French Enlightenment And The Jews books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The French Enlightenment And The Jews books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The French Enlightenment And The Jews versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The French Enlightenment And The Jews books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The French Enlightenment And The Jews books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The French Enlightenment And The Jews books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The French Enlightenment And The Jews books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The French Enlightenment And The Jews books and manuals for download and embark on your journey of knowledge?

FAQs About The French Enlightenment And The Jews Books

- 1. Where can I buy The French Enlightenment And The Jews books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
