The Hereafter:

The Hereafter Gang Neal Barrett,1991 **The Life in the Hereafter** Ghulam Parwez,2015-06-30 Death which is universal is a great event in our lives for which we as human beings seek an explanation The Life In The Hereafter is based on the Quranic concept of human life and its purpose in this world which is accountability for our deeds and is called the Law of Requital The Quran points to the fact that human beings comprise of both a physical body which follows physical laws and an inner self which develops further through the impact on it of our thoughts and deeds Essentially there are two concepts of life according to the first human life ends with physical death while according to the second the human self will move on to the next higher stage of life after death The impact on the self of our thoughts and deeds during this life will determine if the balance is heavier towards constructive effects i e if we have lived according to the Permanent Values given in the Quran or if the balance is heavier towards destructive effects This book throws light on this from the viewpoint of the Quran and the Quran invites us to reflect profoundly on this by using our intellect and reasoning as this is the only life we have to send something forward for our tomorrow **Meta-Science of Tawhid** Masudul Alam Choudhury,2019-07-23 This book explores the methodological foundation of Islamic thought premised on the cardinal principle of Tawhid meaning the Oneness of God as the universal law The consequential methodological worldview arising from the monotheistic unity of knowledge is explained as the theory of consilience meaning unity of knowledge as the primal ontological reality leading to its epistemological and phenomenological essentials of reasoning and thereby configuring reality Masudul Alam Choudhury presents a non mathematical exposition of the theory and applications of Meta Science of Tawhid and brings out the essential monotheistic methodological worldview of science **the return of jesus part 3 of 5** Jeremy Boulter,1998-01-01

Ghaafir(Al-Mu'min) Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the

whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **Metanoia - The Repentance** Hatim Bin Khaleef,2024-07-24 Reviewed by Shaykh Ul Hadees Qazi Muhammad Imran Sahab and many more In this book we will start by discussing habits their influence on our lives and how they can improve our character Next we will explore which habits are beneficial for us how to find our purpose in life and how to be happy and enjoy what we have Then we will combine these ideas to make our lives easier and more beautiful aligning them with Islamic teachings and Shariah We will also link the first two chapters to Islamic teachings to help us find our true meaning In the fourth chapter you will learn about a game of characters where you will identify the best fit for yourself and try to apply it in your lives hoping for positive change Finally in chapter five we will learn about the Sunnah of our beloved Prophet why They are important how we can value Them and some forgotten Sunnah practices we can apply into our daily lives earning rewards in the hereafter **Purpose of Life: An objective approach to find the Truth** Md Soleyman,2021-06-11 The information in this book is meant to find the answers Truth to basic questions we have as Human beings This book is not permissible to print for a commercial purpose other than self study I have compiled this book using different resources from the internet in order to conduct the study Some of the questions mentioned in the book are Why I exist Who am I Where I came from Why I am here Why I have to die Where I am going
