Slave Drivers:

The Yankee Slave Driver, Or, The Black and White Rivals ; with Illustrations Samuel Mosheim Smucker, 1857

The Slave Drivers William L. Van Deburg, 1979 Despite increased interest in the lives of American slaves the slave elite has been accorded only shallow study by historians leaving the topic to unfavorable stereotypes legend and undocumented assertions In this revelatory work William Van Deburg takes up the case of the black slave driver examining the conflicting depictions given in histories accounts of white southerners and antebellum travelers and narratives of fugitive slaves and exbondsmen He describes the daily lives and duties of black drivers and refuting the stereotype of cruel collaborator shows that their role neither psychologically destroyed slave drivers nor turned them into sadistic oppressors Socially and emotionally tied to their fellow slaves the bondsmen identified with their interests more much closely than with those of the owner Van Deburg concludes this valuable revisionist work with a useful essay on his primary sources *The Yankee Slave Driver* Samuel M. Smucker, 2022-07-28 Reprint of the original first published in 1860

The Slave Drivers William L. Van Deburg, 1979-05-02 The Florentine artist Agnolo Bronzino 1503 1572 has long been celebrated as the consummate court painter and his sumptuous portrayals of Duke Cosimo de Medici and Duchess Eleonora de Toledo have become icons of Italian Renaissance art In this volume an international assembly of scholars advances modern perceptions of Bronzino s art by applying fresh research paradigms not only to the well known portraits but also to other painted subjects frescoes and tapestries within the context of ancient Roman precedents Renaissance European court culture and postmodernist theory The seven essays supplement two recent Bronzino exhibitions in New York and Florence 2010 by addressing Bronzino s portraiture creative process and tapestry production as well as past and present attitudes towards nudity sexuality landscapes and poetic satire in Bronzino s imagery *Women and Slavery in the French Antilles, 1635-1848* Bernard Moitt, 2001-11-14

Women and Slavery in the French Antilles 1635 1848 Bernard Moitt Examines the reaction of black women to slavery In *Women and Slavery in the French Antilles 1635 1848* Bernard Moitt argues that gender had a profound effect on the slave plantation system in the French Antilles He details and analyzes the social condition of enslaved black women in the plantation societies of Martinique Guadeloupe Saint Domingue now Haiti and French Guiana from 1635 to the abolition of slavery in the French colonial empire in 1848 Moitt examines the lives of black women in bondage evaluates the impact that the slave experience had on them and assesses the ways in which women reacted to and coped with slavery in the French Caribbean for over two centuries As males outnumbered females for most of the slavery period and monopolized virtually all of the specialized tasks the disregard for gender in task allocation meant that females did proportionately more hard labor than did males In addition to hard work in the fields women were engaged in gender specific labor and performed a host of other tasks Women resisted slavery in the same ways that men did as well as in ways that gender and allocation of tasks made possible Moitt casts slave women in dynamic roles previously ignored by historians thus bringing them out of the

shadows of the plantation world into full view where they belong Bernard Moitt is Assistant Professor in the History Department at Virginia Commonwealth University in Richmond Previously he taught at the University of Toronto and at Utica College of Syracuse University Educated in Antigua where he was born Canada and the United States he has written on aspects of francophone African and Caribbean history with particular emphasis on gender and slavery Blacks in the Diaspora Darlene Clark Hine John McCluskey Jr David Barry Gaspar general editors June 2001 256 pages 6 1 8 x 9 1 4 index append cloth 0 253 33913 8 44 95 L 34 00 paper 0 253 21452 1 19 95 s 15 50 *The Driver's Story* Randy M. Browne, 2024-05-07 The story of the driver is the story of Atlantic slavery Starting in the seventeenth century Caribbean enslavers developed the driving system to solve their fundamental problem how to extract labor from captive workers who had every reason to resist In this system enslaved Black drivers were tasked with supervising and punishing other enslaved laborers In *The Driver's Story* Randy M Browne illuminates the predicament and harrowing struggles of these men and sometimes women at the heart of the plantation world What Browne asks did it mean to be trapped between the insatiable labor demands of white plantation authorities and the constant resistance of one's fellow enslaved laborers In this insightful and unsettling account of slavery and racial capitalism Browne shows that on plantations across the Americas drivers were at the center of enslaved people's working lives social relationships and struggles against slavery Drivers enforced labor discipline and confronted the resistance of their fellow enslaved laborers aiming to maintain a position that helped them survive in a world where enslaved people were treated as disposable Drivers also protected the people they supervised negotiating workloads and customary rights to essentials like food and rest with white authorities Within the slave community drivers helped other enslaved people create a sense of belonging as husbands and fathers as Big Men and as leaders of diasporic African nations Sometimes drivers even organized rebellions sabotaging the very system they were appointed to support Compelling and original *The Driver's Story* enriches our understanding of the never ending war between enslavers and enslaved laborers by focusing on its front line It also brings us face to face with the horror of capitalist labor exploitation **Life as a Slave** Richard Worth, 2016-07-15 This fascinating volume explores everyday life for slaves in America Readers will learn about the various duties that slaves were responsible for conducting their relationships with their masters and the ways they found to cope with the humiliating and demoralizing lives they were captured into Contextual information about how the practice of slavery began how slaves contributed to the southern economy and how the institution was finally destroyed rounds out this informative resource **Slave Against Slave** Jeff Forret, 2015-11-16 In the first ever comprehensive analysis of violence between slaves in the antebellum South Jeff Forret challenges persistent notions of slave communities as sites of unwavering harmony and solidarity Though existing scholarship shows that intraracial black violence did not reach high levels until after Reconstruction contemporary records bear witness to its regular presence among enslaved populations *Slave against Slave* explores the roots of and motivations for such violence and the ways in which slaves masters churches and civil and criminal

