Schleiermacher and Palmer Justin A. Davis,2019-09-11 Twenty first century Protestantism is radically different from the Protestantism of the Reformation The challenges of modernity affected all aspects of Christianity and the more successful attempts to combat these challenges came about as a result of two rather different yet similar theologians in the nineteenth century This work provides an exhaustive look at Friedrich Schleiermacher the father of modern liberal Protestantism and Phoebe Palmer the mother of the Holiness movement The trend of liberalism is to strip away all but what is essential to Christian life while the Holiness movement sought to make all of life applicable to the Bible and God While these two movements may appear contradictory they are grounded in a shared source of experiential Protestantism commonly known as Pietism and develop their theological systems from this starting point This study includes not only their theologies but also biographies that introduce the reader to these two luminaries Liberalism and holiness as created by Schleiermacher and Palmer lay the foundation for Pentecostalism fundamentalism neo orthodoxy and the interdenominational movements of the nineteenth century Only from this vantage can we understand the modern Protestant mindset *Fundamentals of Speaker*

Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary s dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption
