Slain In The Spirit:

Charismatic Chaos John F. MacArthur, John MacArthur, 1993-07-10 Charismatic Chaos thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin but also leading to disunity on a worldwide scale and promising to fuel controversy for years to come **Slain by the Spirit** Peter J. Wade, 198?

Commentary on the Book of Enoch John D. Ladd, 2008-06 Fifty years after James Bruce brought a copy of the Book of Enoch found in Ethiopia to England Richard Laurence made a first modern translation Later R H Charles made another translation using some Greek excerpts and more Ethiopian texts Then recently Michael A Knibb using many texts and partial texts put together an adequate translation Yet all of these translations are rough obscure and confusing to Christians of today The Dead Sea Scrolls contained many copies and partial copies of the Book of Enoch In the Dead Sea scrolls there were found 17 copies Comparitively there were 30 copies of Psalms 25 copies of Deuteronomy 19 of Isaiah 15 of Genesis and Exodus 14 Of Jubilees Jude validated The Book Of Enoch with his quote from it Using all of the sources now available along with an in depth study of book I have prepared this paraphrase translation Along with such I have included an commentary to help in its comparison with the Bible John D Ladd was raised the son of an Assemblies of God pastor He attended Northeast Bible College in Pennsylvania and later Malone College in Canton Ohio He pastored for many years was ordained in the Assemblies of God but later left to pastor independent churches Preferring teaching to preaching he has spent many years studying reading books from the early church period and translating paraphrasing them for ease of use by Christians of today This book of Enoch s has been translated paraphrased and now is being given commentary to compare it with the Bible s message to test it by the Word of God How does it compare Is it in agreement with the message and prophetic teachings of the Bible Faith Healers and the Bible Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged Faith Healers and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported **The Supernatural and the Circuit Riders** Rimi

Xhemajli,2021-06-22 In *The Supernatural and the Circuit Riders* Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God s Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today

Thunderstruck! Peter J. Bellini,2023-04-18 This book is a historical and theological look into the deliverance and exorcism ministry of John Wesley It examines how Wesley understood the phenomenon of deliverance and his own practice of it in terms of ordinary and extraordinary gifts The text looks at how Wesley understood deliverance in general in relation to salvation and how he understood an aspect of deliverance that involved expulsion of demons Further the book assesses how contemporary Wesleyans and Christians in general can apply Wesley s theology and practice to deliverance ministry today Practices like baptismal vows and the use of the gifts of the Holy Spirit are explored in the life of the believer today in terms of deliverance
