The Fundamentals Of Hitting:

The Fundamentals of Hitting Baseball Dr. Books Staff,2000-12-01 **The Baseball Player's Guide to Hitting Like a Pro** Roy Lingster,2021-06-26 Every good hitter is fighting a battle Do you know what yours is and how to turn it to your advantage on the field 3 out of every 4 appearances at the plate result in an out You probably know this so why are you doubting your skills Self doubt is natural in any sport but in baseball it can be detrimental to getting out of a hitting slump yet it affects so many players pros and weekenders alike Former Colorado Rockies pitcher Jason Marquis knew this only too well You re out on the mound not trusting your stuff waiting for the next bad thing to happen instead of going out there and grabbing the bull by the horns he said And the same issue affects hitters as soon as you start to doubt yourself your approach is shaken and you re stuck in a cycle of misses You re focusing on what you re doing wrong rather than what you can do to improve your game and that isn t going to help you Perhaps you think you need to work on your mechanics Perhaps you re doubting your fitness or worrying that you should be training more But more likely than not none of this is true What needs fixing is not your technique it s your attitude And it s through attitude that the greats took their place in the league tables Think of Ichiro Suzuki or Rod Carew both noted for their unusual form it s not mechanics that make a great hitter it s what else is going on behind that swing To hit like a pro you need to think like a pro and that means mastering a specific mental attitude as well as your physical technique Sound like a lot to handle If you love the game it s not so hard you just need some expert guidance and you re about to get it In *The Baseball Player s Guide to Hitting Like a Pro* you ll find a clear guide to improving your hitting technique without focusing on mechanics alone You ll discover The 7 key elements needed to build a strong foundation for good hitting Exactly what you can learn from MLB heroes like Pete Rose and Joe Morgan Why bench time may not be such a bad thing and how you can use it to your advantage How to look beyond the field to improve your attitude and why you should The reason why it isn t just top hitters you should be learning from and who you should be looking at instead Swing fundamentals broken down into key elements so you know exactly what it is you should be working on How to make technique changes that don t ruin improvements you ve already made to your swing Why confidence is just as problematic as self doubt and what you can do to mitigate it if you re on a streak The power of Situational Spirit what it is and how to harness its power A clear path out of your slump so you can start ranking again And much more If you ve fallen into a slump and you re doubting your skills as a hitter don t despair Even the top players have been there The difference is that they know a secret It won t always be easy but if you recognize that you re already halfway there get ready to learn that secret and watch your ranking improve even when it feels like it never will If you re ready to master the true technique of the pros and elevate your swing then scroll up and click Add to Cart right now **Teaching Hitting** Dirk Baker,2014-12-09 Explanation demonstration correction and repetition are essential to the activity of teaching Successful coaches must be able to effectively and consistently incorporate each of these teaching methods into lessons for their teams Ideal for any age

The Fundamentals of Ethics Russ Shafer-Landau, 2024 This book is divided into three parts one on the Good Life another on Doing

