The Health And Social Care Divide The Experiences Of Older People

Malcolm Payne

The Health And Social Care Divide The Experiences Of Older People:

The Health and Social Care Divide Glasby, Jon, Littlechild, Rosemary, 2004-05-12 By focusing specifically on the experiences of older people an especially vulnerable group when divisions emerge between health and social care providers the authors are able to highlight in detail issues and recommendations that are applicable in a wide range of settings

Social Work with Older People Karin Crawford, Janet Walker, 2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people

Social Work With Older People: Approaches To Person-Centred Practice Hall, Barbara, Scragg, Terry, 2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research *Social Work with Older People* Mark Lymbery, 2005-11-03 This book provides an up to date and authoritative overview of the development of social work with older people in the UK The coherent structure draws together the key themes involved in working with older people and clearly demonstrates how to translate these into real life practice Key features of the book include Establishes an understanding of the policy context within which social work takes place with particular attention to key topics such as inter professional collaboration and ethics Goes beyond other textbooks to challenge the restricted nature of social work practice and adopts a positive view of its potential to benefit older people An engaging and practice led approach which includes student friendly features and detailed practice scenarios Satisfies the curriculum benchmarks and National Occupational Standards that structure social work training and practice Written by a leading academic this is a key text for social work trainees Its analytical depth will ensure that it will also be valuable for students undertaking post qualifying courses and for those in related disciplines such as health and community care social policy and social gerontology Its practice based and inter professional approach will mean it is also useful for health and social care practitioners seeking to improve the quality of practice with older people Drawing on both theory and research as well as the author's clear knowledge of current practice this book is able to deal with practice realities in ways which many texts cannot It offers social workers realistic options for how to approach their work Karen Postle University of East Anglia **Working with Older People** John Harris, Denise Tanner, 2007-10-11 Working with older people has become an increasingly important part of social work education and practice Whether studying community care adult services human growth and development or social work processes and interventions this book will be a vital source of information and help Working with Older People provides a framework of knowledge skills and values pertinent to qualifying social work courses and the new post qualifying award in

Social Work with Adults including discussion of ideas about human development and theories of older age legislation social policy and social welfare skills for working with older people assessment and care planning partnership working Written by two experienced educators and practitioners this key text facilitates individual or group learning through features such as objectives for each chapter case studies and further reading suggestions There are numerous activities throughout the book and the final chapter contains pointers to consider for all of the activities It will be essential reading for social work students and qualified social workers

Foundations of Health and Social Care Robert Adams, 2007-07-20 Written specifically for students and practitioners in health and social care taking foundation degrees or further professional qualifications this textbook offers a wealth of material on contexts knowledge bases skills and practices as well as dealing with work carried out by those involved in treatment therapy advocacy and management Written in very accessible style this very comprehensive book is set to become a core text for all Foundation Degree students within the health and social care field and a very valuable resource for tutors and practitioners in the field

Hospital Discharge Jon Glasby, 2003 Inefficient and inappropriate discharges of patients from hospitals is a major problem for hospitals social services and primary care This clear and concise guide examines the reasons for difficulties of hospital discharge and considers the possible solutions It provides a comprehensive overview of policy frameworks practice issues and research findings highlighting the range of problematic hospital discharges that can occur Current health and social policies are evaluated and typical individual organisational and structural barriers are examined It is invaluable for all those who have to make informed decisions regarding hospital discharge including doctors nursing managers and healthcare managers throughout primary and secondary care as well as social care managers and staff and policy makers and shapers

Understanding Health and Social Care Jon Glasby, 2017-01-18 This engaging and accessible text now in its third edition provides a comprehensive introduction to health and social care This new edition has been updated to cover recent developments including the integrated care agenda potential regional devolution and austerity