laws worked to hold it in check Far from focusing on violence alone Forret s work also adds depth to our understanding of morality among the enslaved revealing how slaves sought to prevent violence and punish those who engaged in it Forret mines a vast array of slave narratives slaveholders journals travelers accounts and church and court records from across the South to approximate the prevalence of slave against slave violence prior to the Civil War A diverse range of motives for these conflicts emerges from tensions over status differences to disagreements originating at work and in private to discord relating to the slave economy and the web of debts that slaves owed one another to courtship rivalries marital disputes and adulterous affairs Forret also uncovers the role of explicitly gendered violence in bondpeople s constructions of masculinity and femininity suggesting a system of honor among slaves that would have been familiar to southern white men and women had they cared to acknowledge it Though many generations of scholars have examined violence in the South as perpetrated by and against whites the internal clashes within the slave quarters have remained largely unexplored Forret s analysis of intraracial slave conflicts in the Old South examines narratives of violence in slave communities opening a new line of inquiry into the study of American slavery

Black Southerners, 1619-1869 John B. Boles, 2014-10-17 This revealing interpretation of the black experience in the South emphasizes the evolution of slavery over time and the emergence of a rich hybrid African American culture From the incisive discussion on the origins of slavery in the Chesapeake colonies John Boles embarks on an interpretation of a vast body of demographic anthropological and comparative scholarship to explore the character of black bondage in the American South On such diverse issues as black population growth the strength of the slave family the efficiency and profitability of slavery the diet and health care of bondsmen the maturation of slave culture the varieties of slave resistance and the participation of blacks in the Civil War **Black Southerners** provides a balanced and judicious treatment

Slavery and the Making of America James Oliver Horton, Lois E. Horton, 2004-11-01 **Slavery and the Making of America** offers a richly illustrated vividly written history that illuminates the human side of slavery presenting it largely through stories of the slaves themselves Readers will discover a wide ranging and sharply nuanced look at American slavery from the first Africans brought to British colonies in the early seventeenth century to the end of Reconstruction The authors document the horrors of slavery particularly in the deep South and describe the valiant struggles to escape bondage from dramatic tales of slaves such as William and Ellen Craft to Dred Scott s doomed attempt to win his freedom through the Supreme Court

ABA Journal , 1964-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

Studies in the African Diaspora John P. Henderson, Harry Atwood Reed, 1989 A memorial volume by former Ph D students of James R Hooker late Professor of African History at Michigan State University Topics include missionaries in Africa early nationalist politics in British West Africa and Kenya slave drivers in the United States the Garvey Movement in Dominica and General Motors in South Africa John P Henderson is Professor of Economics and Harry A Reed is Associate

Professor of History both at Michigan State University

Embedded Linux System Design and Development P.

