The Heart of the Creator Manny Mpock,2022-05-13 This book takes you by hand to life's greatest journey and experience a must for every living human being on earth You get to meet the interactive creator who hears speaks and needs no mediator just you and him No greater opportunity in life than meeting speaking to and being spoken to by him one on one With truth and love on life support on earth today the breeding of hate has resulted in divisiveness compounded violence in society and a planet in peril The abundance of proposed solutions to humanity's ills are based on conjecture baseless myths of ancient mysteries unsubstantiated claims fancy words worthless traditions from time past false hope false peace and doom Rather than the confusion resulting from infighting among human factions you the scientists philosophers religious and agnostic groups have been invited to chat with the one who claims he is the creator of all things In this book he explains in great simplicity why things are happening the way they are the source of problems and how to easily fix these daunting problems He declares that the time for words is over and it is time to back words with real power now with the kind of power that creates things from nothing Humanity has a chance to see the creator up close and personal not just someone with empty words but to experience his power and why he claims to be the creator In a matter of hours after completing the last page you will never be the same again after the encounter

The Serpent's Tale Sravana Borkatakya-Varma,Anyax Foxen,2025-09-30 There is a standard narrative that recurs throughout popular writings on yoga and tantra from South Asian texts to Western esoteric thought Ku alin is the Serpent Power She rests coiled at the base of the spine If awakened this divine feminine energy rises toward the crown of the head Some are apprehensive of Ku alin's intense power fearing physical and psychological turmoil Others seek it out hungry for experiences both spiritual and sensual But what does this story leave out What are its cultural and historical roots What do the many ways of experiencing Ku alin tell us about this elusive phenomenon The Serpent's Tale traces the intricate global histories of Ku alin from its Sanskrit origins to its popularity in the West Sravana Borkatakya Varma and Anyax Foxen explore its symbolic link with the serpent its fraught connections to sexuality and its commercialization in the form of Ku alin yoga Ranging from esoteric texts to global gurus from the cliffs of California to the charnel grounds of Assam they show that there has never been one single authentic model

of Ku alin but a multiplicity of visions Bridging the gaps between textual and historical analysis and the complexities of embodied practice Borkatakya Varma and Foxen reflect on the narration and transmission of experiences including their own Lively accessible and nuanced The Serpent s Tale offers rich insights for scholars practitioners and all readers drawn to Ku alin

The Serpent of Cos Cos, Island of, Charles Hartley, 1878 *The Hole in the Heart of God* Paul K. Hooker, 2021-06-18 This book is a rendering in poetry of the ancient Christian practice of the Easter Vigil held over the night between Holy Saturday and Easter Sunday Readings from the vigil become the point of departure for poems that reflect on the reading and then short prose ruminations that reflect on themes in the poems The poems and ruminations are deeply informed by both the Christian story of the passion death and resurrection of Jesus and the great tradition of Jewish and Christian mysticism about the creation and redemption of the world Traversing the Heart Richard Kearney, Eileen Rizo-Patron, 2010-07-12 The key wager of Traversing the Heart Journeys of the Inter religious Imagination is that a spiritual imaginary operating at the level of metaphor narrative symbol and epiphany can traverse the borders of dogma and ideology and open genuine conversations between wisdom traditions Like every hermeneutics of the heart this journey begins to unfold in a concrete space and time the interreligious conference at Bangalore in June 2007 While this collection does not claim to cover the religious traditions of all continents its concluding essay on transculturation in Andean Christian art highlights the importance of the North South dialogue as a necessary supplement to the East West one largely addressed in the book As a

call to future journeys and dialogue this volume aims to communicate the one seminal lesson learned during the India conference that in our third millennium religions will be inter religious or they will not be at peace *The Heart of Wisdom Teaching Approach* Robin Sampson,2005-04 Details the Bible based homeschool teaching approach for parents and discusses Christian education learning styles unit studies bible study and more **Thoughts for the Heart. The Heart Mender Sally Streib,2006 **The Heart of His Mystery** John Waterfield,2009-10-21 Shakespeare has traditionally been viewed as Queen Elizabeth s poet laureate and as the official mouthpiece of the Elizabethan age But the Elizabethan world was torn apart by the religious divisions initiated by the Reformation and vitiated by the government s merciless persecution of Catholics As it was the victors who wrote the history the English Reformation has been portrayed as a peaceful transition enjoying majority support when in fact it was nothing of the kind Elizabeth s regime was a police state which sanctioned the use of torture where Catholic priests and those who harboured them were liable to summary and bloody execution The persecution of Catholics was continued by James I evoking the violent response of the Gunpowder Plot The Heart of His Mystery examines Shakespeare s life and work against this background There is strong biographical evidence that he was himself a Catholic and a detailed survey of his plays and poems shows that his imagination was intimately bound up with his religious faith When we realise that his human compassion grew from his membership in a persecuted community we can glimpse the mystery he has encrypted in his works and we come closer to understanding the hidden heart of Shakespeare the man **The Heart: The Key to Everything in the Christian Life** Tim Rowe,2016-03-10 We need to recover a truth that has been all but lost in modern day Christianity It has been buried for too long and it is too valuable to be forgotten This life changing truth is that the heart is the key to everything in the Christian life The heart is the wellspring of all our actions emotions motives and character Everything we are everything we say and everything we do flows directly from the heart In *The Heart The Key to Everything in the Christian Life* believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world The heart is the key to our service and obedience to the Father The heart is the key to the purity and depth of our worship praise and love of God It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us **In the Shadows of Genesis: Exploring the Mysterious Heart of the Bible's First Book** Neal Aponte, Ph.D.,2021-05-21 We recognize the names beginning with Adam Eve Cain and Abel Their mythic lives and the commentaries about them are bedrock elements of Western civilization But what if we relinquished the hal lowed ground of perceived wisdom and considered Martin Buber s instruction presented as an epigraph to this book to approach the text as something new letting the words of the Book of Genesis reach us Could we encounter the sacred heart of these mysterious stories as if for the first time **The Serpent's Plumes** Adam W. Coon,2024-05-01 Draws on Nahua

concepts to explore Nahua literary production and contributions to cultural activism from the 1980s to the present. The Serpent's Plumes analyzes contemporary Nahua cultural production principally bilingual Nahuatl-Spanish *xochitlajtoli* or poetry written from the 1980s to the present. Adam W. Coon draws on Nahua perspectives as a decolonizing theoretical framework to argue that Nahua writers deploy unique worldviews: namely *ixtlamatlistli* (knowledge with the face) which highlights the value of personal experiences; *yoltlajlamikistli* (knowledge with the heart) which underscores the importance of affective intelligence; and *tlaixpan* (that which is in front) which presents the past as lying ahead of a subject rather than behind. The views of *ixtlamatlistli*, *yoltlajlamikistli*, and *tlaixpan* are key in Nahua struggles and effectively challenge those who attempt to marginalize Native knowledge production.
