Cinderella's Gold Slipper S. D. Fohr, 2001 Samuel D Fohr holds that the Grimms tales are not just childish fairy tales but are filled with spiritual symbolism and as such have value for adults as well as children Snow White for example is a story of creation and spiritual growth and its message parallels Hindu and Judaic creation myths Hansel and Gretel and Cinderella both portray the journey back to God Fohr also looks at recurring themes in the stories and answers such questions as Why are giants always evil and dwarves always good What is the symbolic significance of the hungry wolf who appears in many stories Exactly what are genies and why are they always trapped in bottles A delightful but serious examination of cherished stories this book reveals new meaning in familiar tales Also included is an extensive bibliography and an Appendix on the authenticity of the Grimms tales Publisher's description

The Blackridge House Julia Martin, 2019-03-15 A quest is never what you expect it to be Elizabeth Madeline Martin spends her days in a retirement home in Cape Town watching the pigeons and squirrels on the branch of a tree outside her window Bedridden her memory fading

she can recall her early childhood spent in a small wood and iron house in Blackridge on the outskirts of Pietermaritzburg. Though she remembers the place in detail—a mango tree, a stream—she has no idea of where exactly it is. My memory is full of blotches, she tells her daughter Julia. Like ink left about and knocked over, Julia resolves to find the Blackridge house with her mother, lonely and confused. Would this perhaps bring some measure of closure? A journey begins that traverses family history, forgotten documents, old photographs, and the maps that stake out a country's troubled past. Maps whose boundaries nature remains determined to resist. Kind strangers willing to assist in the search lead to unexpected discoveries of ancestors and wars and lullabies. Folded into this quest are the tender conversations between a daughter and a mother who does not have long to live. Taken as one, *The Blackridge House* is a meditation on belonging, of the stories we tell of home and family, of the precarious footprint of life.

With themes of courage, teamwork, and friendship, *The Incredible Journey of the Talking Dog* is a heartwarming and exciting fantasy adventure suitable for a wide range of readers.

The Power of Awe Jake Eagle LPC, Michael Amster, 2023-01-03 Nautilus Book Awards Gold Recipient Discover a clinically proven way to reduce inflammation, stress, loneliness, and burnout while improving overall well-being. As lifelong meditators and mindfulness teachers, we confess we were almost embarrassed when we stumbled onto a 5-15 second shortcut to transcendence. This idea ran counter to everything we knew about meditation before we began our research. But yes, it is possible. It only requires accessing the powerful emotion of awe in ordinary everyday life. The changes in our lives have been profound, and after seeing the results repeated again and again in our thousands of patients, clients, and study participants, we've proven that our shortcut, coined the AWE Method, works. From the Preface: Research has proven that mindfulness improves well-being and reduces stress, anxiety, and pain. But for some, the practice itself feels challenging and inaccessible. That's where the AWE Method comes in. In *The Power of Awe*, therapist Jake Eagle and chronic pain specialist Michael Amster, MD, share their extraordinary yet simple mindfulness practice that turns ordinary moments into awe-inducing experiences, helping you effortlessly achieve a heightened state of consciousness usually reserved for seasoned practitioners of mindfulness, all within a matter of seconds. AWE stands for Attention, Wait, Exhale, and Expand, and the method is a five-to-fifteen-second, three-step process, a type of microdosing mindfulness or a brief informal mindfulness practice supported by research conducted at UC

Berkeley The A W E Method quickly transports us into awe an incredibly powerful emotion that produces wonderment and a heightened state of consciousness along with some remarkable changes in the mind and body that can improve health and wellness Experiencing awe does not require any demanding discipline or skills or awesome settings The A W E Method ensures that awe and its many benefits are accessible to you at any time in any place sitting at a stoplight cooking a meal petting an animal or listening to a loved one s laugh
