The Heavens are Cleft Asunder Huschmand Sabet, 1975-01-01 The Interpretation of The Meaning of The Holy Quran
Volume 81 - Surah At-Takwir, Surah Al-Infitar, Surah Al-Mutaffifin, Surah Al-Inshiqaq Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin Scientific Miracles of the Qur'an With Signs of Allah in the Heavens and on the Earth Hassan S. The Book was produced due to answer the basic questions and the basic ideas about the origin and fate of Human Beings cannot be resolved only through beautiful mathematical equations but also can be answered through spiritual wisdom

Human Duality Principle this book is the result of the great efforts of mine try to explain the Spiritual Self Spirit Gnosis and Natural self Body Mind of Human Being are inherited in the self of Human Being The Dual nature of Human being the self in its inner life has two phases subsequent to its natural mind and spiritual spirit existence Human Being is the most exclusive individual and therefore the duality of spirit and mind both are associated with him The self in its inner life has two phases subsequent to its natural mind and spiritual spirit existence

John Calvin's Commentaries On The Harmony Of The Gospels Vol. 1 John Calvin,2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Our Author has exerted a powerful influence on all succeeding expositors They have found their interest in listening to his instructions and have been more deeply indebted to him than is generally known Many valuable interpretations of passages of Scripture appeared for the first time in his writings and have ever since been warmly approved In other cases the views which had been previously held are placed by him in so strong a light as to remove every doubt and satisfy the most cautious inquiry And yet the stores from which so much has been drawn are far from being exhausted nor is their value greatly lowered by improvements which have been subsequently made The department of History presents an analogous case Documents which had been overlooked are carefully examined Conflicting evidence is more accurately weighed Important transactions assume a new aspect or at least are altered in their subordinate details Still there are historians in whose narrative the great lines of truth are so powerfully drawn that the feeble though more exact delineations of other men cannot supply their place In the chief moral requisite for such a work Calvin is excelled by none He is an honest interpreter No consideration would have induced him to wrest the words of Scripture from their plain meaning Those who may question his conclusions cannot trace them to an unworthy motive Timid theologians will be occasionally startled by his expositions Though they may not absolutely impeach the soundness of his doctrine they will tremble for the fate of some favorite theory or ingenious argument With such minds he has no sympathy He examines the Scriptures with the humility of one who inquires at the oracle of God 2 Samuel 16 23 and proclaims the reply with the faith of one who knows that the word of the Lord is tried Psalm 18 30
