

SUBDESARROLLO Y REVOLUCIÓN — RUY MAURO MARINI

La historia del subdesarrollo latinoamericano es la historia del desarrollo del sistema capitalista mundial. Su estudio es indispensable para quien desee comprender la situación a la que se enfrenta actualmente este sistema y las perspectivas que se le abren. Inversamente, sólo la comprensión segura de la evolución y de los mecanismos que caracterizan la economía capitalista mundial proporciona el marco adecuado para ubicar y analizar la problemática latinoamericana.

En la presente edición se han incorporado dos nuevos ensayos: *Lucha armada y lucha de clases* y *Hacia la revolución continental*. Ambos contribuyen a precisar mejor las características económicas del desarrollo dependiente, en particular del subimperialismo brasileño, así como a profundizar en las contradicciones de clase que genera.

El trabajo de Marini se ha convertido ya en uno de los puntos básicos de partida o de polémica en la discusión teórica y la interpretación política del presente y el futuro de América Latina.
