**Sex, Lies, and Headlocks** Shaun Assael, Mike Mooneyham, 2010-11-03 Current fans and recovering Hulkamaniacs alike should find Sex Lies and Headlocks as gripping as the Camel Clutch Maxim Sex Lies and Headlocks is the ultimate behind the scenes look at the backstabbing scandals and high stakes gambles that have made wrestling an enduring television phenomenon The man behind it all is Vince McMahon a ruthless and entertaining visionary whose professional antics make some of the flamboyant characters in the ring look tame by comparison Throughout the book the authors trace McMahon s rise to power and examine the appeal of the industry s biggest stars including Ed Strangler Lewis Gorgeous George Bruno Sammartino Ric Flair and most recently Stone Cold Steve Austin and The Rock In doing so they show us that while WWE stock is traded to the public on Wall Street wrestling remains a shadowy world guided by a century old code that stresses secrecy and loyalty With a new afterword this is the definitive book about the history of pro wrestling Reading this excellent behind the scenes look at wrestling promoter McMahon is almost as entertaining and shocking as watching the most extreme antics of McMahon s comic book style creations such as Steve Austin and The Rock Publishers Weekly A quintessentially American success story of a cocky opportunist defying the odds and hitting it big Sparkling cultural history from an author wise enough to let the facts and personalities speak for themselves Kirkus Reviews

Talking Dirty on Sex and the City Beatriz Oria, 2014-06-05 First broadcast on HBO in 1998 Sex and the City quickly became a mainstream success Following four women who navigate the promise and peril of social political and sexual relationships in New York the series caused a stir in

the popular media Academia also responded with a remarkable body of criticism for such an apparently trivial program But more than ten years after the show ended there is still much more to say about this cultural phenomenon that spawned two film sequels In Talking Dirty on Sex and the City Romance Intimacy Friendship Beatriz Oria explores the discourses surrounding the series from a sociological point of view Specifically this book focuses on the conventions of the romantic comedy genre and how its familiar fictional world articulates issues of intimacy gender identity and interpersonal relationships Oria considers how generic conventions employed by the show affect discourses on intimacy and how interpersonal relationships at the turn of the century have not only been represented but also fashioned through a relevant popular culture text The author also explores such elements as romantic versus democratic love the representation of female sexuality and new family models With an interdisciplinary approach this book touches on many different areas including sociology psychology gender studies and media studies Aimed at a broad academic audience Talking Dirty on Sex and the City will also appeal to longtime fans who are no doubt still gossiping about the show *New York Magazine* ,1972-08-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1972-08-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Chronicles of a Serial Dater Adele Huxley,Savan Robbins, Bundled together for the first time 7 great books in one now with bonus material I thought I had love and life figured out Then my boyfriend of seven years dumped me right before our college graduation and my seemingly perfect parents announced they were getting divorced after 30 years of marriage Whoops Everything I thought I knew about love was erased in a matter of days and my first amazing summer as an official adult was officially different But I have my friends I have a great new job as an assistant editor and New York City is prime for the taking I ve mostly recovered and feel ready to dip my toe in the dating pool but I m starting to think it s been polluted It s a new world of dating filled with apps emoticons and acronyms Swipe this tag that WTF does DTF even mean I m off to a rocky start starting with a guy we ve nicknamed Mr Chompy who does less kissing and more biting Unfortunately it doesn t get much better from there When I start a blog to get all these bad dates out of my system Chronicles of a Serial Dater I begin to realize I m not the only one out there suffering Good to know but Mr Right would be much more comforting If only I could find him From the authors The dates Talia goes on are real These are dates and experiences readers just like you have
