*The Game of Golf* William Park, 2015-06-02 Excerpt from *The Game of Golf* Although professional golfers have always been teachers of the game their instruction has been imparted more by example than by precept Such a method was and is undoubtedly the best but it is not available to the same extent at the present day as it was say fifty or even twenty years ago and hence a demand has sprung up for books of instruction Amateur golfers have hitherto been the sole contributors to the literature of the game but the belief has frequently been expressed to me that a volume coming from a professional would be read with interest and it has also been suggested that I should undertake to write one Encouraged by such friendly remarks the attempt has been made and it is hoped that what has been
