The Gallant Six Hundred A Tragedy Of Obsessions

Otto Rauchbauer

The Gallant Six Hundred A Tragedy Of Obsessions:

The Gallant Six Hundred John Harris,1973 **The Gallant Six Hundred** John Harris,1975 *A Terrible Love of War* James Hillman,2005-02-22 War is a timeless force in the human imagination and indeed in daily life Engaged in the activity of destruction its soldiers and its victims discover a paradoxical yet profound sense of existing of being human In *A Terrible Love of War* James Hillman one of today s most respected psychologists undertakes a groundbreaking examination of the essence of war its psychological origins and inhuman behaviors Utilizing reports from many fronts and times letters from combatants analyses by military authorities classic myths and writings from great thinkers including Twain Tolstoy Kant Arendt Foucault and Levinas Hillman s broad sweep and detailed research bring a fundamentally new understanding to humanity s simultaneous attraction and aversion to war This is a compelling necessary book in a violent world *The Boy Generals: George Custer, Wesley Merritt, and the Cavalry of the Army of the Potomac, Volume 2* Adolfo Ovies,2023-10-19 Al Ovies combines an impressive array of source material and intricate analysis to craft a historical gem This is a must read for anyone interested in Civil War cavalry and later war actions in the Eastern Theater Scott Patchan author of *The Last Battle of Winchester* The second installment of Al Ovies *The Boy Generals* trilogy *George Custer Wesley Merritt and the Cavalry of the Army of the Potomac* from the Gettysburg Retreat through the Shenandoah Valley Campaign of 1864 encompasses a period jammed with tumultuous events for the cavalry on and off the battlefield and a significant change of command at the top Once below the Potomac River the Union troopers raced down the east side of the Blue Ridge Mountains but were unable to prevent General Lee s wounded Army of Northern Virginia from reaching Culpeper The balance of the 1863 was a series of maneuvers raids and fighting that witnessed the near destruction of the Michigan Cavalry Brigade at Buckland Mills and the indecisive and frustrating efforts of the Bristoe Station and Mine Run campaigns Alfred Pleasonton s controversial command of the mounted arm ended abruptly only to be replaced by the more controversial Philip H Sheridan whose combustible personality intensified the animosity burning between George Custer and Wesley Merritt Victory and glory followed the Cavalry Corps during the early days of Overland campaign particularly at Yellow Tavern where Rebel cavalier Jeb Stuart was mortally wounded The spirited rivalry between Custer and Merritt in turn took a turn for the worse At Trevilian Station the bitterness and rancor permeating their relationship broke into the open to include harsh official reports critical of the other s actions Merritt s elevation to temporary command of the 1st Cavalry Division cemented their rancor Just as their relationship worsened so too did the tenor of the war darken as the sieges of Richmond and Petersburg ground on and Confederate partisan Col John S Mosby intensified guerrilla operations that disrupted Union logistics in the Shenandoah Valley When Gen Ulysses Grant demanded that Sheridan escalate retribution the cavalry commander delivered his infamous edict to eat out Virginia clear and clean as far as they go so that crows flying over it for the balance of the season will have to carry their provender with them Much of the gritty task fell on the shoulders of the boy generals Adolfo Ovies well researched and

meticulously detailed account of the increasingly dysfunctional relationship between Custer and Merritt follows the same entertaining style in the first installment *The Boy Generals* changes the way Civil War enthusiasts will understand and judge the actions of the Union's bold riders

The British Army 1815-1914 Harold E. Raugh, 2020-03-24 This collection of essays examines the evolution of the British Army during the century long Pax Britannica from the time Wellington considered its soldiers the scum of the earth to the height of the imperial epoch when they were highly respected soldiers of the Queen The British Army during this period was a microcosm and reflection of the larger British society As a result this study of the British Army focuses on its character and composition its officers and men efforts to improve its efficiency and effectiveness and its role and performance on active service while an instrument of British Government policy

Edward Shelley's Journal, 1856-61 Lawrence M. Woods, 2005-03-31 Fresh from a stint recruiting Albanians to fight the Cossacks in the Crimean War Edward Shelley embarked for South America to avoid tiresome and embarrassing Parliamentary hearings back home Thus began a trip around the world over the next 52 months as he searched for adventure and new scenes to explore stopping at intervals to collect traveling money from home Shelley found adventure in full measure crossing the Andes passing through revolution ravaged Mexico sleeping alongside an erupting Hawaiian volcano and following invading British and French armies into China and even close brushes with death receive only laconic mention in his journal Annotations of the journal typescript explain journal some obscure entries and provide the historical and geographical context for his travels

