With great lyricism, Anna Fleming charts two parallel journeys: learning the craft of traditional rock climbing and the developing appreciation of the natural world it brings her. Through the story of her progress from terrified beginner to confident lead climber, she shows us how placing hand and foot on rock becomes a profound new way into the landscape. Anna takes us from the gritstone rocks of the Peak District and Yorkshire to the gabbro pinnacles of the Cuillin, the slate of North Wales and the high plateau of the

Cairngorms Each landscape and each type of rock brings its own challenges and invites us into the history of a place
