experience but some underlying chord that included our voices but was bigger spoke through them as if the sound of the ocean were encoded in the sounds of the rain I ll Close My Eyes But I Won t Be Asleep sounds an intimate heartbreaking and sometimes humorous end of life chord in a mother and daughter relationship A compelling memoir I ll Close My Eyes But I Won t Be Asleep is an honest account of what for most of us remains hidden and unheard It will be useful for anyone torn by conflicting desires and demands battered by memory grief and rage and struggling to give care Elisa Adler studied at the University of California Berkeley Mills College and in Bogota Colombia at Centro de Estudios Colombo Americanos She has worked as a newspaper reporter translator interpreter laborer and domestic teaches English and Spanish at colleges in California and Nevada and farms with her daughter and husband in the northern Sierra

Ex Libris Anne Fadiman,2011-04-01 Perfectly balanced between humor and erudition Ex Libris establishes Anne Fadiman as one of our finest contemporary essayists Anne Fadiman is by her own admission the sort of person who learned about sex from her father s copy of Fanny Hill whose husband buys her 19 pounds of dusty books for her birthday and who once found herself poring over her roommate s 1974 Toyota Corolla manual because it was the only written material in the apartment that she had not read at least twice This witty collection of essays recounts a lifelong love affair with books and language For Fadiman as for many passionate readers the books she loves have become chapters in her own life story Writing with remarkable grace she revives the tradition of the well crafted personal essay moving easily from anecdotes about Coleridge and Orwell to tales of her own pathologically literary family As someone who played at blocks with her father s 22 volume set of Trollope My Ancestral Castles and who only really considered herself married when she and her husband had merged collections Marrying Libraries she is exquisitely well equipped to expand upon the art of inscriptions the perverse pleasures of compulsive proof reading the allure of long words and the satisfactions of reading out loud There is

even a foray into pure literary gluttony Charles Lamb liked buttered muffin crumbs between the leaves and Fadiman knows of more than one reader who literally consumes page corners
