Beyond Belief 2 Sarah Ruth Scott,Simon Robert Sinclair,2018-02-14 Most of the following stories have been written in Scotland and Sweden My research for the Harrington curse took place in Aberlady near North Berwick Scotland My latest

work Eight Skulls of Teversham was written partly in Inverness taking in the atmosphere of the misty hills of Scotlands highlandssuch a beautiful sight to behold Double exposure was also created with a location of Scotland in mind taking me back to my ancestors the Scott clan and the famous Sir Walter Scott The stories created in Sweden were cracked porcelain which covered a wide area of mental and physical abuse This fictitious book was based on factual events and concerned itself with the life of Ruth Ashley a psychiatric nurse I am convinced that a ghost called Sarah influenced my writing something called automatic writing For the Love of Charlotte was written in the United States of America and I must confess greatly influenced by the 9 11 attack on the twin towers in 2001 Again the writing was influenced by ghosts It is my dream that sooner or later someone will read this work and consider writing a screenplay for television or movie Now wouldnt that be good Teversham is actually in Cambridgeshire but for the story there is one on the Scottish border both a town and a village where the eight skulls existed Any similarity is purely coincidental and should not be mistaken for the small village that is in Cambridgeshire
