Deep Vegetarianism , Challenging the basic assumptions of a meat eating society Deep Vegetarianism is a spirited and compelling defense of a vegetarian lifestyle Considering all of the major arguments both for and against vegetarianism and the habits of meat eaters vegetarians and vegans alike Michael Allen Fox addresses vegetarianism s cultural historical and philosophical background details vegetarianism s impact on one s living and thinking and relates vegetarianism to classical and recent defenses of the moral status of animals Demonstrating how a vegetarian diet is related to our awareness of the world and our ethical outlook on life Fox looks at the different kinds of vegetarian commitments people make and their reasons for making them In chapters that address such issues as the experiences emotions and grounds that are part of choosing vegetarianism Fox discusses not only good health animal suffering and the environmental impacts of meat production but such issues as the meaning of food world hunger religion and spirituality and significantly the links share between vegetarianism and other human rights movements and ideologies particularly feminism In an extensive chapter that addresses arguments made by advocates of meat eating Fox speaks to claims of humans as natural carnivores animals as replaceable and vegetarians as anti feminist He also addresses arguments surrounding the eating habits of indigenous peoples eating free range animals and carnivorous behavior among animals The most complete examination of the vegetarian outlook to date Deep Vegetarianism reveals the broad range of philosophical views that contribute to such a choice It recognizes and calls for a conscious awareness of and an individual responsibility to the issues that exist in the moral

political and social spheres of our existence With its lively and controversial discussion Deep Vegetarianism promises to appeal to anyone looking to explore the relationship between dietary choice lifestyle the treatment of animals and the environment and personal ethical responsibility It will also be particularly useful for students and teachers of moral philosophy ethics religion comparative cultures ecology and feminism
