Shafiroff the world's No 1 stockbroker *The Last of the Imperious Rich* Peter Chapman, 2010-09-02 On September 11 1844 Henry Lehman arrived in New York City on a boat from Germany Soon after he moved to Montgomery Alabama where he and his brother Emanuel established a modest cotton brokering firm that would come to be called Lehman Brothers On September 15 2008 Dick Fuld the last CEO of Lehman Brothers filed for corporate bankruptcy amid one of the worst financial crises in American history After 164 years one of the largest and most respected investment banks in the world was gone leaving everyone wondering How could this have happened Peter Chapman an editor and writer for The Financial Times answers this question by exploring the complete history of Lehman Brothers between those two historic Septembers He takes us back to its early days as a cotton broker in Alabama and then to its glory days as one of the leading corporate financiers in America He also provides an intimate portrait of the people who ran Lehman over the decades from Henry Lehman the founder to Bobbie Lehman who led the company into the world of radio motion pictures and air travel in first part of the 20th century to Dick Fuld who allowed it to morph into a dealer of shoddy securities Throughout his account of this imperiously rich firm Chapman examines the impact Lehman Brothers had not only on American finance but

also on American life As a major backer of companies like Pan American Airlines Macy s and RKO Lehman helped lead the country into major new industries and helped support some of its most intrepid entrepreneurs He then shows how starting in the 1980s Lehman s increased focus on short term gain investments led the firm down the dangerous path that would eventually lead to its demise In the end the story of Lehman Brothers is not only the story of a truly important American company but a cautionary tale of what happens when leaders lose sight of their core mission in their quest for something too good to be true Praise for *The Last of the Imperious Rich* Thought provoking and illuminating The New York Times Chapman has succeeded in holding up a mirror to America s past and what its future might hold Bloomberg
