A History of English Poetry: Table of contemporary poets in England, France, and Italy William John Courthope, 1895

Economic Interpretations of England's State Formation and Its Management to 1850 Gordon Holmes, 2024-10-24 The book is divided into two sections The first half provides a historiography of the literature on state formation from antiquity to the present day In the second Gordon identifies a new theme using the methodologies of economic history the history of economic thought and the history of ideas His interdisciplinary approach demonstrates that the process of state formation is best understood through the prism of science economy and culture The narrative highlights significant events and institutions as markers of change in the Middle Ages and the Early Modern era The core of the book focuses on England's economic culture and its impact on state management University elites in science and Aristotle's philosophy educated literate and numerate professionals for the Royal court They became indispensable for the ever growing complexity of governing England was unique because it embraced statistical thinking and quantitative reasoning at the heart of the English State

Classifying Entities and the Meaning of 'Tax Transparency' Michael McGowan, 2023-01-10 Imposing UK tax on an entity or those linked to it involves understanding what kind of entity is being dealt with especially when it is formed outside the UK Is it a company a partnership a trust or something else This often involves considering whether the entity is tax transparent and if so what that means While of great importance the UK tax rules for classifying entities are notoriously vague as is the UK meaning of tax transparency This book breaks new ground by exploring these topics comprehensively in a world which is well aware of the problems created by entity classification mismatches In so doing it addresses with emphasis on UK tax law issues such as the meaning of a partnership and a trust what is meant and is not meant by tax transparency across a range of taxes and situations how tax treaties have dealt with entity classification questions and related transparency issues how entity classification questions are impacted by EU law and how the UK approach could be improved policy wise and practically without facilitating tax avoidance The book compares in detail the UK entity classification approach with that of the US the Netherlands and France Appendices consider the unusual UK capital gains tax treatment of partnerships as well as the special transparency rules which can apply where a partnership is party to loans or derivative contracts or owns intangible assets Questions of entity classification and tax transparency are of fundamental importance in any mature tax system and especially in a globalised economy This book unlocks those questions for both academics and practitioners

Musical Style and Social Meaning Derek B. Scott, 2017-07-05 Why do we feel justified in using adjectives such as romantic erotic heroic melancholic and a hundred others when speaking about music How do we locate these meanings within particular musical styles These are questions that have occupied Derek Scott's thoughts and driven his critical musicological research for many years In this selection of essays dating from 1995 to 2010 he returns time and again to examining how conventions of representation arise and how they become established Among the

themes of the collection are social class ideology national identity imperialism Orientalism race the sacred and profane modernity and postmodernity and the vexed relationship of art and entertainment A wide variety of musical styles is discussed ranging from jazz and popular song to the symphonic repertoire and opera
