Subtracting Fears For The Future Revelations Timeless Message:

Subtracting Fears for the Future Sara Kelly, 2005-10 Subtracting Fears for the Future showcases Revelation as timeless message John of Patmos wrote his scroll which later became the Bible as Revelation in order to bring courage and comfort to the 1st century Christians who were suffering persecutions and challenges to their faith The 21st century Christian requires a guide to perceive John's message through the eyes of the ancients Written in conversational style by a layperson for laypersons historically and factually referenced and authenticated the author's goal is to present this timely interpretation of Revelation to offset the misinformation and exploitation by film makers and writers of fiction The dark curtain over what has been perceived as dire predictions is lifted with Revelation's message of comfort With comprehension of the journalistic a who what why when where a instead of adding fears Revelation subtracts any anxiety concerning the portents to come for humanity or individuals Fear Not Reg Christensen, 2010-01-01 Simple comfortable approach to the book of Revelation that focuses on the plain and precious truths therein that can enlighten and bring healing and peace into our daily lives
