Egesdal,2008-01-01 The rich storytelling traditions of Salish speaking peoples in the Pacific Northwest of North America are showcased in this anthology of story legend song and oratory From the Bitterroot Mountains to the Pacific Ocean Salish speaking communities such as the Bella Coola Shuswap Tillamook Quinault Colville Okanagan Coeur d Alene and Flathead have always been guided and inspired by the stories of previous generations Many of the most influential and powerful of those tales appear in this volume Salish Myths and Legends features an array of Trickster stories centered on Coyote Mink and other memorable characters as well as stories of the frightening Basket Ogress accounts of otherworldly journeys classic epic cycles such as South Wind s Journeys and the Bluejay Cycle tales of such legendary animals as Beaver and Lady Louse from the beginning of time and stories that explain why things are the way they are The anthology also includes humorous traditional tales speeches and fascinating stories of encounters with whites including Circling Raven and the Jesuits Translated by leading scholars working in close collaboration with Salish storytellers these stories are certain to entertain and provoke vividly testifying to the enduring power of storytelling in Native communities **Salish Languages and**

Linguistics Ewa Czaykowska-Higgins,Marvin Dale Kinkade,1998 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by approaching language from an interdisciplinary perspective TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

Prosodic Categories: Production, Perception and Comprehension Sónia Frota,Gorka Elordieta,Pilar Prieto,2011-01-04 Located at the intersection of phonology psycholinguistics and phonetics this volume offers the latest research findings in key areas of prosodic theory including The relationship between intonation and pragmatics in speech production Sentence modality prosody characterization The role of pitch in quantity based sound systems Consonant conditioned tone depression phonology across languages The encoding of intonational contrasts in both intonational and tonal languages Featuring new data and ground breaking results the papers draw on empirical approaches that analyze production perception and comprehension experiments such as the prepared speech paradigm and semantic scaling tasks

These are discussed in a variety of languages some underrepresented in the literature such as French and Estonian while others such as Shekgalagari are examined in this way for the first time This collection of cutting edge material will be of interest to a broad range of language researchers

The Franz Boas Papers, Volume 2 Franz Boas, 2024-04 The Franz Boas Papers Volume 2 explores the development of the ethnography of Salishan speaking societies on the North American Plateau as revealed through the correspondence between Franz Boas and the Scottish born James Teit who married into an Interior Salish family and community and became fluent in the Nlaka pamux language The letters between Teit 1864 1922 and Boas 1858 1942 chronicle Teit s varied career as an ethnographer from shortly after his initial meeting with Boas in 1894 until Teit s death at the age of fifty eight A postscript documents Boas s contribution to Teit s legacy through the posthumous publication of the manuscripts Teit left unfinished at his death Teit made significant contributions to ethnography and the history of southern British Columbia through his photography of the people with whom he worked his contributions to ethnomusicology and ethnobotany his anthologies of mythic narrative and his collections of Interior Salish primarily Nlaka pamux material culture In addition to collaborating with Boas in the development of Interior Salish ethnography between 1909 and 1922 Teit worked to support Indigenous groups in British Columbia who were seeking recognition of Aboriginal title and resolution of their outstanding land claims The Franz Boas Papers Volume 2 meticulously tracks the impact of the differing career trajectories of Teit and Boas on the primary product of their collaboration the initial development of the ethnography of societies speaking Interior Salish languages This second volume of the Franz Boas Papers Documentary Edition is an essential primary source of archival materials for research libraries and for students and scholars of Northwest Coast and Interior Mountain West ethnohistory Native American and Indigenous studies history of anthropology and modern U S history It is also an essential source for Indigenous and settler descendant communities

The Lillooet Language Jan Van Eijk, 2011-11-01 This timely book is the first complete descriptive grammar of Lillooet an indigenous Canadian language spoken in British Columbia now threatened with extinction The author discusses three major aspects of the language sound system word structure and syntax in great detail The classical structuralism method of analysis as developed in North America by Leonard Bloomfield and his followers is used to look at every aspect of Lillooet in terms of its function and position within the whole structure of the language Van Eijk explains terms and procedures in order to make the book accessible not only to the advanced linguist but also to the undergraduate student with basic linguistic training Written with great clarity and well organized the book is illustrated with copious examples drawn from many years of fieldwork in St t imc territory A fully analysed and translated Lillooet text is included in an appendix to illustrate the grammatical patterns discussed in the main body A second appendix has a conversion table comparing the standard Amerindian orthography used in the book with the practical orthography used in Lillooet speaking communities The Lillooet Language is an invaluable addition to other recent studies of neighbouring Salish languages such as Squamish Halkomelem Thompson and Shuswap It

could be used both as a textbook for studies in the structure of a selected language and as collateral reading for courses in phonology morphology and syntax

The Languages and Linguistics of Indigenous North America Carmen Dagostino, Marianne Mithun, Keren Rice, 2023-09-05 This handbook provides broad coverage of the languages indigenous to North America with special focus on typologically interesting features and areal characteristics surveys of current work and topics of particular importance to communities The volume is divided into two major parts subfields of linguistics and family sketches The subfields include those that are customarily addressed in discussions of North American languages sounds and sound structure words sentences as well as many that have received somewhat less attention until recently tone prosody sociolinguistic variation directives information structure discourse meaning language over space and time conversation structure evidentiality pragmatics verbal art first and second language acquisition archives evolving notions of fieldwork Family sketches cover major language families and isolates and highlight topics of special value to communities engaged in work on language maintenance documentation and revitalization

Multilingual Discourse Production Svenja Kranich, 2011 This volume presents discourse production in multilingual contexts as a specific type of language contact situation Translation may be seen as the prototypical type of multilingual discourse production other types would include parallel text production in different languages e g for websites or the production of versions more loosely connected with the source text When divergent communicative norms and conventions come into contact in any of these types of text production one may find that such conventions transcend established language boundaries potentially leading to the emergence of new genres This volume represents the first collection of papers that focus on the specific properties of language contact through multilingual discourse production It brings together approaches by historical linguists language contact researchers and translation scholars thus presenting the topic in its full variety and providing valuable suggestions for further research in this emerging field of study

A Story as Sharp as a Knife Robert Bringhurst, 2011-03-15 The Haida world is a misty archipelago a hundred stormy miles off the coasts of British Columbia and Alaska For a thousand years and more before the Europeans came a great culture flourished in these islands The masterworks of classical Haida sculpture now enshrined in many of the world's great museums range from exquisite tiny amulets to magnificent huge housepoles Classical Haida literature is every bit as various and fine It extends from tiny jewels crafted by master songmakers to elaborate mythic cycles lasting many hours The linguist and ethnographer John Swanton took dictation from the last great Haida speaking storytellers poets and historians from the fall of 1900 through the summer of 1901 His Haida hosts and colleagues had been raised in a wholly oral world where the mythic and the personal interpenetrate completely They joined forces with their visitor consciously creating a great treasury of Haida oral literature in written form Poet and linguist Robert Bringhurst has worked for many years with these century old manuscripts which have waited until now for the broad recognition they deserve
