The Virgin Mary continues to attract devotees to her images and shrines In *Moved by Mary* anthropologists geographers and historians explore how people and groups around the world identify and join with Mary in their struggle against social injustice and how others mobilize Mary to impose ideas and rules and legitimize acts of violence and suppression Far from an outdated practice of little relevance to the modern world Marian pilgrimage expresses the deep and urgent concerns of a wide range of people With examples of Marian pilgrimages from all over the world *Moved by Mary* explores the ways in which men and women of different ages and religious political social economic and ethnic backgrounds empower themselves to deal with modern day issues with Mary s help The ethnographic cases reveal the cultural and devotional variation of Marian pilgrimage but also global similarities Collectively the contributors to *Moved by Mary* show how in many places religion dramatically suffuses everyday life      Psychological Perspectives on Prayer Leslie John Francis, Jeff Astley, 2001 This book brings together seminal articles concerned with the empirical and psychological study of prayer Topics discussed include the relationship between prayer and psychological development the place of prayer in the work of doctors caregivers and clergy and the effects of intercessory prayer      **The Cowley Fathers** Serenhedd James, 2019-07-30 The Society of St John the Evangelist otherwise known as the Cowley Fathers was the first men s religious order to be founded in the Church of England since the Reformation as a result of the spread and influence of the Oxford Movement and its Anglo Catholic spirituality in the 19th century Established in Oxford in 1866 its charismatic founder Richard Meux Benson worked closely with American priests and just four years later a congregation was founded in Massachusetts that flourishes to this day The charism of the order embraced high regard of theology with practical service fostered by an emphasis on prayer and personal holiness Cowley a poor and rapidly expanding village on the outskirts of Oxford provided ample opportunity for service At its height the English congregation had houses in Oxford now St Stephen s House and Westminster where figures such as C S Lewis sought spiritual direction Now no longer operating as a community in Britain this definitive and comprehensive history records its significant contribution to Anglicanism then and now      **The Ministry of Healing**, 1981      **Studies in Formative Spirituality**, 1982      **Carl Jung and Christian Spirituality** Robert L. Moore, 1988 A collection of the best articles dealing with this topic during the last twenty years      Sobornost, 1979