Professional Journal of the United States Army, 1986

The Boy Generals Adolfo Ovies, 2021-06-11 First in a trilogy a study of the strategy tactics and rivalry between two leaders of the Army of the Potomac's cavalry during the American Civil War George Armstrong Custer's career has attracted its fair share of coverage but most Custer related studies focus on his decision making and actions to the exclusion of other important factors including his relationships with his fellow officers Custer developed his tactical philosophy within the politically ridden atmosphere of the Army of the Potomac's Cavalry Corps His relationship with his immediate superior Wesley Merritt was so acrimonious that even Custer's wife Libbie described him as her husband's enemy *The Boy Generals* examines in detail the steadily deteriorating relationship of two cavalymen with opposing tactical philosophies and how this relationship affected events in the field Custer was a hussar a firm believer in the shock power of the mounted saber charge while Merritt was a dragoon his tactics rooted in the belief that the purpose of the horse was to transport the trooper to the battlefield where he could fight dismounted with his carbine With these diametrically opposed belief systems it was inevitable that these officers would clash What has often been described as a spirited rivalry was in fact something much darker an association that moved from initial distaste to acrimony and finally outright insubordination on Custer's part Author Adolfo Ovies mined deeply official reports regimental histories and contemporary newspaper accounts together with unpublished and little used primary sources of men who fought in their commands This rich and satisfying study exposes the depths of one of the most dysfunctional and

influential relationships in the Army of the Potomac and how it affected cavalry operations in the Eastern Theater The Boy
Generals will change the way Civil War readers think of the premier Union army's mounted arm as well as George Custer's
legacy Praise for The Boy Generals A grand effort a Must Read It will be a standard bearer a marvelous book that should
remain among the very best It will certainly grace my library Frederic C Wagner III author of The Strategy of Defeat at the
Little Big Horn Well written thoroughly researched and entertaining This is one you cannot miss Eric J Wittenberg award
winning author of The Devil's to Pay John Buford at Gettysburg A History and Walking Tour The Ultimate Spectacle
Ulrich Keller, 2013-10-18 Chloroform telegraphy steamships and rifles were distinctly modern features of the Crimean War
Covered by a large corps of reporters illustrators and cameramen it also became the first media war in history For the
benefit of the ubiquitous artists and correspondents both the domestic events were carefully staged giving the Crimean War
an aesthetically alluring even spectacular character With their exclusive focus on written sources historians have consistently
overlooked this visual dimension of the Crimean War Photo historian Ulrich Keller challenges the traditional literary bias by
drawing on a wealth of pictorial materials from scientific diagrams to photographs press illustration and academic painting
The result is a new and different historical account which emphasizes the careful aesthetic scripting of the war for popular
mass consumption at home *Echoes of War* Michael C.C. Adams, 2014-10-17 Americans are often accused of not
appreciating history but this charge belies the real popular interest in the past Historical reenactments draw thousands of
spectators popular histories fill the bestseller lists PBS A and Hollywood war movies become blockbusters Though historians
worry that these popular representations sacrifice authenticity for broad appeal Michael C C Adams argues that living history
even if it is an incomplete depiction of the past plays a vital role in stimulating the historical imagination In *Echoes of War* he
examines how one of the most popular fields of history is portrayed embraced and shaped by mainstream culture Adams
argues that symbols of war are of intrinsic military significance and help people to articulate ideas and values We still return
to the knight as a symbol of noble striving the bowman appeals as a rebel against unjust privilege Though Custer may not
have been the Army's most accomplished fighter he achieved the status of cultural icon The public memory of the redcoated
British regular soldier shaped American attitudes toward governments and gun laws The 1863 attack on Fort Wagner by the
black Fifty fourth Massachusetts regiment was lost to public view until racial equality became important in the late twentieth
century *Echoes of War* is a unique look at how a thousand years of military history are remembered in popular culture
through images ranging from the medieval knight to the horror of U S involvement in the My Lai massacre **Living Hell**
Michael C. C. Adams, 2016-09-15 A senior military historian presents an unflinching account of the human costs of the Civil
War Many Americans argues Michael C C Adams tend to think of the Civil War as more glorious less awful than the reality
Millions of tourists flock to battlefields each year as vacation destinations their perceptions of the war often shaped by
reenactors who work hard for verisimilitude but who cannot ultimately simulate mutilation madness chronic disease

