Südtirol Stunde Null:

Südtirol, Stunde Null? Hans Heiss, 2000 **The South Tyrol Way** Hans Karl Peterlini, 2023-10-11 In lively language Hans Karl Peterlini guides us through the recent history of South Tyrol He illuminates the developments and key events including the fighting in the First World War the option and Italianisation of the country under the fascists the political efforts for autonomy and the bomb attacks Furthermore Peterlini tells the stories of the people of South Tyrol their economies cultural creations and lifestyles their misunderstandings and achievements in reconciliation right up to the present day **Nazis on the Run** Gerald Steinacher, 2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports and the role played by the Red Cross the Vatican and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals providing them not only with secret escape routes but hiding places for their loot Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals including Adolf Eichmann showing how they mingled and blended with thousands of technically stateless or displaced persons all flooding across the Alps to Italy and from there to destinations abroad The story of their escape shows clearly just how difficult the apprehending of war criminals can be As Steinacher shows all the major countries in the post war world had mixed motives for their actions ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East West confrontation after 1947 which led to many former Nazis being recruited as agents turned in the Cold War Return and Circular Migration in Contemporary European History Sarah Oberbichler, Eva Pfanzelter, Valerio Larcher, 2024-06-05 **Ethnicity, Nationalism and the European Cold War** Robert Knight, 2012-03-29 Explores the continuity of ethnic and national politics during the Cold War **A Nazi Past** David A. Messenger, Katrin Paehler, 2015-04-21 Since the end of World War II historians and psychologists have investigated the factors that motivated Germans to become Nazis before and during the war While most studies have focused on the high level figures who were tried at Nuremberg much less is known about the hundreds of SS members party functionaries and intelligence agents who quietly navigated the transition to postwar life and successfully assimilated into a changed society after the war ended In A Nazi Past German and American scholars examine the lives and careers of men like Hans Globke who not only escaped punishment for his prominent involvement in formulating the Third Reich's anti-Semitic legislation but also forged a successful new political career They also consider the story of Gestapo employee Gertrud Slottke who exhibited high productivity and ambition in sending Dutch Jews to Auschwitz but eluded trial for fifteen years Additionally the contributors explore how a network of Nazi spies and diplomats who recast their identities in Franco's Spain far from the denazification proceedings in Germany Previous studies have emphasized how former Nazis hid or downplayed their wartime affiliations

and actions as they struggled to invent a new life for themselves after 1945 but this fascinating work shows that many of these individuals actively used their pasts to recast themselves in a democratic Cold War setting Based on extensive archival research as well as recently declassified US intelligence A Nazi Past contributes greatly to our understanding of the postwar politics of memory
