Succeeb In Prepaid Legal:

Success in Pre-Paid Legal Insight Publishing Group, Paul J. Meyer, 2002 **Successful Real Estate Investing** Robert Shemin, 2004-04-26 *Successful Real Estate Investing* is written specifically for novice investors who want to get started with confidence. It highlights 75 of the most common mistakes investors make and offers specific real life strategies for avoiding them. Each mini chapter covers one mistake and offers pearls of wisdom based both on Robert Shemin's long experience as an investor and on case studies of investors he has met or assisted along the way. For investors worried about making a particular mistake in any step of the investment process, this is the only real estate guide that offers quick expert guidance on avoiding everything that could but won't go wrong. *Successful Real Estate Investing* covers these mistakes as well as many more: Forgetting to screen all tenants, Not taking in adequate cash flow, Missing out on special loan programs, Not having the proper insurance, Holding onto a rehab or rental house that won't sell or rent, Thinking short term when you should be thinking long term, Punishing bad tenants without rewarding good ones, Failing to establish minimum requirements for tenants, Failing to inspect properties regularly. But *Successful Real Estate Investing* is more than just a list of troubles to avoid; it also teaches the most important keys to real estate success: keep it simple, believe you can do it because you can, inform yourself so you know what you're doing and stick with it. With common sense and the uncommon guidance you'll find here, there's nothing standing in your way.
