

# Submarine Commander

**Georg Gunther Forstner**

## **Submarine Commander:**

Submarine Commander Paul R. Schratz, 2013-07-24 A fascinating personal memoir of underwater combat in World War II told by a man who played a major role in those dangerous operations Frank and beautifully written Submarine Commander s breezy style and irrepressible humor place it in a class by itself This book will be of lasting value as a submarine history by an expert and as an enduring military and political analysis In early 1943 the submarine USS Scorpion with Paul R Schratz as torpedo officer slipped into the shallow waters east of Tokyo laid a minefield and made successful torpedo attacks on merchant shipping Schratz participated in many more patrols in heavily mined Japanese waters as executive officer of the Sterlet and the Atule At war s end he participated in the Japanese surrender aided the release of American POWs and had a key role in the disarming of enemy suicide submarines He then took command of the revolutionary new Japanese submarine I 203 and returned it to Pearl Harbor But this was far from the end of Schratz s submarine career In 1949 he commissioned the ultramodern USS Pickerel the most deadly submarine then afloat and set a world s record in a 21 day 5 200 mile submerged passage from Hong Kong to Honolulu With the outbreak of the Korean War the Pickerel was immediately sent to Korea to participate in secret intelligence operations only recently declassified and never before revealed in print Schratz s broad military experience makes this a far from ordinary memoir

### **The Submarine Commander Pocket Manual**

**1939-1945** Chris McNab, 2018-12-11 Submarine commanders in WWII dealt with both enormous risk and responsibility charged with sinking enemy shipping while avoiding detection they had to correctly locate and identify enemy craft getting close enough to strike while attempting to safeguard the lives of their crew It was a deadly game the Germans lost over 600 U boats during the war and one in five submariners in the US Navy was killed the highest proportion of any of the services The Submarine Commander Pocket Manual gives a fascinating insight into life beneath the waves and what was required to operate a submarine from diving and surfacing to attack strategies and evading detection From training manuals to combat reports and firsthand accounts this volume has collated documents diagrams and photos from American British and German archives to demonstrate both the fascinating technical and tactical aspects of running a submarine and the calm nerves needed to outwit your opponent and live to fight another day in the war at sea

Midget Submarine Commander Paul Watkins, 2013-01-19 A biography of the twentieth century British Royal Navy officer and Victoria Cross recipient who fought below above and on the waves Of all the acts of gallantry in World War II few were as audacious as the attack by midget submarines on the pride of the German fleet the battleship Tirpitz lying in her heavily fortified lair deep in a Norwegian fjord Lieutenant Godfrey Place was in command of submarine X7 in September 1943 and travelled over 1 000 miles negotiating minefields and anti submarine nets to place four tons of high explosive accurately under the hull of the Tirpitz For this he was awarded the Victoria Cross in 1944 at the age of twenty two Taken prisoner he was repatriated to England at the end of the war and continued to serve in the Royal Navy for twenty five years flying with 801 squadron in the Korean War and

serving on aircraft carriers at Suez, Nigeria, and the withdrawal from Aden. On his retirement in 1970, he had the distinction of being the last serving naval officer to hold the Victoria Cross. This overdue biography details Godfrey Place VC's eventful life from a childhood spent partly in East Africa to being the hugely respected Chairman of the Victoria Cross and George Cross Association for over twenty years. Thanks to the author's extensive access to previously unpublished material, including Place's own recollections of the attack, there is unlikely to be a better or more thrilling account of the attack on the *Tirpitz*. *The Journal of Submarine Commander von Forstner* Georg-Günther Freiherr von Forstner, 2021-04-25

In *The Journal of Submarine Commander von Forstner*, Georg-Günther Freiherr von Forstner presents an intricate narrative that delves into the psychological and strategic intricacies of submarine warfare during World War II. This autobiographical account is marked by a vivid literary style combining stark realism with reflective prose that captures the tension and uncertainty faced by naval commanders. Von Forstner's unique perspective provides invaluable insights into the operational challenges and ethical dilemmas inherent in submarine engagements, making this work a significant contribution to both military history and literary discourse on war. Georg-Günther Freiherr von Forstner, having served as a U-boat commander, drew upon his extensive naval experience and personal reflections in crafting this journal. His background not only equipped him with firsthand knowledge of the oceanic theater of conflict but also fostered a profound sense of duty and introspection that permeates the text. Von Forstner navigated the complexities of honor, valor, and the harsh realities of warfare, striving to encapsulate his tumultuous experiences for future generations. I wholeheartedly recommend *The Journal of Submarine Commander von Forstner* to readers interested in military history, psychological narratives, and the moral challenges faced in combat. This work transcends a mere recounting of events, inviting readers to engage with the profound implications of warfare and the humanity that persists amid the chaos. Emergency Deep Alfred Scott McLaren, 2025-04-15

*Emergency Deep* Conveys in dramatic detail the high-risk covert operations of a nuclear attack submarine during the zenith of the Cold War. Captain Alfred Scott McLaren served as commander of the USS *Queenfish* (SSN 651) from September 1969 to May 1973, the very height of the Cold War. As commander, McLaren led at least six major clandestine operations, including the first ever exploration of the entire Siberian Continental Shelf, a perilous voyage detailed in his previous book *Unknown Waters*. *Emergency Deep: Cold War Missions of a Submarine Commander* conveys the entire spectrum of Captain McLaren's experiences commanding the USS *Queenfish*, mainly in the waters of the Russian Far East and also off Vietnam. McLaren offers a riveting and deeply human story that illuminates the intensity and pressures of commanding a nuclear attack submarine in some of the most difficult circumstances imaginable. Relying on his own notes and records, as well as discussions with former officers and shipmates, McLaren focuses on operational matters, both great and small. He recounts his unique perspectives on attack submarine tactics and exploratory techniques in high-risk or uncharted areas, matters of leadership and team building, and the morale of his crews and the innumerable and often unforeseen ways his philosophy of

command played out on a day to day basis with consequences that ran the gamut from the mundane to the dire and life threatening Readers are also treated to significant new information and insight on submarine strategy maneuvers and culture Such details illuminate and bring to life with both great humor and gravitas the intensity and pressures on those engaged in covert missions on nuclear attack submarines      *Submarine Commander* Paul R. Schratz,1990-02-01 Recounts war experiences and participation in the setting of a world s record for longest submerged voyage      **The journal of submarine commander von Forstner, tr. by Mrs. Russell** Georg Gunther Forstner,1917      **The Journal of Submarine Commander Von Forstner** Georg-Günther Freiherr von Forstner,1917      *Submarine Commander* Benjamin Bryant,1958  
    **Papers Relating to the Foreign Relations of the United States** United States. Department of State,1929

Submarine Commander: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

## **Submarine Commander Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Submarine Commander has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Submarine Commander has opened up a world of possibilities. Downloading Submarine Commander provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Submarine Commander has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Submarine Commander. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Submarine Commander. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Submarine Commander, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Submarine Commander has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Submarine Commander Books**

1. Where can I buy Submarine Commander books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or

software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Submarine Commander book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Submarine Commander books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Submarine Commander audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Submarine Commander books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