Oxford Textbook of Old Age Psychiatry Tom Denning, Alan Thomas, 2013-09-26 Broad in scope and with global appeal The Oxford Textbook of Old Age Psychiatry second edition is the definitive resource on old age psychiatry It comprehensively provides the latest knowledge on the science and practice of treating later life mental disorders focusing on the health and social issues that arise around ageing dementia co morbidity dependency and the end of life in progressively ageing societies across the world Published in previous incarnations as the much loved *Psychiatry in the Elderly* this core resource for all old age psychiatrists trainees and other clinical professionals treating older people's mental health has been fully revised updated and significantly expanded Twelve months inclusive access to the online version including the full text which can be browsed by the contents list index or searched links from references to external sources via PubMed ISI and CrossRef and the ability to download all figures and illustrations into PowerPoint ensures that it remains the leading text on old age psychiatry in the field Maintaining the classic

combination of comprehensive coverage clear writing style and the provision of authoritative and up to date information from earlier editions this highly respected volume covers the underpinning basic science both the neurobiological and social varieties clinical practice and specific disorders as well as providing information on psychiatric services for older people and medico legal and ethical issues that often present hard challenges for those treating older patients Taking a global approach by highlighting both the common burdens and the differences in management from country to country and with a much expanded cast of contributors providing a truly international perspective The Oxford Textbook of Old Age Psychiatry second edition includes information on all the latest improvements and changes in the field New chapters are included to reflect the development of old age care covering palliative care the ethics of caring and living and dying with dementia Existing chapters have also been revised and updated throughout and additional information is included on brain stimulation therapies memory clinics and services and capacity which now includes all mental capacity and decision making Providing extensive coverage and written by experts the field the second edition of the Oxford Textbook of Old Age Psychiatry is an essential resource no old age psychiatrist trainee or anyone working in the field of mental health care for older people should be without a copy on their bookshelf

Intermediate Care of Older People Siân Wade, 2006-02-22 Intermediate care has become a buzzword within health and social care over the last few years Seen as the panacea for a number of woes particularly for older people intermediate care has been held up as a way forward within contemporary health and social care This text explores in detail what is understood by the concept of intermediate care and in particular ways in which the needs of older people can be best met by this new range of services Initial discussion centres on the concept of intermediate care and the motives for its development This is followed by a summary of the range of intermediate care services that have been developed with a discussion of some of the confusion that surrounds the concept The debate then moves on to centre on older people discussing first why older people have come to be perceived as one of the main client groups that may benefit from intermediate care and then how intermediate care could be developed to better serve their needs An overview of ageing and the uniqueness of older people is then provided followed by an exploration of some of the challenges faced by older people within society and how this has extended into the delivery of health and social care

Social Work Mark Lymberry, Karen Postle, 2007-04-13 characterise social work courses and the issues involved in continuing professional development

Sharing Assessment in Health and Social Care Carolyn Wallace, Michelle Davies, 2009-09-18 This is an accessible and important text It is to be commended for bringing together policy and practice on assessment and information sharing across England Scotland and Wales Professor Michael Preston Shoot University of Bedfordshire This new text is a welcome addition to the literature relating to inter professional working It offers students from a range of professions a comprehensive guide to current social policy and authoritative guidance on how to conduct a safe and effective assessment Soo Moore City University London Shared assessment is the standardised approach to assessment and the sharing of information and

documentation within and between health and social care This book offers students and practitioners a step by step guide to the process helping them to overcome some of the anxieties of change and providing realistic guidance on the process Key features of the book include Comprehensive coverage follows a logical structure looking at context policy and practice A focus on the practitioner s understanding of an individual s experience and the roles of staff within the process Discussion of confidentiality and anti discriminatory practice Four chapter long case studies that take the reader through the stages of assessment and subsequent roles and responsibilities The book includes pedagogical features such as a glossary of terms a Comparative Grid for Standardised Assessment Frameworks examples of carers assessments reflective questions and further reading It is essential reading for students and practitioners working across health and social care particularly in social work nursing and mental health

Primary Care and Social Services Kirstein Rummery,2023-05-31 Health policy emphasises the role of primary and community based services in achieving strategic change throughout the NHS However despite lead roles assigned to social service departments and residential and nursing home care services difficulties remain in achieving closer working relationships This book is a concise guide to the new initiatives in this area including models and practical examples It covers the recent developments encouraging partnerships between health and social care services and is essential reading for all those involved in primary care and the social services especially those with an interest in the care of older people The National Primary Care Research and Development Centre series provides policy makers commissioners managers primary care professionals and user organisations with up to date multi disciplinary research on important issues that inform future decision making for primary care development