advanced physical decay In *Living Hell* Adams tries a different tack clustering the voices of myriad actual participants on the firing line or in the hospital ward to create a virtual historical reenactment Perhaps because the United States has not seen conventional war on its own soil since 1865 the collective memory of its horror has faded so that we have sanitized and romanticized even the experience of the Civil War Neither film nor reenactment can fully capture the hard truth of the four year conflict *Living Hell* presents a stark portrait of the human costs of the Civil War and gives readers a more accurate appreciation of its profound and lasting consequences Adams examines the sharp contrast between the expectations of recruits versus the realities of communal living the enormous problems of dirt and exposure poor diet malnutrition and disease He describes the slaughter produced by close order combat the difficulties of cleaning up the battlefields where tens of thousands of dead and wounded often lay in an area of only a few square miles and the resulting psychological damage survivors experienced Drawing extensively on letters and memoirs of individual soldiers Adams assembles vivid accounts of the distress Confederate and Union soldiers faced daily sickness exhaustion hunger devastating injuries and makeshift hospitals where saws were often the medical instrument of choice Inverting Robert E Lee s famous line about war Adams suggests that too many Americans become fond of war out of ignorance of its terrors Providing a powerful counterpoint to Civil War glorification *Living Hell* echoes William Tecumseh Sherman s comment that war is cruelty and cannot be refined Praise for *Our Masters the Rebels* A Speculation on Union Military Failure in the East 1861-1865 This excellent and provocative work concludes with a chapter suggesting how the image of Southern military superiority endured in spite of defeat Civil War History Adams s imaginative connections between culture and combat provide a forceful reminder that Civil War military history belongs not in an encapsulated realm with its own categories and arcane language but at the center of the study of the intellectual social and psychological currents that prevailed in the mid nineteenth century *Journal of American History* Praise for *The Best War Ever* America and World War II Adams has a real gift for efficiently explaining complex historical problems *Reviews in American History* Not only is this mythologizing bad history says Adams it is dangerous as well Surrounding the war with an aura of nostalgia both fosters the delusion that war can cure our social ills and makes us strong again and weakens confidence in our ability to act effectively in our own time *Journal of Military History*

Military Review, 1986 *The Victorians at War, 1815-1914* Harold E. Raugh Jr., 2004-10-25 Capturing the strength of the British Army from 1815 to 1914 this groundbreaking reference presents the most recent research on the most significant wars campaigns battles and leaders *The Victorians at War 1815-1914* An Encyclopedia of British Military History surveys the major wars campaigns battles and expeditions of the British Army as well as its weaponry tactics and all other aspects of its operations from the end of the Napoleonic Wars to the dawn of World War I Containing numerous maps depicting various theaters of war this all encompassing volume explains why the numerous military operations took place and what the results were Biographies reveal fascinating facts about British and Indian Army officers and other ranks while other entries deal

with recruitment training education and literacy uniforms equipment pay and conditions social backgrounds of the soldiers diseases and wounds they fell victim to and much more This volume is indispensable to those wanting to gain information about the British Army during this remarkable imperial era **Journal of the Society for Army Historical Research** ,1985 **A Yearbook of Studies in English Language and Literature 1985/86** Otto Rauchbauer,1986 Contains studies and literature of the English language *Encounter* Stephen Spender,Irving Kristol,1973 Theirs But to Do and Die Patrick Waddington,1995 **Library of Congress Catalog** Library of Congress,1973 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 **The Publishers Weekly** ,1974 **Magill's Guide to Military History: Jap-Pel** John Powell,2001 Salem Press s five volume Magill s Guide to Military History presents a survey of the wars battles peoples groups and civilizations that played an important role in worldwide military history from ancient times to the twenty first century In addition to comprehensive coverage of Western military history the encyclopedia examines the major military events personages and civilizations of the entire world from the beginning of military history Includes Time Line of Wars and Battles Wars and Battles by Geographical Area Military Leaders by Geographic Area and List of Entries by Category

While this might not be the The Gallant Six Hundred A Tragedy Of Obsessions full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Gallant Six Hundred A Tragedy Of Obsessions eBooks, including some popular titles.

FAQs About The Gallant Six Hundred A Tragedy Of Obsessions Books

What is a The Gallant Six Hundred A Tragedy Of Obsessions PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a The Gallant Six Hundred A Tragedy Of Obsessions PDF?

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a The Gallant Six Hundred A Tragedy Of Obsessions PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a The Gallant Six Hundred A Tragedy Of Obsessions PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a The Gallant Six Hundred A Tragedy Of Obsessions PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
