California resident 1865 In this twenty month period he wrote most of his work for the San Francisco Golden Era the Morning Call the Dramatic Chronicle and the Californian He began to publish somewhat more regularly in eastern journals like the New York Saturday Press and the Weekly Review and toward the end of the period he started a long assignment as the daily correspondent from San Francisco to the Virginia City Territorial Enterprise In November 1865 he published Jim Smiley and His Jumping Frog no 119 and by the beginning of 1866 the news of its success with eastern readers had begun to filter back to California He was on the verge of national and international fame as a humorist A Colossal Hoax Scott Tribble,2008-12-16 In October 1869 as America stood on the brink of becoming a thoroughly modern nation workers unearthed what appeared to be a petrified ten foot giant on a remote farm in upstate New York The discovery caused a sensation Over the next several months newspapers devoted daily headlines to the story and tens of thousands of Americans including Oliver Wendell Holmes Ralph Waldo Emerson and the great showman P T Barnum flocked to see the giant on exhibition In the colossus many saw evidence that their continent and the tiny hamlet of Cardiff had ties to Biblical history American science also weighed in on the discovery and in doing so revealed its own growing pains including the shortcomings of traditional education the weaknesses of archaeological methodology as well as the vexing presence of amateurs and charlatans within its ranks A national debate ensued over the giant s origins and was played out in the daily press Ultimately the discovery proved to be an elaborate hoax Still the story of the Cardiff Giant reveals many things about America in the post Civil War years After four years of destruction on an unimagined scale Americans had increasingly turned their attention to the renewal of progress But the story of the Cardiff Giant seemed to shed light on a complicated mysterious past and for a time scientists clergymen newspaper editors and ordinary Americans struggled to make sense of it Hucksters of course did their best to take advantage of it The Cardiff Giant was one of the leading questions of the day and how citizens answered it said much about Americans in 1869 as well as about America more generally The Short Works of Mark Twain Peter Messent,2001-08-22 A delightfully informed path through the complexities of composition publishing history and the textual discontinuities that characterize so many of Twain s stories Journal of American Studies **Mark Twain's Letters, Volume 6** Mark Twain,2023-12-22 Mark Twain s letters for 1874 and 1875 encompass one of his most productive and rewarding periods as author husband and father and man of property He completed the writing of The Adventures of Tom Sawyer published the major collection Sketches New and Old became a leading contributor to the Atlantic Monthly and turned The Gilded Age the novel he had previously coauthored with Charles Dudley Warner into one of the most popular comedies of the nineteenth century American stage His personal life also was gratifying unmarred by the family tragedies that had darkened the earlier years of the decade He and his wife welcomed a second healthy daughter and moved into the showplace home in Hartford Connecticut that they occupied happily for the next sixteen years All of these accomplishments and events are vividly captured in Mark Twain s inimitable language and with his unmatched humor in
