Stump Ranch Chronicles and Other Narratives Rolf Knight, Arnt Arntzen, Ebe Koeppen, 1977 **The Workers' Revolt in Canada, 1917-1925** Craig Heron, 1998-01-01 A clear concise portrait of one of the most dramatic moments in the history of working class life and class relations generally in Canada the upsurge of working class protest at the end of the First World War **Creating Societies** Dirk Hoerder, 2000 The birth of Canada as a society and a nation has often been told from the narrow perspective of the founding nations These versions have left little room for the everyday experiences of a wide variety of individual immigrants who have had to adjust *Cottage Country in Transition* Greg Halseth, 1998 The cottage is a powerful image of rural Canada This image however often ignores the rural community that surrounds it producing a geographically and socially divided landscape and creating friction between cottage owners and rural communities *Cottage Country in Transition* is a wide ranging exploration of the interaction and evolution of these two communities **Resource Communities in a Globalizing Region** Paul Bowles, Gary N. Wilson, 2015-12-14 Northern British Columbia has always played an important role in Canada's economy but for many Canadians it also existed as an almost forgotten place a vast territory where only a few roads some railroad tracks and a ferry system connected small cities towns and villages to the outside world Now as the global appetite for oil gas hydroelectricity wood and minerals intensifies this resource rich and geographically important region is being pulled onto the national and international economic stages As debates around pipelines mines and hydroelectric projects intensify in local coffee shops distant boardrooms and the halls of Parliament this timely volume examines the connections and tensions between resource communities and global market forces illuminating how governments Aboriginal peoples organized labour NGOs and the private sector are adapting to resisting and embracing change *Beyond the Nation?* Alexander Freund, 2012-01-01 Peter B Morgan's *Explanation of Constrained Optimization for Economists* is an accessible user friendly guide that provides explanations both written and visual of the manner in which many constrained optimization problems can be solved [A Bibliography of Canadian Folklore in English](#) Edith Fowke, Carole Henderson-Carpenter, 1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English The 3877 different items are arranged by genres folktales folk music and dance folk speech and naming superstitions popular beliefs folk medicine and the supernatural folk life and customs folk art and material culture and within genres by ethnic groups Anglophone and Celtic Francophone Indian and Inuit and other cultural groups The items include reference books periodicals articles records films biographies of scholars and informants and graduate theses Each item is annotated through a coding that indicates whether it is academic or popular its importance to the scholar and whether it is suitable for young people The introduction includes a brief survey of Canadian folklore studies putting this work into academic and social perspective The book covers all the important items and most minor items dealing with Canadian folklore published in English up to the end of 1979 It is concerned with legitimate Canadian folklore whether transplanted

from other countries and preserved here or created here to reflect the culture of this country It distinguishes between authentic folklore presented as collected and popular treatments in which the material has been rewritten by the authors Intended primarily for scholars of folklore international as well as Canadian the book will also be of use to scholars in anthropology cultural geography oral history and other branches of Canadian culture studies as well as to librarians teachers and the general public *Working Lives* Craig Heron,2018-11-23 Craig Heron is one of Canada s leading labour historians Drawing together fifteen of Heron s new and previously published essays on working class life in Canada *Working Lives* covers a wide range of issues including politics culture gender wage earning and union organization A timely contribution to the evolving field of labour studies in Canada this cohesive collection of essays analyzes the daily experiences of people working across Canada over more than two hundred years Honest in its depictions of the historical complexities of daily life *Working Lives* raises issues in the writing of Canadian working class history especially working class realism and how it is eventually inscribed into Canada s public history Thoughtfully reflecting on the ways in which workers interact with the past Heron discusses the important role historians and museums play in remembering the adversity and milestones experienced by Canada s working class Voyage Through the Past Century Rolf Knight,2013-05-09 Though unaffiliated with any institute of higher learning Rolf Knight has established himself as a writer of significance and has produced some of the most influential works of history of British Columbia *A Very Ordinary Life* exploring his mother s life as a working class immigrant to Vancouver established his reputation in 1974 *Indians at Work* published in 1976 and reissued in 1996 was originally highly contentious but has since shaped the perception of contact in this part of the world as no other book has Throughout the 1970s Knight continued to document working class experiences in British Columbia through a series of books *A Man of our Times* with Maya Koizumi *Stump Ranch Chronicles* *Work Camps and Company Towns* and *Along the No 20 Line* reissued 2011 In 1992 he published *Homer Stevens A Life in Fishing* with Homer Stevens and was also awarded a Clio prize by the Canadian Historical Association for his contributions to regional history In *Voyage Through the Past Century* we have Knight s autobiographical account of his far from ordinary past A journey from his early years as the only child at Musketeer Mine through his move to northeast Vancouver where he attended school and entered university Earning a PhD in anthropology and subsequent fieldwork in Northern Quebec constitute his formal schooling but it was Knight s travels upcoast as a youth trips to Berlin Nigeria New York and Colombia that shaped his politics and views Clear eyed and written with the verve and passion of a working class activist *Voyage Through the Past Century* is an engaging record of a fascinating life and an indispensable account of a time and place that has marked our age even as the events that shaped it fade into the past Canadian Ethnic Studies ,1977