What is Professional Social Work? Malcolm Payne,2006-07-26 What is Professional Social Work is a now classic analysis of social work as a discourse between three aspects of practice social order therapeutic and transformational perspectives It enables social workers to analyse and value the role of social work in present day multiprofessional social care This completely re written second edition explores social work s struggle to meet its claim to achieve social progress through interpersonal practice Important features of this new edition include practical ways of analysing personal professional identity understanding how social workers embody their profession in their practice with other professionals detailed analysis of current and historical documents defining social work and social care analysis of values agencies and global social work This new edition will stimulate social workers students and policy makers in social care to think again about the valuable role social work plays in society

Introducing Social Policy Cliff Alcock,Guy Daly,Edwin Griggs,2014-06-06 The completely revised second edition of this highly respected textbook provides a comprehensive yet digestible and accessible introduction to the theoretical foundations development and crucial areas of contemporary concern in social policy and welfare Fully up to date it provides a concise but thorough overview of the context for the provision of social welfare in contemporary Britain and beyond Providing an integrated framework to highlight the relationships between theory policy and practice *Introducing Social Policy* examines social policy

from a multi disciplinary perspective It therefore encourages a broad understanding of the importance of the subject within social policy itself as well in social work healthcare education and beyond *International Perspectives on Health and Social Care* Jon Glasby,Helen Dickinson,2009-11-09 Partnership Working in Health and Social Care adopts a thematic approach to health and social care partnerships With chapters by leading international commentators the book covers key topics in partnership with a dual focus on both policy and practice *Social Aspects Of Health, Illness And Healthcare* Larkin, Mary,2011-01-01 This book provides a comprehensive and contemporary exploration of a wide range of topics within the social aspects of health illness and healthcare It explores and explains the different relationships between social categories and health different experiences of illness and the role of the healthcare provider in society rear cover **Making Social Policy Work** John Hills,Julian Le Grand,David Piachaud,2007-10-31 Social policy is now central to political debate in Britain What has been achieved by efforts to improve services and reduce poverty What is needed to deliver more effective and popular services to all and increase social justice How can we make social policy work These are some of the questions discussed in this new and wide ranging collection of essays by a distinguished panel of leading social policy academics The book covers key issues in contemporary social policy particularly concentrating on recent changes It examines the history and goals of social policy as well as its delivery focusing in turn on the family and the state schools higher education healthcare social care communities and housing Redistribution is also examined exploring child poverty pension reform and resources for welfare The essays in this collection have been specially written to honour the 70th birthday of Howard Glennerster whose pioneering work has been concerned not only with the theoretical historical and political foundations of social policies but crucially with how they work in practice It is a collection of primary importance for those working in and interested in policy and politics in a wide variety of fields and for students of social policy public policy and the public sector

Managing the ageing experience Denise Tanner,2010-09-01 Current social policy recognises that older people should be treated as experts in their own lives and be actively involved in their care This book explores what can be learned from older people s experiences of managing ageing Direct connections are made between the everyday experiences and perspectives of older people related research and theoretical perspectives This yields an engaging and informative analysis of how older people manage the ageing experience and what this means for policy and practice directed at promoting older people s wellbeing The book will be of value to undergraduate and postgraduate students in health and social care and practitioners in these fields *Transforming Adult Social Care* Ann Marie Gray,Derek Birrell,2013-04-10 Adult social care has emerged as a distinct policy area in the UK and one which has come under increasing scrutiny by government and other bodies With the expectation that in future many more adults will need care and support ideas have emerged about a transformation of adult social care The focus of this wide ranging book is on the major themes in policy and provision including personalisation integration user participation the cost of long term care risk and safeguarding care quality and workforce issues and is one of

the first texts to deal with adult social care as a distinct entity and is an up to date source on contemporary government policies debates and research The book encourages readers to think critically about decisions being made and about the direction of future policy The accessible book will be a valuable resource for undergraduate students in Social Policy Health and Social Care and Social Work those taking advanced vocational qualifications in social care and practitioners

The Health And Social Care Divide The Experiences Of Older People Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Health And Social Care Divide The Experiences Of Older People PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Health And Social Care Divide The Experiences Of Older People PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Health And Social Care Divide The Experiences Of Older People free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Health And Social Care Divide The Experiences Of Older People Books

What is a The Health And Social Care Divide The Experiences Of Older People PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Health And Social Care Divide The Experiences Of Older People PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Health And Social Care Divide The Experiences Of Older People PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Health And Social Care Divide The Experiences Of Older People PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Health And Social Care Divide The Experiences Of Older People PDF?** Most PDF

editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