Raghavan, Amol Lad, Sriram Neelakandan, 2005-12-21 Based upon the authors experience in designing and deploying an embedded Linux system with a variety of applications Embedded Linux System Design and Development contains a full embedded Linux system development roadmap for systems architects and software programmers Explaining the issues that arise out of the use of Linux in embedded systems the book facilitates movement to embedded Linux from traditional real time operating systems and describes the system design model containing embedded Linux This book delivers practical solutions for writing debugging and profiling applications and drivers in embedded Linux and for understanding Linux BSP architecture It enables you to understand various drivers such as serial I2C and USB gadgets uClinux architecture and its programming model and the embedded Linux graphics subsystem The text also promotes learning of methods to reduce system boot time optimize memory and storage and find memory leaks and corruption in applications This volume benefits IT managers in planning to choose an embedded Linux distribution and in creating a roadmap for OS transition It also describes the application of the Linux licensing model in commercial products

The Voice Bible Ecclesia Bible Society, 2012-04-09

The Voice is a faithful dynamic equivalent translation that reads like a story with all the truth and wisdom of God's Word Through compelling narratives poetry and teaching The Voice invites readers to enter into the whole story of God enabling them to hear God speaking and to experience His presence in their lives Through a collaboration of nearly 120 biblical scholars pastors writers musicians poets and artists The Voice recaptures the passion grit humor and beauty that is often lost in the translation process The result is a retelling of the story of the Bible in a form as fluid as modern literary works yet painstakingly true to the original manuscripts Features include Two color text Italicized information added to help contemporary readers understand what original readers would have known intuitively In text commentary notes that include cultural historical theological or devotional thoughts Screenplay format ideal for public readings and group studies Book introductions Presentation page for personalization Reading plans for Lent Easter Advent and more Topical Guide to the Notes Topical Guide to the Scripture Part of the Signature Series line of Thomas Nelson Bibles The Voice Bibles sold to date More than 308 000

Excursion Through the Slave States George William Featherstonhaugh, 1844

Liberty and Union Timothy S.

Huebner,2017-04-05 This book is about the relationship between the Civil War generation and the founding generation Timothy S Huebner states at the outset of this ambitious and elegant overview of the Civil War era The book integrates political military and social developments into an epic narrative interwoven with the thread of constitutionalism to show how all Americans engaged the nation s heritage of liberty and constitutional government Whether political leaders or plain folk northerners or southerners Republicans or Democrats black or white most free Americans in the mid nineteenth century believed in the foundational values articulated in the Declaration of Independence of 1776 and the Constitution of 1787 and this belief consistently animated the nation s political debates Liberty and Union shows however that different interpretations of these founding documents ultimately drove a deep wedge between North and South leading to the conflict that tested all constitutional faiths Huebner argues that the resolution of the Civil War was profoundly revolutionary and also inextricably tied to the issues of both slavery and sovereignty the two great unanswered questions of the Founding era Drawing on a vast body of scholarship as well as such sources as congressional statutes political speeches military records state supreme court decisions the proceedings of black conventions and contemporary newspapers and pamphlets Liberty and Union takes the long view of the Civil War era It merges Civil War history US constitutional history and African American history and stretches from the antebellum era through the period of reconstruction devoting equal attention to the Union and Confederate sides of the conflict And its in depth exploration of African American participation in a broader culture of constitutionalism redefines our understanding of black activism in the nineteenth century Altogether this is a masterly far reaching work that reveals as never before the importance and meaning of the Constitution and the law for nineteenth century Americans

Slavery, Secession, and Southern History Robert L. Paquette,Lou Ferleger,2000 Heir to changing views of slavery in the US South sparked by Eugene Genovese s Marxist analyses ten original essays probe philosophical socioeconomic and literary issues of slavery Appends 1990s interviews with Genovese and a list of his principal writings Paquette and Ferleger teach history at Hamilton College and Boston U respectively Annotation copyrighted by Book News Inc Portland OR

Problems in Modern Latin American History James A. Wood,John Charles Chasteen,2009 A fourth edition of this book is now available Now in its third edition this leading reader has been updated to make it even more relevant to the study of contemporary Latin America This edition includes an entirely new chapter The New Left Turn and the globalization chapter has been thoroughly revised to reflect the rapid pace of change over the past five years The book continues to offer a rich variety of materials that can be tailored to the needs of individual instructors By focusing each chapter on a single interpretive problem the book painlessly engages students in document analysis and introduces them to historiography With its innovative combination of primary and secondary sources and editorial analysis this text is designed specifically to stimulate critical thinking in a wide range of courses on Latin American history since independence

The Top Books of the Year Slave Drivers The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Slave Drivers : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Slave Drivers : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
