The Guardians I Road To Resurrection:

The Guardians I Michael Kalb, 2004 In *The Guardians I Road to Resurrection* Wayne Lehr a former Akkadian starship commander struggles to find an elusive truth that will answer the eternal burning conflict raging in his heart and soul But destiny will not leave him alone the Zadorian Warlord enters the Mastronian Galaxy seeking the ultimate power and threatens to destroy Lehr his home and the people who he has proudly served and protected his entire life Lehr s struggle against the Warlord carries him throughout the galaxy the asylum planet of Shadowa where the guilty and innocent alike can escape the past and build a new future the world of Swarnia inhabited by a fragmented people who must learn to work together to survive and the mysterious sector of space known as the Forbidden Zone an empty anomaly of nothingness where none who have entered have ever returned Wayne Lehr quickly discovers he can no longer spend his life in self imposed isolation he once again becomes embroiled in an escalating web of deceit and adventure where the Akkadian must reach into the deepest depths of his heart to summon the courage to overcome the Warlord and his evil designs and resurrect the sleeping spirit lying dormant in his heart *The Guardian* ,1869 *The Church Revival* Sabine Baring-Gould,1914 [The Road Back Home](#) Joseph Cavin, Karyn Cavin, 2023-08-29 Do you desire to know and experience God s exhilarating journey for creation The Bible reveals God s magnificent plans for his dominion and most valued treasure mankind However because of its many complexities most miss the big picture of Scripture focusing on obscure doctrinal details and consequently are confused about their own role and God s purposes This book was written as a tool to assist in overcoming these difficulties by presenting the structure of the Bible through analyzing three fundamental plans of God his original plan for mankind which was corrupted by sin his salvation plan that triumphed over sin and his restoration plan that is steadily returning creation to its genesis By first accurately examining and gaining a solid grasp of the flow of Scripture through these plans prior to delving into its many doctrinal details one can far more effectively comprehend its essential message and the intentions of God s heart toward his people This book s intended audience is not merely new believers in Christ but also those who have been Christians for many years without yet obtaining a firm proficiency of God s comprehensive message necessary for healthy growth and fruitfulness Come then and experience the epic revelation of God s heart *The Lost Art of Resurrection* Freddy Silva, 2017-01-27 Reveals the radical ancient practice of living resurrection in which initiates ritually died and were reborn into a state of higher consciousness Explores living resurrection initiation practices from world cultures including Egyptian Greek Gnostic Chinese Celtic and Native American traditions Describes the secret chambers and temples where Mystery Schools practiced raising the dead Shows why this practice was branded a heresy and suppressed by the Church More than two thousand years before the resurrection of Jesus initiates from spiritual traditions around the world were already practicing a secret mystical ritual in which they metaphorically died and were reborn into a higher spiritual state During this living resurrection they experienced a transformative spiritual awakening that revealed the nature of reality and

the purpose of the soul described as rising from the dead Exploring the practice of living resurrection in ancient Egyptian Phoenician Greek Persian Indian Japanese Chinese Celtic and Native American traditions Freddy Silva explains how resurrection was never meant for the dead but for the living a fact supported by the suppressed Gnostic Gospel of Philip Those who say they will die first and then rise are in error If they do not first receive the resurrection while they live when they die they will receive nothing He reveals how these practices were not only common in the ancient world but also shared similar facets in each tradition initiates were led through a series of challenging ordeals retreated for a three day period into a cave or restricted room often called a bridal chamber and while out of body became fully conscious of travels in the Otherworld Upon returning to the body they were led by priests or priestesses to witness the rising of Sirius or the Equinox sunrise Silva describes some of the secret chambers around the world where the ritual was performed including the so called tomb of Thutmosis III in Egypt which featured an empty sarcophagus and detailed instructions for the living on how to enter the Otherworld and return alive He reveals why esoteric and Gnostic sects claimed that the literal resurrection of Jesus promoted by the Church was a fraud and how the Church branded all living resurrection practices as a heresy relentlessly persecuting the Gnostics to suppress knowledge of this self empowering experience He shows how the Knights Templar revived these concepts and how they survive to this day within Freemasonry Exploring the hidden art of living resurrection Silva shows how this personal experience of the Divine opened the path to self empowerment and higher consciousness leading initiates such as Plato to describe it as the pinnacle of spiritual development *The Guardian Index*, 2003 *The Guardian of the Threshold and the Philosophy of Freedom* Sergei O. Prokofieff, 2011 The mystery of the Guardian and the Threshold he protects belong among the central most significant themes on the path of modern initiation For without the encounter with the Guardian the Threshold to the spiritual world can never be crossed in full consciousness The consequence would then be that for all the experiences in the realm on the other side of the Threshold there can be no certainty as to the truth of their contents from the preface Just as an entire plant is contained in seminal form in its seed the whole of Anthroposophy can be discovered in Rudolf Steiner's central work *The Philosophy of Freedom* Intuitive Thinking as a Spiritual Path a book that lays the foundation for a modern scientific path to the spiritual world Given the centrality of the Guardian of the Threshold to modern initiation one may ask where this theme can be found in *The Philosophy of Freedom* Sergei Prokofieff presents his insights to this little researched question in the first part of this volume In the second part he investigates the connection of *The Philosophy of Freedom* to the content of Rudolf Steiner's research into to what he called *The Fifth Gospel* Prokofieff's thoughtful commentary sheds new light on the connection between Rudolf Steiner's early work and what he developed later in life Study of the relevant texts reveals that the roots of Steiner's early work lie in the same spiritual reality the Christ impulse as that of the later Anthroposophy he would develop **The Resurrection of Peace** Mary Grey, 2012-11-15 Mary Grey takes the reader on a contemporary Lenten journey through a series of profound
