Subira's Story g. e. white, 2012-06-28 We live in a society that seems to thrive on the negative This in many ways makes it hard to encourage people to strive for a life lasting relationship We tend to hear more about marriages that are breaking up than about the ones that are lasting What does it take for a marriage to last till death and who is willing these days to endure the ups and downs of marriage What about the vows Whether they are traditional or made up by the couple shouldn't both the man and the woman strive to do their best to keep them Are you thinking about marriage or looking for a little help over an obstacle that's testing your's The information on these pages may be just what you need to help you along your way Everything in life happens for a reason You have chosen the right book at the right time It may not be for you but it may contain information that you need to share with someone else Go ahead get to reading Be blessed and be a blessing **Cool**