the Right Thing and the last on the Status of Morality You can read these parts in any order Many will want to begin at the end for instance with a discussion of whether morality is a human invention or is in some way objective Some will prefer to start in the middle asking about the supreme principle of morality and whether there is any such thing And others may want to begin at the beginning by thinking about human well being and the quality of life Each part can be understood independently of the others though there are of course many points of connection across the three main branches of moral philosophy No matter where you begin there are footnotes in most chapters that provide cross references to relevant discussions elsewhere in the book When beginning a new area of study you re bound to encounter some unfamiliar jargon I ve tried to keep this to a minimum and I suppose that you can be thankful that we re doing ethics here rather than physics or anatomy I define each technical term when I first use it and have also put together a glossary which appears at the end of the book Each specialized term that appears in boldface has an entry there You may be interested enough in what you read here that you ll want to continue your studies in moral philosophy There is a natural place to begin the companion volume to this book The Ethical Life described later in this preface I have also compiled a list of Suggestions for Further Reading for each chapter or pair of chapters This list appears at the end of the book just before the glossary I have selected the readings with an eye to what might be accessible and interesting to those just beginning their study of moral philosophy Lau's Laws on Hitting Charley Lau,Jeffrey Flanagan,2000-05 You need to work on your swing If this advice has ever been given to you Lau s Laws on Hitting will spell out the professional instructions you need Coaches at all levels will benefit from the observations teaching techniques player analysis and refinements to the Lau System The Art of Volleyball Hitting John L. Bowman,2013-04-02 The Art of Volleyball Hitting describes the basics of hitting the volleyball It begins by describing ten types of sets and their possible hits such as the hard spike dink cobra off speed wipe and push It describes basic hitting technique including starting position jump arm position and arm swing along with some variations for different sets It also describes eleven common hitting mistakes all volleyball spikers should be aware of This book also offers some characteristics of good hitters that all aspiring volleyball hitters should work to develop The core of this book describes eighteen different sets the various challenges each one presents and some possible strategies to help make successful hits These are illustrated with numerous diagrams This book finishes with some thoughts on various sets and hits effectiveness derived from some empirical evaluation and the author s experience This is a common sense book on hitting the volleyball effectively from an experienced hitter This is a book for those interested in improving their volleyball hitting ability and performance Hitting with Torque Paul F. Petricca,2017-11-07 Paul Petricca draws on his experience as a coach player blogger and student of baseball and softball to share what hes learned about hitting in this essential guide for players seeking dramatic results at the plate The author presents easy to understand hitting mechanics highlighting how the engineering concept of torque can be applied to hitting and is often the difference between a weak groundball or a long home run Topics covered include

understanding where hitting power really comes from and the importance of increasing bat speed through the fundamentals of a repeatable and powerful rotational swing Hitters of all ages who adopt his eight hitting keys will enjoy a dramatic increase in bat speed and power almost immediately Hitting with Torque is more than a set of hitting mechanics its a mindset Readers will be challenged to look past the worn out hitting theories and myths that have been holding back hitters from reaching their full potential With an open mind and practice all hitters can unlock the power and consistency that is Hitting with Torque

Perfect Steven K. Wagner, 2015-01-16 THE MAN WHO BATTED A THOUSAND A spectacular major league debut then obscurity On the final day of the 1963 major league baseball season Houston Colt 45s teen sensation John Paciorek in his one and only big league game went three for three giving him a career batting average of 1 000 He also notched three RBI and scored four times In the outfield John played magnificently cleanly fielding all four balls hit to him His was truly a perfect game the most spectacular game ever by a player in his only big league appearance Then a back injury dropped him just as quickly back down to the minor leagues where he soon departed from baseball forever A rare jewel of baseball history Perfect tells John s remarkable story from his childhood in Detroit to athletic excellence in high school to a solitary season in the low minors to his one shining day in the majors and everything that followed It includes excerpts from the play by play announcers watching his performance Hall of Famer Ralph Kiner and Lindsey Nelson and reflections from numerous outstanding major league players who crossed paths with John that day including Rusty Staub and Jim Wynn The big question remains What might John Paciorek have become His story is a fascinating one for anyone who loves the game of baseball wonderful nostalgia for older fans a bit of trivia brought fully to life and a tantalizing story of hope and inspiration for young players aspiring to greatness _____ A great book that captures the essence of baseball and every boy s dream to play in the major leagues The story of John Paciorek is the stuff of legends Gary Adams former UCLA baseball coach By perfect illogical fate John Paciorek s 1 000 career batting average for one day s work in the big leagues is really more the measure of a man who came to understand that the baseball Gods simply threw him a proverbial curve ball It can t be explained yet Steve Wagner s chronicling of that day does it and makes you wonder more why John and not Moonlight Graham wasn t the perfect person to have in the movie Field of Dreams Tom Hoffarth columnist Los Angeles Daily News
