Expanding on his acclaimed book Muslim Evangelism Phil Parshall argues that the avenue for dialogue between Muslims and Christians runs through folk not orthodox Islam **Sufi Shrines and the Pakistani State** Umber Bin Ibad,2018-12-21

After the creation of Pakistan in 1947 Sufi shrines became highly contested Considered deviant and un Islamic they soon fell under government control as part of a state led strategy to create an official more unified Islamic identity This book the first to address the political history of Sufi shrines in Pakistan explores the various ways in which the postcolonial state went about controlling their activities Of key significance Umber Bin Ibad shows was the West Pakistan Waqf Properties Ordinance a governmental decree issued in 1959 Formed when General Ayub Khan assumed the role of Chief Martial Law Administrator this allowed the state to take over shrines as waqf property According to Islamic law a waqf or charitable endowment had to be used for charitable or religious purposes and the state created a separate Auqaf department to control the finances and activities of all the shrines which were now under a state sponsored waqf system Focusing on the Punjab famous for its large number of shrines the book is based on extensive primary research including newspapers archival sources interviews court records and the official reports of the Auqaf department At a time when Sufi shrines are being increasingly targeted by Islamist extremists who view Sufism as heretical this book sheds light on the shrines contentious historical relationship with the state An original contribution to South Asian Studies the book will also be relevant to scholars

of Colonial and Post Colonial History and Sufism Studies *Sufism East and West* Jamal Malik, Saeed Zarrabi-Zadeh, 2019-07-15 In *Sufism East and West* the contributors investigate the redirection and dynamics of Sufism in the modern era specifically from the perspective of global cross cultural exchange Edited by Jamal Malik and Saeed Zarrabi Zadeh the book explores the role of mystical Islam in the complex interchange and fluidity in the resonance spaces of East and West The volume challenges the enduring Orientalist binary coding of East versus West and argues instead for a more mutual process of cultural plaiting and shared tradition By highlighting amendments adaptations and expansions of Sufi semantics during the last centuries it also questions the persistent perception of Sufism in its post classical epoch as a corrupt imitation of the legacy of the great Sufis of the past **The A to Z of Sufism** John Renard, 2009-08-17 With more than 3 000 entries and cross references on the history main figures institutions theory and literary works associated with Islam s mystical tradition *Sufism* this dictionary brings together in one volume extensive historical information that helps put contemporary events into a historical context Additional features include chronology of all major figures and events introductory essay glossary of 400 Arabic Berber Chinese Persian and Turkish terms comprehensive bibliography Ideal for libraries as well as students and scholars of religion *Cultural Heritage of Mewat* Aijaz Ahmad, 2020-01-01 This book is the history of the culture and civilization places and historical buildings belonging to the Mewat region with architectural details and political history This work deals with the political cultural and archaeological history of Mewat region including the history of the Mewat region and its inhabitants the Meos from the very beginning of their settlement in India and their migration to the Mewat region This book also deals with history of Mewat under Yaduvanshi Khanzada rule from the time of the earliest invasion of the Iltutmish and Balban covering the Tughlaqs Sayyids and Lodis to the British period in modern times This is perhaps the first attempt to cover the forgotten region in the light of the original and oral sources For the learners researchers and to the students of history and archaeology this work is very beneficial for the references and general knowledge This book is illustrated with black and white photographs for the better understanding of the Mewat region
