Opium's Orphans P. E. Caquet, 2022-07-06 Upending all we know about the war on drugs a history of the anti narcotics movement s origins evolution and questionable effectiveness *Opium s Orphans* is the first full history of drug prohibition and the war on drugs A no holds barred but balanced account it shows that drug suppression was born of historical accident not rational design The war on drugs did not originate in Europe or the United States and even less with President Nixon but in China Two Opium Wars followed by Western attempts to atone for them gave birth to an anti narcotics order that has come to span the globe But has the war on drugs succeeded As opioid deaths and cartel violence run rampant contestation becomes more vocal and marijuana is slated for legalization *Opium s Orphans* proposes that it is time to go back to the drawing board Triangle of Death Bradley O'Leary, 2003-11-20 Here are the facts a President John F Kennedy supported the coup d tat that resulted in the assassination of Diem b twenty one days later Kennedy was assassinated c forty eight hours after JFK s murder the FBI deported a French assassin a fact that was not reported at the time even to the Warren Commission d this deportation order came from the Office of the Attorney General Robert F Kennedy Bradley O Leary and L E Seymour present a convincing argument that implicates not Lee Harvey Oswald but rather a conglomerate of conspirators in the death of beloved President Kennedy Using actual CIA documents interviews and evidence *Triangle of Death* will alter everything you thought you knew about John F Kennedy s death **More Dangerous Ground** Roger Cook, 2007 *More Dangerous Ground* takes a fascinating look behind the scenes of The Cook Report and offers a provocative insight into what makes Roger Cook tick **The Lebanese Connection** Jonathan Marshall, 2012-05-16 Long before Mexico Colombia and Afghanistan became notorious for their contributions to the global drug traffic Lebanon was a special target of U S drug agents for harboring the world s greatest single transit port in the international traffic in narcotics In the words of one American official certain of the largest traffickers are so influential politically and certain highly placed officials so deeply involved in the narcotic traffic that one might well state that the Lebanese Government is in the narcotics business Using previously secret government records *The Lebanese Connection* uncovers for the first time the story of how Lebanon s

economy and political system were corrupted by drug profits and how by financing its many ruthless militia Lebanon's drug trade contributed to the country's greatest catastrophe its fifteen year civil war from 1975 to 1990 In so doing this book sheds new light on the dangerous role of vast criminal enterprises in the collapse of states and the creation of war economies that thrive in the midst of civil conflicts Taking a regional approach to the drug issue Jonathan Marshall assesses the culpability of Syria Israel and of Palestinian factions and other groups that used Lebanon as their battleground On the international level he documents Lebanon's contribution to the hard drug problem of major consuming countries from the days of the French Connection through the Pizza Connection as well as Lebanon's unrivaled place in the global hashish market
