Sudeley Castle:

Greater Medieval Houses of England and Wales, 1300-1500: Volume 3, Southern England Anthony Emery, 2006-03-09
This is the third volume of Anthony Emery's magisterial survey Greater Medieval Houses of England and Wales 1300-1500 first published in 2006. Across the three volumes Emery has examined afresh and reassessed over 750 houses: the first comprehensive review of the subject for 150 years. Covered are the full range of leading homes from royal and episcopal palaces to manor houses as well as community buildings such as academic colleges, monastic granges and secular colleges of canons. This volume surveys Southern England and is divided into three regions, each of which includes a separate historical and architectural introduction as well as thematic essays prompted by key buildings. The text is complemented throughout by a wide range of plans and diagrams and a wealth of photographs showing the present condition of almost every house discussed. This is an essential source for anyone interested in the history, architecture and culture of medieval England and Wales. Behind Castle Walls at Sudeley Past and Present Ashcombe, 2009-11-15 A collection of Lady Ashcombe's writing which looks at aspects of castle life and Cotswold life with warmth and humour. **The History of Sudeley Castle, in Gloucestershire.** L.P. Cooper WILLYAMS, 1791 Sudeley Castle James Parry, Elizabeth Lady Ashcombe, 2021-05-10 The first comprehensive publication about the remarkable Sudeley Castle tracing over 1,000 years of illustrious history from the time of King Aethelred the Unready through the castle's Tudor heyday and its 19th-century restoration. Set in the beautiful Gloucestershire Cotswolds, Sudeley Castle exemplifies popular perceptions of the romantic English country house. The final resting place of King Henry VIII's last wife Katherine Parr, it is partly castellated and its centuries-old ruins are festooned with roses. This book, the first comprehensive publication about this remarkable castle, traces over 1,000 years of illustrious history from the time of King Aethelred the Unready through the castle's Tudor heyday and its subsequent decline and fall before its dramatic rescue during the second half of the 19th century by the Dent Brocklehurst family, whose descendants still live there. Sudeley's architectural heritage, art and gardens are all described and illustrated by historical material as well as stunning new photography.
